## Dollar Day Wednesday From 9 To 9

Dollar Day in Decatur has become a twice-a-year tradition—February and August.

This year's August event is nearly here—Wednesday of this week. Most stores will be open from 9 a. m. until 9 p. m.

Decatur stores have established a reputation for offering genuine Dollar Day bargains. You have an opportunity to buy two kinds of merchandise: 1. That purchased especially for this event and attractively priced. 2. That which has been in stock but is offered at reduced prices on Dollar Day.

This special edition of the Decatur Daily Democrat showing some of the tremendous values available is being mailed to all box holders in the Decatur trading area today.

To realize the most savings, read the advertisements carefully, check what you want to buy — and shop early.
