

Cub Scouts Visit Adams County Jail

Taken On Tour Of Jail Here Recently

Cub Scout den one of pack 3063 toured the Adams county jail recently. The members include Dan Rickard, John Hefner, Larry Helman, Bill Hain, Jerry Murphy, Steve Schultz, John Lose

and Tom Lose.

Also on the tour were the den mothers, Mrs. John Hefner, Mrs. Bernard Hain and Mrs. William Lose, Jr.

Deputy sheriff Charles Arnold explained to the group the booking of a prisoner and then showed the safe that contained their possessions. They were then shown the cellblock and the finger printing room. The Cubs were given a close-up view of a machine gun and a kit containing different tear gas materials.

The boys then toured the photo

No Hurried Decision On Wabash Petition

No hurried decision will be made on the petition of the Wabash township trustee to return some \$1,500,000 assessed valuation in Berne south of the main street to Wabash civil township from Monroe civil township, auditor Edward F. Jaberg stated today.

Jaberg said that he had conferred with county attorney David Macklin on the question and a complete study of the petition, all

laws referring to it, and the commissioners' record since 1836, will be made before any action is taken.

The petition stated that a mandamus suit against the auditor in the county court might be filed if Jaberg did not act within 15 days, or request an extension. A mandamus suit would allow the court to decide if the commissioners had been acting illegally over the past 80 years in transferring parts of Wabash township to Monroe township when areas were taken into the city of Berne.

Plans are being made for the annual daily vacation Bible school to be conducted by Zion Lutheran church, West Monroe and Eleventh streets, from Monday, May 27, to Friday, June 7. Materials for the school are already on hand and most of the staff of 40 volunteer helpers have been assigned by the Rev. Edgar P. Schmidt, pastor of the church and superintendent of the vacation school.

Mrs. Herman Krueckeberg will serve as general secretary of the school this year. Superintendents of the various departments are: Mrs. George Fisher, senior department; Mrs. William Justice, junior; Mrs. Louis A. Jacob, primary; Miss Evelyn Nussbaum, beginner; and Mrs. Richard Archer, nursery.

More than 200 children are expected to enroll in the school this year, exceeding the 1956 enrollment last year. Children, ages 3½ to 15, will be accepted at the school, and the children of the community, and especially those in the neighborhood of the Lutheran church, who will not enroll in another vacation school, are invited to attend the daily classes.

School sessions will be each morning of the week, Monday through Friday, from 8:30 to 11 o'clock. Each day's classes will open with a brief devotion in the church conducted by Rev. Schmidt. "The purpose of our vacation school," said the pastor, "is first of all to teach the children the way of salvation through faith in Jesus Christ, to provide activities that develop Christian attitudes and give training in the Christian way of life; to give training in worship; and to exert a wholesome influence on the home, the congregation, and the community."

Prayer Pilgrimage In Capital Friday

Plan To Press For Civil Rights Action

WASHINGTON (UP)—The advance guard of a mammoth "pilgrimage" to Washington organized by Negro leaders began arriving here today to press for civil rights action.

The "Prayer Pilgrimage For Freedom," expected to draw 50,000 participants from 31 states and the District of Columbia, will be held on the steps of the Lincoln Memorial. Formal ceremonies are set for Friday but delegates from California and other distant states were scheduled to start arriving today.

Timed to coincide with the third anniversary of the Supreme Court's school integration decision, the mass meeting is designed to commemorate the edict and protest violence against Negroes in the South, in addition to pressing for civil rights legislation at this session of Congress.

The Communist Party is trying to work its way into the pilgrimage, even though the mass rally is following a religious theme and is sponsored by non-Communist organizations.

Sponsors of the pilgrimage, who include the Rev. Martin Luther King Jr., leader of the recent Montgomery, Ala., bus boycott, have emphasized that Communists have not been invited and will be barred from the official ceremonies.

The sponsors said at a press conference Wednesday they do not expect any trouble from Communists, but conceded they have no way of keeping them or anyone else away from the Lincoln Memorial grounds which are government property.

The U.S. Park Police, who have jurisdiction over the Lincoln Memorial and surrounding grounds, plan to have 100 men at the mass meeting. In addition, Washington's metropolitan police department planned to have extra personnel stationed nearby.

The pilgrimage was decided on at a meeting of 97 churchmen and Negro leaders from all sections of the country at New Orleans last February. Co-chairmen are King, A. Philip Randolph, Chicago, president of the AFL-CIO brotherhood of Sleeping Car Porters, and Rev. Thomas Kilgore Jr., pastor of Friendship Baptist Church in New

Confesses In Note To Murdering Wife

Rensselaer Man Is Sought For Murder

RENSSELAER (UP)—Authorities searched underbrush today looking for Carl Dean Malone, 32, Rensselaer, who admitted in a note he killed his ex-wife Wednesday.

Mrs. Geraldine Malone, 30, was shot in the face with a shotgun charge at the store she operates with her mother in Parr, Ind.

State police found Malone's car in Curtis Creek about four miles west of here Wednesday. The car had rammed a bridge abutment at high speed. It careened 100 feet into the creek.

Malone left a note at his parents' home here saying he had killed "Gerry" and was going to kill himself. He said he was going to make it look like an accident so his three children could collect the insurance.

State and Jasper County authorities at first thought Malone's body was in the creek with the wrecked car. But when they dragged the shallow creek they found only a shotgun.

Blood was found on both banks. Torn photographs of Malone's ex-wife and children were found on one bank.

Today the search switched to the dense underbrush around the creek. The Jasper County sheriff's office said it believed Malone crawled out of the creek and went into hiding.
