### Firemen Called To Two Grass Fires

A grass fire in a field on the True Andrews farm north of Decatur on U. S. highway 27 brought out the fire department this morning but caused no damage. Another grass fire was put out shortly after 11 a.m. today at a vacant lot on Mix drive.

### Interior Secretary Hopeful For Peace

CHICAGO (UP) — Secretary of the Interior Fred A. Seaton said today "Western Europe will face disaster if Middle East oil is permanently cut off."

But, Seaton said, Middle East countries know their oil resources are "valuable unless they have available the great markets of the West. In "this mutuality of interests lies one of the basic hopes of peace" in the Middle East, he said in a speech prepared for delivery to the American Petroleum Institute.

NOTICE OF SALE OF REAL ESTATE AT PUBLIC AUCTION  
The undersigned Executor of the estate of Susanna C. Reppert, deceased, being estate No. 816 of the Adams Circuit Court, Adams County, Indiana, by virtue of an order of said Court authorizing the same hereby gives notice that he will on the 8th day of December, 1956, at the hour of 1:30 o'clock p.m. DST offer for sale at Public Auction on the premises, the following described real estate situated in Adams County, Indiana:

The Southeast quarter (1/4) of the Northeast quarter (1/4) of Section Thirty-one (31), Township Twenty-seven (27) North, Range Fourteen (14) East, in Adams County, Indiana, containing Forty (40) acres more or less.

Said sale will be made subject to the approval of the Adams Circuit Court for not less than 2/3 of the full appraised value thereof, free of all liens and encumbrances except the 1956 taxes due and payable in 1957, and upon the following terms and conditions: At least 1/3 of the purchase money cash on the day of the sale, the balance to be paid upon delivery to the purchaser of an Executor's Deed approved by the Judge of the Adams Circuit Court and an Abstract of Title brought down to the date of sale showing said real estate to be free of all liens and encumbrances except the 1956 taxes due and payable in 1957. Possession of said real estate will be given upon final and full payment of the purchase price.

### Prayerful Protest Staged By Students

Reds Oppression Is  
Protested At N. D.

SOUTH BEND, Ind. (UP)—Some 1,000 Notre Dame students staged a "prayerful protest" against the Russian oppression of Hungary Tuesday night.

The students of the Roman Catholic men's university crowded into Sacred Heart church on the campus to recite the rosary for all Hungarians, living and dead.

They also heard a special sermon delivered by the Rev. Stanley Parry, head of the school's department of political sciences.

The Hungarian students who fought in the streets of Budapest, Parry said, "preferred death in a hopeless bid for freedom to a prudent life of enslavement."

"The only mistake they made was to expect aid from us," he said. "We have wrung our hands and passed resolutions, and now that the last Hungarian radio station has been silenced by Soviet power and the tranquility of the dungeon returns upon that land, there is danger that we will try to forget."

WORMS CAN COST  
YOU MONEY.  
MR. HOGMAN

One of the biggest developments in the hog raising business this year is the development of a new, easy way to worm pigs.

Just add Purina Liquid Pig Wormer to the drinking water. Only one ounce to the gallon does the job. In warm dry weather one gallon of medicated water per pig may be consumed within 24 hours. At this time of year it may take a little longer.

Pigs go on gaining and eating right through the worming period. Droppings begin to show the swift effectiveness of Purina Liquid Pig Wormer in a few hours. Best of all it costs only pennies per pig. Get Purina Liquid Pig Wormer today.

PRODUCE EGGS FOR  
2½ to 5¢ LESS PER  
DOZEN ON PURINA

Actual farm records turned in by Purina customers on more than 1,100,000 hens show they average a dozen eggs on only 4.4 lbs. of Purina Chows. Department of Agriculture statistics show it takes 6 lbs. of feed to make a dozen eggs in the average flock.

Are you interested in saving up to 1½ lbs. of feed worth up to 3¢ on each dozen eggs you produce? We'll bet you are! Here are some tips on cutting feed cost per dozen while bringing the flock into heavy production.

Are Pullets  
Comfortable?

Make sure your pullets are

comfortably housed, with ample ventilation and 3 to 3½ feet of floor space per bird. Be sure there is sufficient room for roosting. Use feeders and waterers. Are there enough?

Booster Checkers  
May Be Needed

The first five months of production puts a layer under the greatest strain of her life. She's producing heavily, completing her growth and maintaining body condition.

For flock condition and production, feed Purina Booster Checkers as a top feed during these months. Only 6 lbs. (one gallon) per 100 hens per day does the job. Helps guard against production dips later on.

NURSING COW —  
CALF STARTENA

The Stiefel Grain Co., would like to share some startling facts with you dairymen. This year at Purina Research Farm, calves fed on the Purina Nursing Chow-Calf Startena program have averaged roughly one-third heavier than the accepted standard at four months of age. Even more amazing is the cost. These calves are being raised for 10.3¢ per pound of gain compared to 29.8¢ per pound for milk-fed calves. One-third heavier calves for less than one-half the feed cost! It certainly proves that the Purina Nursing Chow-Calf Startena program is more than a milk replacement program. It pays... and pays big... to put this simple, sensible Purina Calf Program to work on your farm. Be sure to stop in just as soon as you can. Find out how easy, how low-cost Purina's Nursing Chow-Calf Startena program is! Right now is the best time of the year to get started too... as milk prices reach their normal high, and base prices are being established.
