Annual Report By St. John's Church

All Reports Show
Progress For 1935

The 37-page printed annual report for 1935 enabled the voters' meeting of St. John's church on route 27 to follow all the annual reports presented at the meeting this week. The meeting was presided over by Edward Selking, route 1, Decatur, newly-elected president for 1936. All reports showed progress made during 1935.

A total of \$47,240 was contributed by the membership of 369 communicants. The indebtedness on the new \$190,000 school buildings was reduced from \$80,000 to \$66,000. The treasurer, Don Holle of Hoagland, reported that \$6,355.29 had been sent to the denomination's headquarters for missions and an addition 2,056.75 for charitable purposes outside of the congregation. Marvin Meyer serves as financial secretary and Marvin Schroeder, route 1, Hoagland, is the treasurer for the school building fund.

The pastor's report showed 13 baptisms for last year and two weddings. Five members were lost through death and three transferred their membership to other congregations, while eight communicants were gained through confirmation of juniors and 10 transferred from other congregations to St. John's. Attendance at holy communion increased from 1,718 in 1935 to 2,005, and church attendance also increased from 20,090 to 22,349. Eight members are serving in the armed forces of their country.
