## Hartke Hits Delay In Highway Plans

### Much Of Delay Due To Road Scandals

MARSHALL, Ind. (UPI)—Democratic senatorial nominee Vance Hartke said today that delays in carrying out highway improvement plans are "claiming additional lives daily" in Indiana traffic.

Hartke told a Parke County women's audience that the Republican state administration was responsible.

"Much of the delay is due to the highway scandals," he said. "The death rate continues to climb."

Hartke referred specifically to U.S. 41 which runs through Parke County. He said accidents on that road "claimed some 20 lives last year while the present state administration promised better roads and swallowed in the highway scandal mess."

In two political talks Monday night, at Vincennes and Sullivan, Hartke assailed his opponent, Governor Handley, for lack of leadership and violation of the Indiana Constitution.

"Our governor has done little of

anything and much of nothing for the good people of Indiana at a time when Hoosiers hearts cry for direction," Hartke said at Sullivan. "This is massive inaction."

He said at Vincennes that Handley's disregard of the constitution in running for the Senate before his gubernatorial term ended would backfire.

"The people won't let him run out," Hartke said. "If only they could turn him down in his wild bid for senator and turn him out of his gravy train as governor too, the job would be completed."

"I predict they (the voters) will elect a Democratic Legislature to keep a check rein on him."

### Ohio Congressman Found Dead In Home

COSHOCOTON, Ohio (UPI)—U.S. Rep. J. Harry McGregor, a Republican who had represented Ohio's 17th District in Congress for 18 years, was found dead in his apartment today. He was 63.

McGregor's body was found shortly after 8:30 a.m. A physician said he had been dead about six hours, apparently of a heart ailment.

Although the congressman had a history of heart trouble, he had been campaigning actively for re-election.

Daniel E. Shae, 49, Gary, was killed when his car struck a toll road guard rail near Gary, apparently when he dozed at the wheel.

William H. Benton, 68, Indianapolis, was struck by two vehicles in U.S. 31 south of Indianapolis
