TAILORING HOME MAKING CLASSES

How to tailor a woman's suit and coat making at home are popular subjects with Adams county home-makers. Five classes are now in progress in the county working on these problems. Two classes meet in Decatur—one Tuesday and one Wednesday evenings. A Monroe group will meet on Friday afternoon, a group east of Decatur will meet at the Bobo school Wednesday afternoons, and a group at Berne is holding an organization meeting Friday evening.

More than sixty women are participating in these workshops under the direction of the extension service.

The requests for this type of lessons came through the program.

DULL!

When you are feeling dull, listless—a bit under the weather—that is old Mother Nature giving you a gentle jog. Better see a doctor and have him give you a careful examination. May save you a lot of trouble and expense later. And be sure to bring the doctor's prescriptions here for prompt compounding.
