

# Yellow Jackets Lose Final Game Of Season

## Hartford City Beats Decatur By 42-21 Score

Decatur's Yellow Jackets, winding up another disastrous season Wednesday night, absorbed their eighth loss of the year as the Hartford City Airdales ran and passed their way to a 42 to 21 victory in one of the wildest scoring games ever staged at Worthman field.

The Jackets made a real ball game out of their season's finale for most of the first half, holding a 14 to 12 lead shortly after the second quarter opened, but saw their victory hopes fade as Hartford City raced for three rapid-fire touchdowns before the period ended to give the Airdales a 30 to 14 lead at the half.

The visitors jumped away to a lead in the early minutes of the game, recovering a Decatur fumble on the Jackets' 21-yard line on the second play of the game. V. Davis raced around end to the Decatur two-yard line before he was forced out of bounds, and Langdon smashed over guard for the touchdown. The try for point failed, as it did after each of the Airdales' seven touchdowns.

Hartford City returned the touchdown shortly after, fumbling a punt, with Egle recovering on the Hartford 22. The Airdales were penalized five yards for offside and Kenny Grant then went off his right tackle for 17 yards and a touchdown. Holmes dropped the first of his three extra points.

Langdon, Airdales' fullback and the game's outstanding ball carrier, scored the next touchdown almost unaided, his two long end runs accounting for the marker, the scoring play traveling 19 yards.

Opening the second quarter, Decatur had the ball on its own 46. Kenny Grant then flipped a short pass over the line to Bruce Baughn, who raced 55 yards for a touchdown. Holmes' dropkick put the Jackets in front, 14 to 12.

## Auburn Beats Garrett To Win Loop Crown

Indianapolis, Oct. 24—(UP)—Coach Zeke Young's Auburn Red Devils joined the Grizzlies of Franklin today on the exclusive list of Indiana high school football eleveners who finished a perfect 1946 season and won a major conference title in the process.

But, last fall's central conference champions from Plymouth became the third 1945 titlist to definitely lose this time.

Auburn, which has only five seniors on its squad, nosed out the then once-beaten Garrett Railroaders last night, 25-19, for its eighth straight this season and its 14th in a row over two years.

It meant the Northeastern Indiana championship for Auburn, which lost the 1945 title by losing an 18-6 opening game with Columbia City.

Approximately half of the state's prep elevens played last night due to the two-day school holiday for the state teachers' convention.

Little Beech Grove in Marion county continued as the "winningest team" as it posted its ninth straight at Ben Davis' expense, 39-0. Beech Grove tries to complete a perfect season next Wednesday against Lawrence Central.

Besides Beech Grove, Auburn and Franklin, the state's undefeated, untied elevens are East Chicago Roosevelt, LaPorte, Lawrenceburg, and Lowell. Roosevelt and LaPorte currently rank one-two in the statewide listings.

Franklin, which now has a "wonder five" to go with its "wonder eleven" to complete an undefeated, untied season. The Grizzlies did it two nights ago, after winning the South Central title the previous Friday.

While Auburn was turning back Garrett, Plymouth took its six-game winning streak to Huntington and came a 26-6 cropper. The Rockies could have clinched a share of the central league title with a win. Now, Huntington and Peru, both unbeaten in CIC play, settle the title Nov. 1 at Huntington. Once-beaten Peru also won last night, making Alexandria victim No. 7 by a 27-7 margin.

Columbus of the south central and Columbia City of the north-eastern league were the first 1945 champions to fail to repeat.

Muncie Central won its seventh straight north central championship for all practical purposes last night when it handed Kokomo's big Kats their second defeat of the campaign, 38-0. Muncie, beaten only by Evansville Memorial and regarded as the state's sixth-ranking team, has only to get by five-times defeated New Castle in conference play.

## Hoosier Net Season Opening Unchanged

Indianapolis, Oct. 24.—(UP)—nrxzxzwwPd,mw mw mw mw m Hoosiers, who love their high school basketball better than anything else, will continue to get it five months a year.

Commissioner L. V. Phillips of the state athletic association said today that the executive committee had defeated a motion to set the start of the cage season back from Nov. 1 to Nov. 15.

Phillips said that questionnaires were mailed to 41 high schools who also play football asking their opinion on the change of dates. Only one school favored the change, Phillips said.

The executive committee also voted to set back the date high schools may start fall football practice. Effective next year, grid practice may start Aug. 15. Now the date is Aug. 20.

## Yankees, Pirates Exchange Pitchers

New York, Oct. 24.—(UP)—The New York Yankees traded Ernie Bonham, 33-year-old fork-ball pitcher, to the Pittsburgh Pirates today for Art Cuculullo, 27-year-old southpaw who furlered for the Hollywood Stars of the Pacific Coast league last season.

Bonham, a six-foot-two-inch, 215-pound right-hander, was troubled with a sore arm most of last season and won five games while losing eight. The husky Californian came to the Yankees in 1940 from Kansas City in the American Association and enjoyed his best year in 1942 when he won 21 and dropped five.

## Run Cross Country Meet In Two Races

Indianapolis, Oct. 24.—(UP)—Commissioner L. V. Phillips of the Indiana high school athletic association said today the state cross country meet Saturday would be run in two races, and co-champions crowned.

Phillips said the twin races were made necessary by an unexpected entry list of 59 teams and 477 athletes.

VINCENT CASTALDI, 10, screams in agony as New York police work to free his right foot, which became jammed in a revolving door in a downtown hotel, where Vincent and his pals were playing. After 45 minutes, the police released the boy and removed him to a hospital. (International)
