Don't say you haven't been cautioned. Traffic officer James Cochran will start immediately issuing parking violation tickets and each one will cost a dime, if paid within the hour. If paid within 24 hours, the regular \$1.00 fine will be imposed and if not paid within 24 hours from date, an arrest warrant will be issued. Strict enforcement is promised, in which law abiding citizens concur.

It is easy to see why Indiana top GOP leaders frown on federal aid. When federal money is involved in construction work, strict federal laws pertaining to offering and accepting bribes prevail. It would be not only a short profit but also a short life for the Craig approved Geiger, Sherwood, Sayer toll road crowd and their smelly deals. Why haven't there been investigations?

After publicly accusing Gov. Craig of being Indiana's worst governor, candidate Handley has crawled in bed with him and holding his nose he has made political love in an effort to win. The good people of Indiana won't be fooled. Those who vote for Handley are asking for the same contaminated Craig dish for another four years. Heaven forbid!

Happy birthday to Cletus Miller and Herman Knapke, Decatur's well known restaurateurs. The Fairway restaurant is six years old this week, and during that time, it has become favorably known as one of the midwest's leading eating places, with drawing power of several hundred miles. These two local men and their staff have made eating out a pleasure and they refuse to stand still as right now they are in the midst of a remodeling program, which, when completed will double the Fairway seating capacity.

Death has visited Decatur and removed from her large circle of friends Mrs. J. C. Sutton, devout Christian, prominent club woman, wonderful mother and splendid neighbor. She was the widow of the late Jesse C. Sutton, Judge of Adams Circuit Court. Mrs. Sutton was born in Wells county, but resided here her entire adult life. At the time of her death, she resided with her son Jesse C. Sutton, Jr. and his family. Mrs. Sutton enjoyed life and she lived it fully. She lived to see her five sons, Alex, Murray, Harry, Jesse and Richard become successful in their chosen fields and while her sons resided at distant points, she kept in close touch with them, and they with her through frequent visits. They, and her many friends will miss her immensely. A lover of flowers her yard was filled with them. To have known Mrs. Sutton was to have gained something in life. We join her host of friends in offering sympathy to the five sons all of whom did many fine things to make her proud and happy during her long life.

McMillen Home Building Corporation of Decatur, held its annual meeting and award party Monday night at the Youth and Community Center. There is a story of love for this Community; respect for fellow workmen and a dream come true, that laboring men and women could have decent modern homes in which to live, behind the McMillen story. Dale W. McMillen, Sr., "Mr. Mac" to the hundreds of Central Soya employees who know and admire the founder of the concern, had the dream some twenty years ago, that satisfied employees and home owning employees, who had an interest in their community were better employees. This was the start of a building program, under McMillen sponsorship and financing which has resulted in construction of more than a hundred modern homes here for Soya employees. Mr. Mac has turned the operation of the giant feed mill over to two sons, Harold "Mick" and Dale Jr., "Bud". With this operation also went management of one of Decatur's least publicized and most appreciated non-profit businesses, McMillen Home Building Corporation. Awards are made each year to owners of the homes for upkeep and improvements.

On the occasion of their annual meeting, we salute "Mr. Mac" for making come true what many consider his fondest dream, providing homes for his fellow workmen and we likewise pay tribute to the achievements of his sons, Mick and Bud who are constantly following the McMillen pattern of progress and humanitarianism.

Fireproof Clothing
Pour one ounce of sal ammoniac or alum in the last rinsing water for muslin or cotton goods, and the goods will not burn, or will burn without flame. This is an excellent treatment for children's clothing to make it fireproof.

Peach-Ade
To make peach-ade, use 1 cup of peach honey, 1 cup of water, ½ cup of sugar, and the juice of 1 lemon. Mix these ingredients, and when ready to serve, add one quart of water and sugar to taste.

Steel
A good way to clean steel is to rub it with a paste made of emery powder and oil, mixed to the proper consistency.

Modern Etiquette BY ROBERTA LEE

Q. Is it proper for a girl to accept gifts from a young man to whom she is not engaged?

A. Only if the gifts are of an impersonal nature — books, flowers, and countless other modest gifts are proper.

Q. Is it proper to guess at a name if one has not heard it distinctly during an introduction?

A. No; the proper thing to say would be: "I'm very sorry, but I did not hear your name clearly."

Q. Is it the duty of the person who is pouring tea to put the sugar or cream into the guest's cup?

A. Yes; but she should first ask how much of either or both ingredients is desired.
