The Yellow Jackets track team will engage in two important meets, competing in the annual North-eastern Indiana conference meet at Columbia City Tuesday afternoon. Friday afternoon, the Yellow Jackets will be hosts to other Adams county schools in the annual county meet at Worthman field.

The Commodores are slated for three baseball games this week, and the Yellow Jackets have two diamond tilts on tap.

The Commodores, with a record of four victories and three defeats, were scheduled to play Huntington Catholic at Huntington this afternoon. Tuesday afternoon, the Commodores will play the Eagles at Monmouth, and Thursday, the Monroe Bearcats will meet the Commodores at McMillen field in this city.

Hal Newhouser Heads For 30 Victory Year

New York, May 2 — (UP) — Lefty Hal Newhouser was ahead of schedule today on the pitching time-table he hopes will bring him his most cherished goal in baseball — a 30-victory season.

The Detroit ace figures he could hit that mark by winning a little better than a game a week and, with less than two weeks of the season completed, he already has a 3-1 mark.

That's the best start of his career, even better than in 1944 when he won 29 games and lost but nine, just missing the magic mark which no big league pitcher has hit since Dizzy Dean of the Cards had a 30-7 season in 1934. No American League pitcher has had a 30-game season in 18 years, Lefty Grove of the Athletics being the last with his incredible 31-4 season in 1931.

"A guy has to be plenty lucky and he has to have a hot streak when he wins a little oftener than a game a week," Newhouser said. "Of course you also have to account for the times when you aren't going so good, too."

The American League's premier southpaw had to have a measure of that luck he mentioned yesterday at Detroit when he won a 3 to 2 duel from Bob Lemon of Cleveland, who gave up only two hits. But one of those Tiger hits was a three-run first inning homer by Dick Wakefield and that gave Newhouser all the help he needed. He gave up eight hits, including two doubles and two triples.

The White Sox, who have won seven of their eight victories from the Browns, moved into second place at the expense of their Missouri cousins whom they defeated 7 to 6 and 14 to 11. They won the second game despite an eight run ninth inning rally by St. Louis. The usually anemic Chicago batsmen contributed four homers by Luke Appling and Bud Souchock in the opener and by rookie Jerry Scala and Cass Michaels in the second game.

At New York the Yankees suffered their first home defeat after seven victories, the Red Sox winning an 11 to 2 decision as Ted Williams hit a grand slam home and Vern Stephens and Johnny Pesky got two run homers. Lefty Mel Parnell scattered six hits to win his third straight game.

The Athletics crushed the Senators twice, 15 to 9 and 7 to 4 at Philadelphia. Elmer Valo batted in seven runs in the first game with two grand slam triples and a single. In the opener Eddie Robinson and Sherry Robertson hit Washington homers while in the second tilt Mark Christman homered for Washington and Fermin Guerra and Hank Majeski homered for Philadelphia.

Bonus pitcher Johnny Antonelli won his first big league ball game as the Braves took over first place

treat beyond Chenyi, seven miles west of Kunshan.

These reports said there was heavy artillery fire on both sides. The communists said Nationalist troops still were holding Kunshan despite a heavy Communist artillery barrage on the town during the night.

In Shanghai, meanwhile, government troops set up American-made heavy machine guns along the famous Bund and in the upper floors of the city's tallest buildings to prevent a Communist fifth column attack from within.
