Say Allis Chalmers Strike Imminent

Walkout Favored By Overwhelming Vote

CHICAGO (INS) — United Auto Workers officials said Thursday night a strike against the Allis Chalmers Manufacturing company is imminent unless "serious differences" over wages and other issues are settled.

The strike would affect six plants in four states employing 13,000. The plants are located at West Allis and LaCrosse, Wis.; Terre Haute, Ind.; Springfield, Ill.; Pittsburgh, Pa., and Gadsden, Ala.

Leonard Woodcock, international

WE CUT DYING OR DEAD TREES.
CALL MONROEVILLE 4116

ITALIAN actress Luciana Lombardi pauses for the camera on Capitol, where she is acquiring that "must" tan most girls seem to require. (International)

at vice-president of the CIO Auto Workers, said local unions, which just completed their strike votes, overwhelmingly favored a walkout to enforce demands. Woodcock said on a chain wide basis, the workers voted to strike by an average of 93 percent. He added:

"We sincerely hope the company will not force us to carry out this mandate."

Woodcock said the chief issues in the company's proposed new contract are "wage inequities," seniority, the powers of an arbitrator, wage rules and the incentive system.

until after the hearing on September 29 by the state board. The total appraised valuation of Adams county is more than \$42,000,000 and of Decatur is more than \$10,500,000.

Always Angry

WASHINGTON (INS) — Cape buffaloes are Africa's most deadly and vindictive animals, says the National Geographic Society. Wounded, they have been known to ambush hunters. Not content with killing their victims, they trample them with ax-sharp hoofs. They are noted for their even disposition — always angry.

Slow Down Buildup Of Wheat Surplus

Officials Hopeful Of Cutting Supply

WASHINGTON (INS) — The agriculture department noted today that the build up of the U.S. wheat surplus is slowing down and it hopefully looks forward to trimming the total supply slightly during 1956 and 1957.

The current report on the wheat situation showed that practically all of the one billion, 20 million bushels on hand when the current marketing year began July 1 was in government hands.

Of that amount, nearly 976 million bushels were owned outright by the government and another 14 million bushels or so were under price support loans. This meant that only about 30 million bushels of wheat were available for open market sale as of July 1.

In all, the government has about two and one half billion dollars committed at the present time to supporting wheat prices. The figure likely will go much higher as substantial quantities from the 1955 crop begin moving under the price support umbrella.

Here's how the government figures on paring down the total supply next year:

1. Since the national acreage allotment for 1955-56 is 55 million acres, it is assumed that this limitation will be closely adhered to. With an average yield of 15 and one half bushels to the acre, the 1956 crop would be about 860 million bushels.

2. Home consumption in the 1955-56 marketing year is expected to be about the same as the 698 million estimated for the current year ending next June 30.

3. While it is impossible to estimate exports accurately so far in advance, it is felt that they would not be less than the 273 million bushels shipped out during 1954-55.

4. Adding these rough calculations of exports and domestic use gives a total of 811 million bushels disposed of. Thus if next year's crop is no more than 860 million bushels the carry over would be pared down by 20 million bushels or better.

Of course these figures make no allowance for a number of factors, including the possibility that favorable weather could produce record per acre returns next year, and the foreign demand is highly uncertain.

Truman To Address Democrat Editors

Speaker For 75th Anniversary Meet

INDIANAPOLIS (INS) — Democratic national chairman Paul M. Butler will head a delegation that will meet former President Harry S. Truman at Louisville, Ky., Aug. 27 and accompany him to French Lick where he will address the 75th anniversary banquet of the Indiana Democratic editorial association that night.

Truman will fly from Kansas City to Louisville and is scheduled to arrive there at 3:40 p.m.

Truman disclosed this week that the French Lick address will be the first of a series of "give 'em hell" talks he will make over the nation in behalf of the Democratic party.

Butler will arrive in French Lick on Aug. 26 for a party campaign strategy conference with state leaders and mayoralty candidates on that date.

The demand for tickets for the banquet, which is open to the public has been heavy, according to headquarters leaders. Tickets are available at Democratic state headquarters, 203 Claypool Hotel, Indianapolis.

Farmers Reminded Of Voting Rules

Oscar T. Brown, chairman of the Adams county ASC committee reminds farmers voting in the election of community committeemen, that their ballots will not be counted unless the name and address of the person voting is on the outside envelope. This is used for determining the eligibility of the person voting and does not identify the ballot. The ballot envelope is removed from the outside envelope after eligibility has been determined and filed in a ballot box for each township.

Ballots must be postmarked not later than August 20 to be counted in the election.

LEGAL NOTICE
Notice is hereby given that the Advisory Board and Township Trustees of Root Township, Adams County, Indiana, will accept bids up to August 30, 1955, 3:00 p. m. for 30,000 gal. more or less of No. 5 free flowing fuel oil delivered to the Monmouth School in transport load lots. Specifications as to flash, gravity, etc. must accompany bid. Bids will be received for gasoline to be delivered to our pump at the Monmouth School as needed. The Board reserves the right to accept or reject any or all bids.

Pedestrian Killed When Hit By Auto

LAFAYETTE, Ind. (INS) — Injuries suffered by a pedestrian who was struck by a motorist along Ind. 25 near Lafayette cost his life today.

A man identified by state police as Hubert Miller died in St. Elizabeth's hospital at Lafayette this morning, about six hours after he was hit by a car.

