DE GAULLE BACK IN

tering discussion which might become a milestone in the history of the infant fourth republic.

The best commitment Ramadier could get was a promise by De Gaulle not to use his position as national hero to promote his opposition to the government.

De Gaulle promised to divorce his politics from any appearance he makes in his role as wartime hero. Ramadier told newsmen at a press conference that De Gaulle "intends making a number of speeches in the future. They will express his personal convictions, and the government has no intention of hampering him."

"Even if he does criticize the government's actions, we are obliged to consider that as his right, and we who respect liberty must defend that right," Ramadier added.

Assault And Battery Charged To Husband

Albert Davison, 39, Pleasant Mills, was to be arraigned before Judge J. Fruchte in Adams circuit court today to answer to charges of assault and battery.

The charge was placed against him by Prosecutor Myles F. Parrish after Davison's wife, Edna, signed the affidavit.

ing that his wife was safe outside. Spectators grabbed Shepherd and held him while he screamed: "I want to go back."

His wife was burned to death. When Mrs. Belton got to the street outside she looked back.

"I saw a woman collapse in the doorway. Her hair and clothes were afire. It was the most horrible thing I ever saw."

A coroner's jury, after questioning the dazed survivors, attributed the deaths to "burns from fire" of unknown origin. County prosecutor W. K. Journey said his investigation was closed unless new facts are disclosed later.

Worry of FALSE TEETH

Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FAS-TEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, goopy, pasty taste or feeling. It's alkaline (non-acid).
