Thank you for your suggestion!

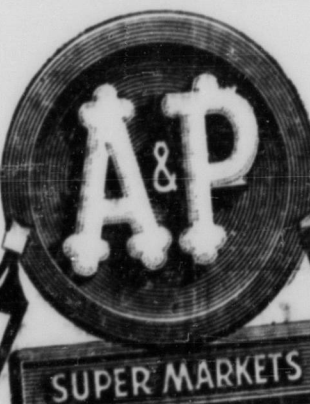

Thousands of our customers have been kind enough to write us letters telling us just what they like and don't like about their A&P stores.

Every one of the letters received has been carefully studied. Many of them have contained helpful suggestions as to how we can make A&P stores better places to shop; and every one of them has helped us learn the kind of food and service our customers want.

So thanks to all our good friends; and please keep the letters coming!
