Distribute Forms  
Friday, Saturday

Indianapolis, July 7 — (UP) — Distribution of application forms for the veterans bonus will be made by the state department of veterans affairs tomorrow night or Saturday morning, state bonus administrator

Clinton Green said today. Green said the forms would be mailed to veterans organizations and county veterans affairs officers throughout the state and should be ready for distribution to the individual veterans Monday morning. "We'll accept the completed applications as fast as the veterans can get them back to us," Green said.

Hoosier taxpayers have been paying for the bonus through a surtax on the gross income tax since July 1. The bonus was estimated to cost

from \$105,000,000 to \$175,000,000, and no payments will be made until the entire amount is collected. Veterans may apply for the bonus between now and Dec. 31, 1950, when the department of veterans affairs will total the applications and report to Governor Schricker and the general assembly how much money will be needed.

## Vote Investigation Of Hawaiian Strike

House Committee  
To Probe Strike

Washington, July 7. — (UP) — The house unAmerican activities committee today voted to investigate the 68-day Hawaiian dock strike to determine whether it is communist-inspired.

A member said the committee decided at a closed session to send an investigator to Hawaii after the strike ends. After receiving the in-

vestigator's report the committee will decide whether to go into the matter further.

The committee member said the investigator will inquire into reported communist infiltration in the islands and into key unions. He said the investigator will not go to Hawaii until the strike ends so there can be no accusation of attempted strike-breaking by a congressional committee.

The committee decision was disclosed soon after President Truman told a news conference he has no power to intervene in the crippling walkout and voiced some doubt whether he wants such power.

Mr. Truman made the statement when told that a bill to grant him such authority is about to be introduced in the senate.

The measure, drafted by Sen. William F. Knowland, R. Cal., and other west coast legislators, reportedly would authorize the President to invoke compulsory arbitration and seize struck shipping and waterfront facilities.

## Auto Hits Pole, No One Injured

A 1948 Pontiac severed an Indiana-Michigan corporation pole north of Decatur on highway 27 Wednesday night causing \$400 damage. The automobile, owned by Reuben Gerber of Bluffton and driven by Richard Eugene Flechter of Craigville route one, slid on the wet pavement and skidded into the ditch.

The severed pole supported a 4,000 volt power line, which slowed the clearing of the wreckage.

## Customers Corner

A good food store must be a clean store.

We believe our customers are entitled to top quality food at low prices, served in clean, healthful surroundings.

That's why we train and instruct our employees to keep all trays and cases and scales scrubbed and sanitary; to keep refuse and packing cases out of the aisles and off the sidewalks; and to keep floors and grocery racks clean and orderly.

Sometimes during rush periods it's hard to keep a store as neat as it should be. But that's our job, and you will be doing us a favor if you will let us know if your A&P store ever fails in any way to measure up to our high standards of cleanliness. Please write:
