

Authorities Make Three Arrests Here

One Man Sentenced To 10 Days In Jail

City police made two arrests Thursday, state police one, and deputy sheriff Robert Shraluka investigated one accident in which one person was injured. Both ar-

rested by police were tried before Mayor John Doan in court this morning.

Deputy Shraluka was called to investigate an accident south of Copeess Corner, on U. S. highway 27, when cars driven by Harry Liechty, of Berne, and Felix Yoder, of Linn Grove, collided at the intersection of the highway and a county road. Mrs. Yoder, a passenger in the car driven by her husband, was taken to the Adams county hospital suffering from a slight concussion. Doctors expect

her release in a day or two. The deputy estimated the damage to both cars at \$300.

Ray McClure was arrested and pleaded guilty today to a charge of public intoxication. He was fined \$5 and costs totalling \$15, and sentenced to 10 days in the county jail.

Charles Butler, 16, of route 1, was arrested for reckless driving last night and pleaded guilty to the charge today. Butler, driving a vehicle with a beginner's permit, was chased by city police east of

town after he had gone through the stop light at the corner of Second and Monroe streets. Mayor Doan took the case under advisement until later today, when Butler is to again appear in court.

State trooper Richard Myers arrested truck driver Renner Braun, of Fort Wayne, for over-length of truck. Braun is also to appear later today in court.

Conservation Club Elects Shoemaker

Berne, Dec. 14. — Paul Shoemaker was named president of the Berne conservation club at the annual reorganization meeting this week. He succeeds Melvin Liechty. Other new officers are Vernon Sprunzer, vice-president; Richard Zimmerman, secretary-treasurer and Menno P. Elcher, delegate.

LOOKS like a Jet Plane TRAVELS the same way

YOU see it quick-stepping along the highway—and you can't miss the parallel.

You glimpse a bold front end—sleek tapering fenders—flaring, streamlined roof lines—even to "double bubble" taillights, here is the look of "the fastest thing that flies."

Then you try one on the road, courtesy of your Buick dealer.

Adjectives flock into mind—"agile"—"nimble"—"eager."

You realize that here is action, swift and easy—action born of Fireball valve-in-head straight-eight power—action floated on soft coil springs that, for all their lightness, keep your grip on the road sure-footed and firm.

This you tell yourself, is traveling as traveling should be.

Comfortable—in the spacious manner of king-size interiors. Easy—in the lightness of controls, which can include even the magic of Dynaflo

Drive* if you wish. Pleasurable—in the wide, wide outlook that's yours, and the inner satisfaction of having a Buick for your very own.

And we might add another thing, just by way of being practical.

It's frugal too. Frugal in a first cost that's actually less than for some sizes. Frugal in the surprising way such a sizable car gives the go-by to gas pumps.

And if you have Dynaflo, frugal even in many upkeep costs you can forget about—such as clutch troubles, transmission maintenance, even many engine servicing costs.

Why not put yourself into one of these jet-lined beauties right now? It's more easily managed than you might imagine—as you'll see by talking to your Buick dealer.

*Optional at extra cost.
