Rural Mail Boxes Improvement Urged

The federal post office department has designated this week as rural mail box improvement week. Patrons of the rural delivery service are urged to provide suitable mail receptacles and erect them so they will be easily accessible to the carrier and present a neat appearance.

Patrons are also requested to have their names plainly inscribed on the boxes visible to the carrier as he approaches them. Proper erection of the mail boxes is also urged.

Rural mail boxes which are not properly erected or which are not in good, serviceable condition retard the delivery of mail and expose it to damage from the elements.

Kaiser-Frazer Plant Resumes Production

Detroit, May 2 — (UP) — Production was resumed at the Kaiser-Frazer corporation today after a week of idle auto assembly lines caused by a strike at the Bendix Aviation corporation at South Bend, Ind.

Some 7,000 Kaiser-Frazer workers, laid off last onday because of a lack of brake parts from Bendix, returned to their jobs. Production of Hudson automobiles, also hampered by the Bendix strike, was reported normal today.
