Give it Room-

it's ROADMASTER!

WHEN this sight greets you in your rear-view mirror—mistake, better give over!

Overtaking you is just about the ablest performer on the road today—and wise drivers long ago learned the only thing to do with ROADMASTER is give it road room and a salute as it passes.

Reason is—ROADMASTER is something excitingly new in fine cars.

Big, yes—stretches a gorgeous eighteen feet, with all that such size means in comfort and inside stretch-out space.

But part and parcel of every one of its 4,400-odd pounds is the fastest footwork on the highway. Action is the key of every part, from its 150-hp Fireball power plant to the swift, silken, unbroken surge you get from Dynaflo Drive.

As a matter of fact, action's even invited by the price tag. By the pound, by the inch, by any yardstick you want to lay against it, it's the buy of the fine-car field.

For proof, just gather a few delivered prices on other cars and bring them around. We'll show you so much more for your dollar you'll waste no time getting an order in.

BUICK alone has all these features

Silk-smooth DYNAFLOW DRIVE • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRING • Lively FIREBALL STRAIGHT-8 POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Cruiser-Line VENTIPORTS • Low-pressure tires on SAFETY-RIDE RIMS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on SUPER models.

When better automobiles are built BUICK will build them

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening

"I Can Trust A&P..."

"We live in a pretty nice neighborhood. We aren't rich, and neither are our neighbors. Our income is what might be called 'comfortable,' and we have most of the things we really want as well as some money in the bank. And we've never cashed our war bonds."

"We've come along in the world from a modest start, not by skimping, but by trying to spend wisely what we've had to spend. And I've noticed that most folks who have a little something are folks who believe in getting their money's worth."

"I do all my shopping for food at our A&P Self-Service store, because I can trust them."

"I can trust them to buy the best that the market affords and to guard its quality and freshness until I come for it."

"I know it's their policy; when they mark eggs Grade A, to keep them fresh so they'll be 'Grade A' when I buy them (Grade A eggs, you know, will not be Grade A if they linger too long in the store)."

"When I buy a steak at A&P I know it's beef from a grain-fed steer, expertly selected in the first place, and well trimmed to give me my money's worth in meat, without too much fat and bone."

"I know it's their policy to offer fruits and vegetables that are fresh and crisp."

"I can trust A&P's advertising to be straightforward. When they list items like lettuce and cauliflower in their advertisements, it's been my experience they have good selections of the size heads they advertise, at the advertised price. I don't like any advertising that promises low prices, but when I try to buy at those prices, I am told 'We're sorry there are no more left at that price, how about one of these for more.' And when A&P advertises ground beef at thus-and-so, that's the price of their best ground beef (the only grade A&P sells), not a second grade."

"I know that if for any reason I am not entirely satisfied with something I have bought they'll gladly replace it or return my money."

"I trust their prices throughout the store and know I wouldn't save by shopping around the town. I don't mean that someone doesn't have a 'special' on something some time at a lower price than A&P. I mean that when I do all my shopping there, week in and week out, I'll save money and have the best that money can buy."

"Yes, I can trust A&P... and it's a mighty comfortable feeling."

IF YOU HAVE ANY SUGGESTIONS, opinions or criticisms that will help make your A&P a better place to shop, we will welcome them. There are more than 100,000 employees of A&P who want to make your A&P the finest place to do your shopping.
