Training Schools For 4-H Officers

Schools Are Held In Decatur, Berne

4-H officers' training schools held Thursday and Monday evenings were reported highly successful. Leaders and officers attending the two schools numbered 252. Thirteen clubs had 100 percent of their officers present and thus earned special 4-H emblems for their automobiles. These clubs were: girls—Work and Win of Jefferson, Busy Bees of Monroe; Monmouth Merry Maids of Root, Happy Hustlers of Washington, Union Pals of Union, Cloverleaf of Wash. Peppy Pals of Preble; boys—Go-Getters of Jefferson, Sodusters of Blue Creek, Boosters of Monroe, Roving Rangers of Root, Happy Warriors of Preble, Greenleaf of Preble.

The staff at the schools included Paul Macklin, of Portland, who instructed the adult leaders on the use of 4-H record books at both the Decatur and Berne sessions. Mr. Macklin has graded 4-H records at the State Fair for several years.

The 4-H secretaries and treasurers were given help in understanding their duties by Nellie Price, teacher and 4-H leader.

Presidents and vice-presidents were taught by Marjorie Lust at the Decatur school and by Phyllis Haugk at the Berne school.

Harriet Schiertz, Monroe vocational teacher, instructed the news reporters at Decatur and Mrs. Lust had a similar class at Berne.

Classes for health officers were taught by Laurine Black of Pleasant Mills and Mrs. Orison Stolz of Jefferson township, both registered nurses.

Song leaders were under the direction of Mrs. Dorothy Owens and Dennis Norman.

Mr. and Mrs. Norman assisted game leaders and directed the final recreation period at both schools.

Junior leaders assisting with registration were Eloise Smith, Gloria Lautsenheiser, Robert Sprunger, Roger Kuhn, Bill Sipe, Hank Heiman, Barbara Wolfe, Patsy Johnson, and Florene Lugbill.

Refreshments were served by the Adams county Farm Bureau co-operative association.

These training meetings were

Landlord Released In Widow's Death

Chicago Landlord Released By Police

Chicago, April 28.—(UP)—The landlord of a well-to-do widow found stabbed to death in her apartment was released from questioning today.

Police said Joseph Carey, 54, accounted for his whereabouts and actions Tuesday night when Mrs. Hazel Grinde, 57, widow of a commercial banker, was beaten and stabbed nine times in the back.

A lie test given Carey yesterday was "inconclusive," police said, because he suffers from a heart condition. Carey offered to take a second test, detectives said, but it was considered unnecessary.

Carey told police he had given Mrs. Grinde a notice of eviction from her tastefully furnished, six-room apartment, but he said the notice was "on friendly terms."

Carey said he wanted the apartment for his son.

A lie test also was given yesterday to the victim's daughter, Alice, 27, who found the body in the blood-spattered bathroom when she came home from a visit with

held in the Berne school and the Lincoln school at Decatur.

KIDNEYS MUST REMOVE EXCESS ACIDS

Help 15 Miles of Kidney Tubes Flush Out Poisonous Waste

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 50 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

friends Tuesday night.

The daughter's lie test also was inconclusive, police said, because she was under emotional stress.

Police Capt. Patrick O'Connell said he is convinced that the slayer was someone Mrs. Grinde knew and admitted to her apartment. O'Connell said the only concrete clue so far was a fingerprint found on a seven-inch pair of scissors apparently used by the slayer to stab his victim to death.

The scissors were found in the bathroom clothes hamper.

Fine Safety Record Set By State Police

Indianapolis, April 28.—(UP)—Indiana state police drivers set an excellent example for other motorists during 1943 and compiled a remarkable safety record in comparison with commercial fleet operators, police superintendent Arthur M. Thurston said today.

son with commercial fleet operators, police superintendent Arthur M. Thurston said today.

Thurston said he expected a still better record to be achieved this year because of an intra-department safety program inaugurated last July.

State police vehicles averaged less than one accident in every 100,000 miles while vehicles operated by private companies averaged about five accidents per 100,000 miles of travel. Thurston pointed out that all mishaps involving police were reported but private car drivers were required to report only accidents where combined damage was more than \$50.
