## THANK YOU

The Union Chapel Evangelical  
United Brethren Church desires,  
in this manner to express thanks  
to their many friends who have  
spoken kind words of sympathy,  
concerning the loss of their church  
building by fire. Such words of  
sympathy have come from persons  
of every religious persuasion in  
our community, and is deeply ap-  
preciated.

We especially desire to thank  
George Shieferstein, our township  
trustee, for the use of the Dent  
school building as a temporary  
place of worship; our Trinity  
church in Decatur, for their gift  
of pews and chairs, which amply  
provides for our seating problem;  
The Bethany church of Decatur  
for the supply of a pulpit, and the  
Trinity church of Berne for the gift  
of hymnals, and also the Decatur  
Daily Democrat for its complete  
and courteous news coverage.

**Neighbors Aid In**  
**Harvesting Crop**  
**Of Martin Haugk**

More than 25 neighbors of Mar-  
tin Haugk of Union township gath-  
ered at his home Thursday morn-  
ing and worked through the day to  
shred more than 500 shocks of  
corn, demonstrating the good will  
spirit that should be manifest at  
this time of year.

Mr. Haugk has been ill the past  
several months and work on his  
farm has gotten behind. The neigh-  
bors decided to give the Haugk  
family a real lift by doing in one  
day what would take a long time  
for one or two persons to do and  
thus prevent loss of the crop.

Shredding machines were furn-  
ished by Martin and Herman Thieme  
and Hugo Blakey, and while the  
men worked in the fields a sub-  
stantial dinner was prepared and  
served by Mrs. Edwin Haugk, Mrs.  
Reinhard Haugk and Miss Paula  
Thieme.

The men who participated in the  
good neighbor policy were Hugo,  
Joseph and Morris Blecke, Richard  
and Wilbur Blakey, Edward Buhl-  
man, Carl Bischoff, Alfred Grote,

Donald Grote, Edgar and William  
Krueckeberg, Fred and Adolph  
Marbaugh, Herman and Lorenz  
Steele, Harold Schamerloh, Edgar,  
Hugo, Ernest, Martin and Herman  
Thieme, Harold Whittenberg, Rein-  
hardt, Edwin and Arthur Haugk.

which might be available later in  
the winter will be considerably  
higher priced, it was predicted.

**Anti-Freeze Compound**  
**Shortage Predicted**

A possible shortage of anti-freeze  
compounds for automobiles radi-  
ators was predicted by local filling  
station operators here today. The  
higher grades of permanent anti-  
freeze compounds have been scarce  
the last few months and indications  
are that those of the lower-priced  
variety with alcohol bases also will  
reach the vanishing point before  
many weeks. Those compounds

which might be available later in  
the winter will be considerably  
higher priced, it was predicted.