Robert E. Soulligne, 27, of R. R. 3, Fowler, driver of the car, told police he had just passed a boy on a bicycle and did not see Miller, who was walking in the same direction, until after the impact.

Grandson Enjoying Vacation With Ike

Enjoying Favorite Pastimes With Ike

FRASER, Colo. (INS) — Seven-year-old David Eisenhower is looking more like a carbon copy of his grandfather each day as he vacations with the President at Byer's Peak ranch.

Young David has taken a special liking to Ranger, the aging gray saddle horse Mr. Eisenhower used to gallop through the pasture before an old knee injury forced him to give up riding several years ago.

He has divided his time at the ranch between riding Ranger and playing at two of his grandfather's favorite pastimes, golfing and fishing.

David, who shows signs of taking his golf as seriously as the President does, got out his pint sized clubs Thursday for a practice session in the cow pasture. The clubs were given to him by famed golfer Robert T. "Bobby" Jones, an old friend of the President's.

Today he was to go fishing for the first time with his grandfather who invited newsmen and photographers into the ranch for the occasion.

Tickets Now Ready For New York Tour

Cards Mailed For Tour Reservations

Cards notifying those making early reservations for the Decatur Democrat-Erie Railroad Labor day excursion to New York that their tickets are now available were mailed out today. Tickets may be picked up between now and August 29 at the Daily Democrat office on payment of the balance due for the trip.

Erie officials were questioned concerning admissions at the Saturday night radio and television shows in New York city for September 3. It was learned that there would be railroad representatives on the special train and also in the Paramount hotel and these officials will assist all vacationers in planning their Saturday night program.

Those making the trip are invited to contact the railroad representative on the train or in the hotel concerning the type of Saturday night program they desire. Every effort will be made to secure seats for all those making the excursion trip. It is not necessary to write in advance for reservations.

If reservations continue at the pace they have this week, it might be necessary to close the ticket sale prior to August 29, railroad officials said. A limit of 45 persons has been placed on the Decatur special car and more than half of these already have been sold. Those planning to take the trip are urged to fill out a Daily Democrat coupon as soon as possible so there will be no disappointments.

Affidavit Filed For Disorderly Conduct

An affidavit charging disorderly conduct was filed against Melvyn Ladd of route two and he was arrested Thursday night by sheriff Merle Affolder. The affidavit was signed by Ladd's wife, Mary.

Ladd was taken to the county jail and then released on \$50 bond. A hearing scheduled for this morning in justice of the peace court was continued on motion of the defendant's attorney, Hubert R. McClenahan.

Youth Is Arrested Following Accident

Ervin L. Martin, 17, of Decatur route five, was arrested Thursday at 5:40 p. m. after an accident on Winchester street in the 400 block. He was charged with operating a vehicle with a beginner's permit without a licensed operator.

Martin was going north on Winchester and struck a parked truck owned by Shell Bros. Plumbing. Damage was estimated at \$125 on each vehicle. Martin will appear in justice of the peace court at 7 p. m. today.

Return From Camp At Lake McClure

4-H Campers And Leaders Return

Seventy-five 4-H campers and leaders have returned from Lake McClure at Silver Lake. The group enjoyed their annual 4-H camp from Sunday to Wednesday afternoon, August 14-17.

Leaders who instructed classes were: handicraft, Mr. and Mrs. Doyle Collier, and Gloria and Roger Koenigman; conservation, Rudy Meyer, division of education, department of conservation; nature study, Art Parrish, district extension forester; recreation — Dick Tompkinson, Purdue, and Ruth Ina Johnson; health, Vanetta Van Hoozen, R.N., and Dr. Jim Pittman, state board of health; and swimming, Max Buell, lifeguard. Leo N. Seltenright, county agent, served as camp director. Other leaders assisting included Jack Hurst, conservation officer, Ervin Schuller, Nellie Price and Bertha Landis, home demonstration agent. Cooks for the Adams county 4-H camp were Mrs. Floyd Arnold and Mrs. Rene Brandt.

Following dinners each evening, the group enjoyed activities such as popcorn popped over the campfire, movies, marshmallow roast, recreation and the traditional stunt night.

The campers defeated the staff in a softball game Tuesday afternoon by a score of 30 to 10.

Star campers for this year were Norma Jean Bailey and Larry Henner. Those elected for 4-H camp, 1956, are Donna Small and Tom Stuber. Donna is the daughter of Mr. and Mrs. Kenneth Small, Indiana St. Decatur, and a member of the Decatur Peppy Gals 4-H club. Tom is the son of Mr. and Mrs. Robert Stuber and a member of the Jefferson Go Getters 4-H club. Star campers assist in taking care of the flags and other duties around the camp.

Dr. Ross To Head I. U. Department

Heads Psychiatry School Department

BLOOMINGTON, Ind. (INS) — Dr. Herman B. Wells, Indiana University president, Thursday announced the appointment of Dr. Alexander T. Ross, as head of the psychiatry department of I. U. school of medicine.

The post has been vacant since the resignation in 1953 of Dr. Herbert S. Gaskill, who came to IU from the University of Pennsylvania in 1949 and went to the University of Colorado.

Born in Hawaii, Dr. Ross was graduated from Stanford University and received his medical degree at the University of Oregon. He also obtained the master of science degree from the University of Michigan.

Dr. Ross was chairman of the combined departments of neurology and psychiatry at the IU medical school from 1949 to 1952 and has been on the medical faculty since 1949. He was chief of the neurology branch of the office of surgery general of the army in World War II.
