Iowa-Michigan One Of Major Grid Battles

By TIM MORIARTY
United Press Sport Writer

Iowa vs. Michigan and Stanford vs. UCLA shape up as the major conference struggles on Saturday's college football schedule and both games may produce the teams that will knock heads in the Rose Bowl game at Pasadena, Calif., next New Year's Day.

Iowa, unbeaten in five games, is the surprise leader of the Big Ten conference with a 3-0 record but is a three-point underdog against the Wolverines, who haven't lost to the Hawkeyes since 1924.

However, Iowa Coach Forest Evashevski, himself a former Michigan star, feels this is the year his boys will catch up with the Wolverines. He has been drilling the Hawkeyes extra hard all week, placing extra emphasis on their pass defense.

Michigan halfback Terry Barr may not be able to start because of a twisted ankle and Coach Bennie Oosterbaan is toying with the idea of switching Ron Kramer from end to right halfback.

Stanford, the Pacific Coast Conference leader with a 3-0 mark, is a nine-point choice over UCLA. The Bruins wallowed Stanford, 72-0, two years ago but this is another season and, led by pass master John Brodie, the Indians are expected to make those odds stand up.

Brodie currently leads the nation in total offense and UCLA Coach Red Sanders frankly admits "I don't know how we'll stop him. We tried rushing him with four men last year and not even that helped much."

In the Southwest Conference, which annually provides the host team for the Cotton Bowl, Texas A & M (2-0) is a seven-point favorite over Arkansas (1-2). If the Aggies slip, Southern Methodist (1-0) can take over the lead by beating Texas (2-2).

The Southern Conference "show-down" game will pit George Washington (3-0) against West Virginia (2-0). The Mountaineers are slight favorites to win their 19th straight conference game and clear the path to their fourth consecutive league title.

Top-ranked Oklahoma expects its toughest Big Seven struggle of the season against Colorado but the oddsmakers hardly agree. They have installed the Sooners as four-touchdown favorites to win their 36th straight game.

Wyoming Vs. Utah State
Wyoming, another of the nation's perfect record teams, plays Utah State in a battle for the Skyline Conference lead. The Cowboys (4-0) will match Jim Crawford against Jack Hill of Utah State (4-1) in a duel between the leading major college scorers. Hill has amassed 90 points thus far this season against 70 for Crawford.

Princeton and Yale, co-leaders in the Ivy League, have drawn easy pickings this weekend. The Tigers (3-0) play Brown (1-3) and the Bulldogs (3-0) engage Dartmouth (1-2).

Second-ranked Georgia Tech and third-ranked Tennessee—twin terrors of the Southeastern Conference—both have dates with Atlantic Coast Conference teams: The Engineers are a 13-point pick over Duke while the Vols are favored by 21 over North Carolina.

Fourth-ranked Michigan State is a 20-point favorite to rebound against Wisconsin, sixth-ranked Ohio State is 17 over Northwestern and seventh-ranked Minnesota is a touchdown choice to defeat 10th-ranked Pittsburgh in the day's biggest intersectional clash.

Says Olympic Team In Fine Condition

LOS ANGELES (UP)—Coach Jim Kelly said today his record-breaking U.S. Olympic track and field team couldn't be in any better shape for the games later this month at Melbourne.

Kelly's optimism was based on his team's performance Thursday in a final practice meet at Memorial Coliseum here.

Perry O'Brien, the world's champion shotputter, topped the list of outstanding performances turned in by the United States best track and field stars. O'Brien heaved the iron ball 63 feet, 2 inches to record his best toss of his career.

The mile relay team turned in its top performance of pre-Olympic practice by breaking the world's record of 3:08.8 in racing the course in 3:07.3. The team was composed of Charles Jenkins, Lon Spurrier, Tom Courtney and Lou Jones. The second team of Arnie Sowell, Josh Culbreath, Glenn Davis and Eddie Southern was clocked at 3:08.1 in also taking credit for breaking the old mark set by a U.S. team in the 1952 Olympics.

Bill Dellinger of Oregon also was added to the growing list of record-breakers. He ran the 5000 meters in 14:16.2, breaking the American record of 14:26.8.
