Wonderful!

You know how it usually is—slow and steady is the rule in automotive progress.

But every now and then it happens. Along comes a car that's new all over—like this one—and headlines sing the news.

Take the styling of it—fresh and smart and really exciting from its non-locking bumper-guard grilles to the jet-plane look of its fenders.

Take the outward size of it—handy in traffic, easy to garage, actually more room and a sweeter ride in fewer over-all inches.

Step inside—and stretch yourself in the biggest interiors ever found in a Buick Special, with a full twelve inches added to rear-seat hiproom.

Try the power of big 110 or 120 hp high-compression Fireball engines—sample the restful levelness of a ride that sets the standard for the industry.

Big Three Leaders  
Hold Parley TodayPrelude To Meeting  
Saturday On Pact

Washington, Sept. 15. —(UP)—The big three foreign ministers scheduled their first conference today preliminary to Saturday's Atlantic pact meeting to plan the mutual defense of western democracy.

Foreign minister Robert Schuman of France arrived to join in the secret cold war strategy talks which have been underway between British foreign secretary Ernest Bevin and secretary of state Dean Acheson.

Bevin and Acheson have been canvassing the world situation. But with Schuman present they are expected to return to the problem of Asia where France has a colonial stake in Indo-China. Previous Anglo-American talks are believed to have dealt in part with Great Britain's hope that the United States will take on some of the expensive responsibility of supporting the cold war in the far east, notably Burma, India and Pakistan. Those burdens of empire and political relationship are a

big drain on the wobbly British economy which requires emergency treatment now to avoid bankruptcy.

A top subject of the big three talks will be German and Austrian problems which are nearer home base for France. But the world itself is the only measure of the questions which confront the three statesmen.

Schuman will go to Canada tomorrow but return here for Saturday's North Atlantic pact meeting. These huddles and the Anglo-Canadian-American dollar conference which preceded them build up toward next week's meeting of the United Nations general assembly in New York.

Today's big three discussions are preliminary to big four talks expected next week in which, Soviet foreign minister Andrei Y. Vishinsky would join. Vishinsky is a tough man who drives a hard bargain. This week's meetings here topped off by the North Atlantic pact conference of 12 foreign ministers gathered to plan mutual defense against any soviet Russian aggression, may tend to soften Vishinsky up somewhat.

The softening process will continue Monday when the senate begins debate on the program to help arm the Atlantic pact nations. It is a \$1,314,010,000 project written in terms of force which the Russians understand.

Vishinsky is weakened behind his own lines by Yugoslav rebellion against Moscow's attempt to dominate her people and policies to the point of enslavement. The western powers for these reasons would go into any big four discussion with Vishinsky in a stronger position than they have recently enjoyed.

Second Of Youthful  
Bank Robbers HeldCase May Be Given  
Federal Grand Jury

Indianapolis, Sept. 15. —(UP)—A youthful suspected bank robber who allegedly held up a Mt. Summit bank Tuesday and was arrested yesterday was scheduled to be arraigned here today on federal bank robbery charges.

Chester L. Wethington, 18, who boasted he would "take with me" any arresting officer, surrendered meekly near the New Castle high school yesterday and was brought

here last night.

His alleged companion in the robbery, Robert D. Wheeler, 18, was arraigned in federal court here yesterday. He waived preliminary hearing and was lodged in the Marion county jail with bond set at \$10,000.

Maurice W. Graston, assistant U. S. district attorney, said the case probably will be presented to the federal grand jury.

Wheeler was arrested Tuesday night at New Castle and made an oral confession implicating Wethington whom he said had run out on him.

Wethington made no attempt to draw a fully-loaded German Luger pistol he had on him when he was taken into custody. Officers also found \$520 and additional bullets for the gun in a chamois bag.

"He was scared to death when we arrested him," one officer said.

Also recovered was \$1,478 which Wethington had hidden in a feed sack and cached behind a headstone in the New Castle South Mound cemetery.

FBI agents said both youths were sentenced to two-year terms by a military court while serving in the army in 1947.

Harry Shiveley, 60, cashier of the Mt. Summit bank, was locked in an air-conditioned vault for about an hour after the holdup Tuesday morning before the bank opened. He said youths held a knife and pistol on him during the robbery.
