MRS. ED McCULLOUGH

IS RECENT GUEST OF HONOR

The home of Mrs. Ralph Tieman was the scene of a recent baby shower honoring Mrs. Ed McCullough. Co-hostess for the evening was Mrs. Charles McCullough.

Pink and blue were used in decorating the entertaining rooms and gifts were placed in a baby bed, also decked in pink and blue. Upon her arrival, the guest of honor was presented with a corsage of baby items.

Games were played during the evening and the winners who presented their gifts to Mrs. McCullough, were Miss Rhonda Arnold, Mrs. John Tinkham, Mrs. Ralph Tieman, and Miss Sally McCullough.

A light lunch was served after the game period, to the Mesdames. Ben McCullough, John Tinkham, Clarence August, Eugene Arnold, and the Misses Sally McCullough, Rhonda Arnold, Judy Arnold, and Ed McCullough, Denny McCullough, and Michael Tieman.

Unable to attend but sending gifts were Mrs. Paul McCullough, Mrs. Dick McCullough, Mrs. Orrell McClain, and Mrs. A. J. Zelt.

NINE DECATUR WOMEN

ATTEND DISTRICT MEETING

Nine members of the Decatur Business and Professional Women's club were among those present for the 5th district meeting of the organization held Sunday afternoon at the Elks club in Bluffton.

Blue and gold tapers were used the length of each of five long tables, with the speakers' table featuring a large centerpiece of blue iris and yellow mums. The gold insignia of the club was used on the blue program books and white napkins. Colorful, clever favors consisted of baskets of various floral prints containing an assortment of small gifts. Another bouquet, of peach glads and blue iris, on the piano, completed the decorations.

The Lancaster Central school mixed chorus, under the direction of Dorothea Sellers, presented several numbers to open the program and was followed by a short comedy, "The Romantic Conspiracy," enacted by the Thespian society of Bluffton high school, E. R. McNow, director.

Guest speaker was the president of the more than 10,000 members in the Indiana Business and Professional Women's clubs, Janie Weaver, an English and speech teacher in the Dunkirk high school. She used as her topic, "The Promised Land."

Attending from Decatur were Mesdames Francis Howard, Nelson Doty, Orville Hicks, John Rosier, Mart Welland, Cletus Miller, Norman Guard and Dett Johnson, and Miss Joan Wernhoff.

Members of the Everready Sunday school class of the Methodist church will meet Tuesday at 6:30 o'clock in the church lounge.

Mrs. Ed Vian will be hostess to members of Our Lady of Good Counsel study club members Wednesday at 8 o'clock.

The Dramatic section of Woman's club will meet tonight at the home of Mrs. Ferd Klenk. The meeting will begin at 8 o'clock.

The home of Mrs. Robert Ulman will be the scene of the Thursday meeting of members of the Guardian Angels study club who will meet at 8 o'clock.

Members of the Kirkland Future Farmers 4-H club will meet Tuesday evening at 7:30 o'clock at the parish hall.

MERRY MATRONS MEET

AT OTTO THIEME HOME

The members of the Merry Matrons Home Demonstration club met recently at the home of Mrs. Otto Thieme.

After the meeting was opened with the group repeating the club commandments, the history of the song of the month was given, after which it was sung by the group. Devotions were given by Mrs. Norvin Thieme, followed by the health and safety lesson on home fires from electrical hazards.

During the business meeting, the secretary's report was read and approved and roll call was answered by members telling how they had met their husbands. Mrs. Ervin Fuelling was in charge of the meeting. Leaders for the evening presented a lesson entitled, "Good Meals for Busy Days."

Seventeen members and one guest were served refreshments at the close of the meeting.

An all day meeting of the Union Chapel Ladies Aid will be held Thursday in the church basement. There will be an election of officers and a pot luck dinner served at noon.

Five Vehicles Are Involved In Wrecks

The Adams county sheriff's department and the Indiana state police were called to investigate three mishaps over the weekend which caused approximately \$975 damages to the five vehicles involved.

Saturday morning at 1:15 o'clock on U.S. 224 near Belmont Park, a one-car accident occurred. The sheriff's department stated that a car driven by Earl E. Case, 21, of Ohio City, O., failed to negotiate a curve and drove down a hill into the Charles Lobstiger property. Damage was estimated at \$500 to the Case vehicle and \$50 to the Lobstiger property.

Case was arrested for reckless driving and paid a fine of \$30.75 in justice of the peace court after pleading guilty to the charge.

At 2 o'clock Saturday afternoon about 1/2 mile south of Decatur on the Mud Pike road, a two-car collision occurred causing minor damages. A car driven by Jay Jacob Yost, 49, route six, Decatur, while headed south on the Mud Pike road, struck a northbound car driven by the Rev. J. J. Klopfeinstein, 55, of Berne. The report stated that Yost applied his brakes while approaching the Klopfeinstein auto, causing the vehicle to pull slightly to the left.

Damage was estimated to the Yost vehicle at \$100 and \$50 to the Klopfeinstein car. The sheriff's department is continuing its investigation of the mishap.

