## Geneva Man Jailed On Larceny Charge

Richard D. Meyers, 21, of Geneva, was given a suspended 90-day sentence today in city court after entering a plea of guilty to petty larceny.

Meyers, who was arrested Tuesday night by Geneva town marshal Preston Pyle on a complaint by Leo D. Doherty, was also fined \$5 and costs. He was unable to pay his fine so was remanded to the county jail.

Meyers admitted that on June 14, he stole \$15 and a lady's wrist watch in Geneva. He left the next day for California and returned Tuesday, when the warrant was served.

## Forgery Charge Is Filed On Wirkner

An affidavit for forgery was filed this morning in Adams circuit court against Urban G. Wirkner, 43, of Fort Recovery, O., who was arrested in Berne Monday afternoon.

The affidavit charges him with forgery of a check for \$32.50, which he cashed in Geneva. The Ohio man has been questioned and has admitted forgery in Berne, in Jay county and in several Ohio locations. The investigation is being continued.
