## New York City Seeks To Keep Brooklyn Team

NEW YORK (INS) — New York City officials huddle in Mayor Robert Wagner's office today to discuss the possibility of building a city owned stadium to keep the Dodgers in Brooklyn.

Mayor Wagner called the parley Wednesday 24 hours after the Dodgers announced they may quit their Ebbets Field bandbox for a more modern park in Jersey City.

N. J. The National League pacesetter they had scheduled seven 1956 "home" games in Jersey City's Roosevelt Stadium, which accommodates 4,000 automobiles to 700 for Ebbets, and that they would vacate their old park after the '57 season for a new home in New Jersey.

Wagner said he is "actively interested in keeping the Dodger franchise in town if possible." Brooklyn borough president John Cashmore is ready to propose an appropriation of \$50,000 for a survey of the problems involved in moving the team into a new ball park.

While city fathers struggled to keep the Dodgers at home and New Jersey prepared to dust off welcome signs, the borough of Queens threw its hat into the ring. Borough president James Lundy issued a statement which read in part:

"The problem of obtaining a new location within the city that will afford convenient, rapid transit facilities and adequate parking provisions, can very readily be solved by moving the team to the borough of Queens."

Lundy cited several locations, including the old New York World's Fair site. Dodger President Walter O'Malley is proposed that the cost of a new Brooklyn stadium be financed by the ball club itself rather than "have baseball tied up with politics in any way."

## Palmer Is Leading In Canadian Open

TORONTO (INS) — Arnold Palmer, a 25-year-old career golfer but a pro for only eight months, held a two-stroke lead today going into the third round of the Canadian open golf championship.

Palmer, from Latrobe, Pa., fired a 5 under par 67 Thursday to go with 8 under par 64 in the opening round for a total of 131.

London — Big Ben, London's famous clock, has a bell that weighs 13½ tons.

## McQuinn Is Steward Of Hoosier Hundred

INDIANAPOLIS (INS) — Harry McQuinn, chief steward of the Memorial Day 500 mile auto race, is to serve as chief steward for the Hoosier Hundred.

The 100 mile big car race at the Indiana state fairgrounds Sept. 17 will be aided by a full staff of experienced AAA officials. Withdrawal of the AAA from racing supervision does not come until the end of this season.

McQuinn should feel right at home since many of the drivers who compete in the 500 mile race at Indianapolis Motor Speedway also will be running in the 100 mile. Bob Sweikert, the 1955 champion, is among them.

Sweikert will be out to add more points to his lead in the AAA's national championship standing at the Wisconsin state fair next week.

He is one of 25 of the 33 Indianapolis starters expected to try for a position in a 250 mile race to be held Aug. 28. A 100 mile stock engine race Aug. 21 and a 150 mile race Aug. 25 also are on the Wisconsin program.

The 500 champion leads the AAA standings with 1,320 points, with Jimmy Davies, Paomina, Calif., and Johnny Thomson, Springfield, Mass., next with 800 each.

Promoter Joe Quinn of the Hoosier Hundred also announced that the Ford Motor Company's Thunderbird is to be the pace car for the Sept. 17 race in Indianapolis. Tony Hulman, owner of the Indianapolis Motor Speedway, is to drive it.

## Many Driving After Licenses Suspended

### Indiana Bureau Has New Filing System

INDIANAPOLIS (INS) — The Indiana bureau of motor vehicles estimated today that 25,000 Hoosiers are still driving after their licenses have been suspended.

The bureau, however, has a new system, based on a cross index file, which tells police immediately if the driver is operating with a suspended driver's license.

Police have been instructed to fill out information cards whenever a driver is stopped for a violation and cannot show a license. These cards are sent to the bureau where they are checked against bureau records giving the person's record of traffic offenses, suspension lists and registration files.

Thus repeat offenders and drivers with suspended licenses are disclosed at once and the information is turned over to officials the day after the arrest.

To combat the ease with which drivers obtain licenses in other states, Morris J. Carter, state commissioner of motor vehicles, said he will negotiate with Tennessee and Kentucky officials for exchange information on suspended drivers.

Ollie B. Utley, 32-year-old Indianapolis foundry worker, who allegedly admitted he went to Tennessee to obtain a new driver's license after his Indiana permit was suspended last year, has been ordered to appear in municipal court today.

New Delhi — India's population is gaining at a rate of about five million per year.

## Score Pitches 13th Victory For Indians

NEW YORK (INS) — The \$60,000 bonus laid out for rookie southpaw Herb Score is paying off in valuable percentage points for the Cleveland Indians.

The 22-year-old rookie of the year candidate led the Indians out of the woods Thursday. Striking out 13 batters, he pitched a 5 to 3 victory over Detroit to snap the Tribe's three game losing streak and pull them to within three points of Chicago and within eight of New York's American League pacesetter.

The White Sox took the lead from New York, fiddled by rain at Boston, when they defeated Kansas City, 6 to 2. But they fell back into second place, one game out, by losing the nightcap of the double header, 5 to 3.

