McLain, 48, a Glendale motorist, who gave her and her common-law husband a hitchhike ride. The State accused her of holding McLain in a close embrace while Hardy shot him in the head with a pistol. ### Standard Oil Reduces Tank Wagon Prices

Chicago, Jan. 12 (UP)—The Standard Oil company of Indiana today announced price reductions on tank-wagon quantities of gasoline, naphtha, kerosene, tractor fuels, burning and diesel fuels in eight mid-western states.

The price cuts are not general, officials said. Many points in South and North Dakota, Minnesota, Nebraska, Wisconsin, Illinois, Michigan and Indiana will benefit, but areas such as Chicago and Minneapolis and St. Paul will not, they said.

The reduction ranges from one-tenth to six-tenths of a cent a gallon. The firm said it cut prices on the basis of an interstate commerce commission amendment which scaled down the freight increases of a recent order.

### Broken Rail Blamed For Rerailed Train

Thomasville, Ga., Jan. 12 (UP)—A broken rail was blamed today for the derailment of nine cars of the Atlantic Coast Line's Miami-to-Chicago "South Wind" near here yesterday in which no one was killed and only eight injured, none seriously.

The locomotive and two cars of the crack streamliner sped on down the track after couplings snapped and nine cars whipped off the track before dawn at Pidecock Junction, about 15 miles south of here. The ACL division officer here said a broken rail caused the ac-cident.
