LATEST NOTES OF REPERT SCHOOL

Another victory was won for the class, the last public sale was in its new quarters on Second street next to the theater. The change in location is believed to be somewhat responsible. A larger crowd being assembled, there was much interest displayed and one could not but see very marked improvement in the way that the students handled their part in making their sales. There will be only a few more public sales so it is wished that the public would make us a visit, win some of the prizes, enjoy the music and have a real enjoyable evening.
