## College Stars Defeat Browns Friday Night

CHICAGO (INS) — The old maxim of sending boys on men's errands-if your boys are like tiny Tad Weed of Ohio State-has an ardent supporter today in veteran pro football coach E. L. Curly Lambeau of the College All Stars.

Lambeau, who helped to establish the money for play game with the Green Bay Packers, said Friday night after his College All Star team beat the pro champions, the Cleveland Browns, 30 to 27:

"Sure, I had boys. But they played like heroes. Reputations meant nothing to them. Tad Weed put us ahead in the first period with a 28 yard field goal."

"When we were behind in the third quarter, he tied the score with a 20 yard kick. Then in the final period, just after we made a touchdown to go ahead, 27 to 20, Tad used his good left foot to arc a 41 yard, three points between the goal posts to give us three more insurance points."

"As it turned out, that was the play that finished the Browns," Lambeau hastened to point out that this was a team of "heroes."

There were boys like Ralph Guglielmi of Notre Dame, who proved against the Browns that he is just as cool and sharp against the pros as he was against the capus tough guys.

Guglielmi called plays beautifully and once in the second half completed seven straight passes.

Halfbacks L. G. Dupre of Baylor, Ron Drzewiecki of Marquette, Dick Moegle of Rice, and the entire line, featured by Tom Bettis of Purdue, battled hard all the way.

Lambeau said: "I think the whole team was magnificent. After all, we set a new series record for high scoring-we came from behind at half-time 20 to 17 deficit and we out-scored those guys in the second half to win."

For the record, the Browns, who won the pro title last fall with their great quarterback, Otto Graham, played his final game with a tremendous display of class, are not the same club without Otto.

Graham's sub, George Ratterman, still acts as though he expects Otto back at any moment to take over things. But Graham has retired-and without him the Browns are not the "champs."

Paul Brown, Cleveland's coach said: "We deserved to lose. We were not up for the game. Lambeau really had something in these kids this year."

Statistics support the Cleveland coach. The All Stars had first downs on the pros, 29 to 15. They outgained them in rushing, 200 yards to 163. They won the ball game because they "refused to be licked," to quote their happy coach again, Lambeau.

The All Stars snapped a four game series losing streak by beating the Browns. The series record now stands 13 victories for the pros, seven for the all stars and two ties.

A crowd of 75,000 fans saw the game at Chicago's Soldiers Field.

## Held For Attempt To Kill Neighbor Indianapolis Man Is Critically Wounded

INDIANAPOLIS (INS)—William Stanger, 35, of Indianapolis, was to appear today in municipal court on a preliminary charge that he tried to kill his next door neighbor after brooding over gossip about his children.

Meanwhile, Indianapolis general hospital aides said that Harold E. Angrick, 21, the neighbor, remains in critical condition from a shotgun charge fired by Stanger.

Two children also were hit but were not seriously hurt.

Police were told that Stanger fired at Angrick from his own front porch, 45 feet away, when the younger man, an ex-marine, stepped outside his door.

Charles Trammell, 35, for whom Stanger worked, told police that when he tried to grab the gun, Stanger threatened to shoot him also.

Mrs. Stanger told police her husband had been held for observation in a Kentucky mental hospital before the family moved to Indianapolis four months ago.

Police were told that a small fire occurred Thursday which slightly damaged Angrick's garage, and that children of the neighborhood accused the four Stanger children with setting off the blaze.

Trammell said that Stanger appeared to brood over the talk about the fire.

Carl W. Agree, Jr., 6, who was playing on his porch nearby, and his uncle, Lewis Agree, 10, of Springfield, Mo., were struck by pellets from the shotgun blast but were released after hospital treatment.

## Indians Beat A's Twice To Increase Lead

NEW YORK (INS)—It took a little help from Hurricane Connie but the Cleveland Indians are riding higher in the American League than any team since Chicago ten days ago.

While wind swept rain, the vanguard of Connie, washed out half the major league schedule Friday, the Indians went to work on Kansas City for 17 to 1 and 6 to 5 victories to loosen up the first division log jam.

