## Insurance In A Package!

Just like breakfast food. Something new is being added to the insurance field—Insurance in a package. If your insurance seems a puzzle to you, divided between and on your home, furniture, car, liability needs, etc., why not ask about the new packaged policies. All of your insurance needs can now be included in just one or two policies. Besides simplifying your insurance program, it eliminates most of the possibilities of uninsured losses. Payments frequently can be divided.