The Indians now have won 71 to the Yankees' 72 while losing 48 to the Bombers' 47. Both teams have 35 games left. Chicago has 39 to play.

Although Score needed Ray Narleski to retire the last batter in the ninth inning, he registered his 13th victory to duplicate Bob Lemon's win total and come within one of the sum posted by the big gun of the Tribe staff, Early Wynn.

It was Score's second highest strikeout total of the season. On May 1, he struck out 16 Boston batters, two short of Bob Feller's major league record.

The dazzling fast ball artist, who allowed eight hits and walked three, raised his season strikeout total to 192 in 180 innings. Run-nerup Bob Turley of the Yankees led the league with 185 in 247 innings pitched with Baltimore last year.

Score was locked in a 1-1 struggle with Frank Lary going into the eighth when three fielding lapses, two by Al Kaline in right field, opened the gates and sent four runs across for Cleveland. Lary started the deluge when he failed to touch first base while taking Reno Bertola's throw on Vic Wertz's grounder.

Washington and Baltimore were not scheduled nor were Philadelphia and Pittsburgh in the National League. But the N. L. front runners, the Brooklyn Dodgers, decided New York, 8 to 5; Milwaukee topped St. Louis, 5 to 3, in the only night game, and Cincinnati knocked Chicago out of fifth place for the second time in three days, 2 to 1.

Virgil Trucks helped the White Sox take their brief lead in the opener with his 12th win in 18 games. Singles by Chico Carrasquel, Nellie Fox and Walt Dropo provided the winning margin in the fifth inning.

Trucks left at the end of the sixth inning after a line drive bruised his right leg. X-rays came up negative.

Arnold Portocarrero limited the Sox to six hits in the nightcap, one of them a home run by Sherm Lollar. Harry Byrd had given the A's only one hit until Bill Shantz led of the sixth with a single and Vic Power clouted his 14th homer.

Karl Spooner and Don Bessent teamed to hold the Giants to six hits, including homers by Sid Gordon and Wifey Lockman. The Dodgers clipped six Giant hurlers for 13 safeties, including a Don

## Bowling Alleys To Open Here Saturday

Molly Mies, owner and manager of Mies bowling alleys on North Second street, announced today that the alleys will be opened for the 1955-56 bowling season Saturday.

Mies stated that all alleys have been sanded and reconditioned, and that alleys 1, 2, 3 and 4 have been completely remodeled. The entire place of business has been redecorated.

The alleys will be available for open bowling, beginning tomorrow, until opening of the league season: Tuesday, Sept. 6.

There are some openings available in the various leagues, and any teams or individuals wishing to enter league play this season are asked to contact Mies at the alleys.

## Crazylegs Hirsch May Return To Rams

LOS ANGELES (INS) — Elroy "Crazylegs" Hirsch, who is sorely needed by the Los Angeles Rams, says he wants to return to the pro football team for his seventh season.

Coach Sid Gillman promptly replied he would be happy to discuss the possibility with the veteran end.

Hoak home run. Braves outfielder Bill Bruton helped Warren Spahn to his 12th victory with a single, double and his ninth home run. Chuck Tanner, who had the wind knocked out of him when he collided with Cards shortstop Alex Grammas trying to take him out of a double play, also homered. Ken Boyer homered for the Cards and teammate Red Schoendienst, sporting glasses to help his batting eye, got a double and two singles.

Four straight singles in the sixth inning beat the Cubs and Paul Minner at Cincinnati. Art Fowler's hit was his sixth win.

## Leery Of Wives At Wage Negotiations

### Mediators Seeking To Settle Strike

PITTSBURGH (INS) — Labor mediators have expressed themselves as a little leery at the prospect of having wives of furloughed Westinghouse workers sit in on peace negotiations.

The mediators are attempting to settle the strike of some 2,200 members of Local 401 of the CIO International Union of Electrical Workers at Westinghouse in protest against a company job time study.

George Doud, federal mediation commissioner, and state conciliator Joe Bach, said that they felt that the presence of the furloughed workers' wives at the bargaining table would not be what they called "conducive to collective bargaining."

The wives of four furloughed workers Thursday talked to both company and union representatives about joining them in the negotiations.

Meanwhile, the mediators who met for more than two hours Thursday, said they would resume talks again today.

The walkout has caused the furlough of all but about 600 production workers at the big Westinghouse East Pittsburgh plant.

New York — An average grocery store today carries more than 5,000 items compared with only about 1,000 as late as 1939.

## Doak Walker Plays Last Game In Dallas

DALLAS, Tex. (INS) — Doak Walker, biggest sports drawing card the Southwest ever had, makes his last football appearance before the home folks at Dallas tonight, and a memorable one it will be.

Walker, three time All-American at Southern Methodist, will lead the Detroit Lions against the Philadelphia Eagles in a National Football League exhibition.

Some 50,000 fans will jam the Cotton Bowl, which Walker is credited with helping build through his drawing power, to honor the great triple threat back.