The twin killing left the Tribe out front by one game over Chicago, which nosed out Detroit, 2 to 1. It was the biggest lead enjoyed by any team since the White Sox held that advantage over New York Aug. 3.

The Yankees, rained out at Baltimore, fell out of a virtual second place tie 1 1/2 games back and Boston dropped four games off the pace with the postponement of its scheduled game with Washington. The Tickers skidded down to 9 1/2 games.

The Indians laid it on the Athletics to the tune of 18 hits in the first half of he day-night double header. The assault included two home runs by Bobby Avila, a grand slam by Jim Hegan and a solo clout by Vic Wertz.

Bob Lemon, who was laid up with a pulled muscle in his right leg since July 19, allowed four singles in six innings before turning over the mound to Sal Maglie with a 13 to 0 lead. Six of the seven runs in the first inning were off Arnold Portocarrero.

Ferris Fain doubled home Avila, who walked, to win the night contest in the ninth inning. Al Smith sparked the big five run sixth inning with a two run homer. Gus Zernial and Bill Renna clouted homers off Art Houtteman, the winner.

Jim Rivera's first inning two run homer off Steve Gromek was enough for the White Sox, who helped draw 44,830 fans at Briggs Stadium. Virgil Trucks, who won his 11th in 17 decisions, limited the Tigers to six of their seven hits before Mhlard Howell relieved him in the eighth.

Philadelphia was rained out at Brooklyn and Pittsburgh at New York in the National League. But the idle Dodgers took their biggest lead of the season, 16 1/2 games, when Milwaukee lost to Chicago, 7 to 1. St. Louis stopped Cincinnati, 8 to 7.

A five hitter by Bob Rush helped hand the Braves their third straight defeat. The Cubs got all they needed in the first inning with Dee Fondy's double and three singles.

Bill Virdon and Wally Moon homered for the Cardinals and Gus Bell and Stan Palys hit round trippers for the Redlegs. Brooks Lawrence relieved Luis Arroyo in the eighth to notch the win. Moon injured a finger on his right hand in a collision with relief pitcher Don Gross.

## Bob Rosburg Leads In Richest Tourney

CHICAGO (INS) — Pudgy, bespectacled Bob Rosburg, who leads at the halfway mark in the world championship golf tournament at Chicago's Tam O'Shanter Country Club with an 11 under par 133, holds his driver like a baseball bat.

The 28-year-old Palo Alto, Calif., pro, who shot a five under par 67 in the second round Friday, holds his club without the overlapping or interlocking grip.

Rosburg has a 36 hole score of 133 — two strokes ahead of his closest pursuer, Wally Ulrich of Rochester, Minn. Ulrich, 27, shot a six under par 66 Friday for a second round score of 135.

Gene Littler, Palm Springs, Calif., and Mike Krak, Louisville, Ky., who shared the first round lead with Rosburg at 66, fell apart Friday. Littler got a 74 to drop into a fourth place tie at 140 with Bo Winger, Oklahoma City, Okla., and Jay Hebert, Woodmere, L. I., N. Y.

Krak, who was tied with Rosburg and Littler Thursday, carded a 78 for a 144 total and fell into a tie with 10 others.

Red haired Wilfrid Smith, 19-year-old from St. Clair, Mich., carded a 79 for a 36 hole score of 157 in the women's amateur section.

Fay Crocker, Montevideo, Uruguay, took over first place in the women's pro division with a par 76 for a 36 total of 147. Patty Berg, defending champion who tied with Miss Crocker on the first round, skidded to 77 for 148 and a three way second place tie with Betty Hicks and Mary Lena Faulk.

## MAY BRING CHARGES

(Continued From Page One) the Peiping regime by the U.N. whether by the security council or the assembly next September, on charges of gross violation of the Geneva convention would deeply affect further maneuvers in international diplomacy to "whitewash" Red China and propaganda campaigns designed to absolve Peiping of standing aggression labels in U.N.