Sunday at 6:15 p.m., about 4 1/2 miles southeast of the city on U.S. 33, a truck and car collided. The sheriff's department stated that a truck driven by Gene Morrison, 23, route six, Decatur, attempted a left turn off the main highway into his driveway and was struck from the rear by a car driven by Mary E. Humerickhouse, 25, Ohio City, O., which was attempting to pass.

Damage was estimated at \$225 to the Humerickhouse vehicle and \$50 was estimated to the Morrison truck.

Morrison was arrested for driving a vehicle with an expired driver's license, and is scheduled to appear in justice of the peace court Saturday to the charge.

Grivas, who was wanted by Britain on charges that carry the death sentence, still is in hiding on the island and has not yet publicly announced his feelings on the Turkish-Greek-British agreement making the island an independent republic.

Britain's failure to capture him during the past four years of bloody fighting on Cyprus indicated it would have little say in the underground leader's future.

Observers said Makarios, as spiritual and lay leader of the 400,000 Greek Cypriots, probably would force Grivas out if he wants to.

One Man Killed As Two Trucks Collide

CHESTERTON, Ind. (UPI)—Two huge semi-trailer trucks from Michigan collided nearly head-on on U.S. 20 in front of the Chesterton State Police Post early today, killing one man and critically injuring two others.

Traffic on the busy four-lane interstate route was blocked for hours while police removed the dead and injured from the wreckage.

Killed was Joseph Pryor Campbell Jr., 19, New Buffalo, Mich., who was riding in the tractor of a food truck. The driver of the truck, Marion W. Wilson, 37, New Buffalo, and the driver of the second truck, Herman Largent, Kalamazoo, Mich., were taken to St. Anthony's Hospital in Michigan City, Ind., with critical injuries.

Campbell was thrown from the truck which toppled over on him. Wilson and Largent were trapped in the wreckage of their vehicles. Largent was driving an empty propane gas truck.

Cause of the crash was not known as the survivors could not be questioned immediately. Robert Weeks, a radio operator at the police post, heard the crash and called police and equipment to the scene.

County assessor Walter Koos reported today that local taxing officials, working with the Van Wert, O., county sheriff's office, have obtained the names and serial numbers of 11 new mobile homes moved across the state line into Ohio.

Koos stated that the home were parked at the junction of highways 33 and 124, at Willshire, O. Koos was investigating to see if the homes had been moved to prevent assessment and avoid paying taxes.

Maxwell Anderson Is Taken By Death

STAMFORD, Conn. (UPI)—Funeral services will be held in New York Tuesday for Pulitzer Prize winning playwright Maxwell Anderson, who died in a hospital here after suffering a stroke.

The last rites will be held for 70-year-old author at St. Paul's Chapel of Columbia University.

Eulogies will be delivered by author Mark Van Doren and critic Robert Anderson. Anderson was taken to Stamford Hospital Thursday when he was stricken at his home. He died Saturday.

Gross Income Tax Deadline Tonight

INDIANAPOLIS (UPI)—The State Gross Income Tax Division warned Hoosier taxpayers today that they have until midnight to file their tax returns. Officials said persons filing late payments are liable to fines and interest charges.

LAFAYETTE, Ind. (UPI)—Prof. Rufus Oldenburger of the Purdue University School of Mechanical Engineering, was in Rome today as a chairman of the United States delegation at meetings of the International Federation of Automatic Control Councils. His trip was sponsored by the National Science Foundation.

Arm Amputated After Power Saw Accident

Mrs. Hubert Meyers, of Harrison township, Van Wert county, O., was brought to the Adams county memorial hospital late Saturday afternoon with a badly cut right arm resulting from a power saw accident.

Mrs. Meyers, who was understood to have had her left arm in a sling at the time, was reported to be saving firewood with a power saw when the accident occurred. The arm had to be amputated as the result of the accident.

Faces Decision On Underground Leader

NICOSIA, Cyprus (UPI)—Archbishop Makarios, nearly overcome by the welcoming cheers of 200,000 Greek Cypriots, was faced today with a decision that could send Greek underground leader George Grivas into exile in Greece.

Government sources said that Makarios and the British Foreign Office had reached an "agreement in principle" that Grivas, head of the Greek Cypriot EOKA underground, would remain in exile until Cyprus becomes a free nation, probably within a year.

Observers said the only hitch in the agreement was Makarios' demand that Grivas leave the island as a hero with full military honors. British officials said Cyprus Gov. Sir Hugh Foot refused to allow this.

The violence began two weeks ago when the mills resumed limited operations and has increased steadily to a peak of some half-dozen explosions during the week-end.

Launching Of Moon Rocket Postponed

CAPE CANAVERAL, Fla. (UPI)—A sun-and-moon shot by the Army was called off just before midnight Sunday night to wind up a rough week end for America's space probes here.

It was a disappointing second postponement in two days for the Army's gleaming white Juno II which carried a 13.4-pound space-probing satellite in her nose. Scientists and technicians have shivered through wind-whipped and sopping-wet weather to prepare for the launching.

This had been a double-header week end for space shot plans. The first satellite in the Discoverer series was fired on a polar-orbiting mission from Vandenberg Air Force Base, Calif., Saturday.

After an anguished wait with no word as to whether the 1,300-pounder had gone into orbit, sporadic signals were picked up late Sunday to indicate that an orbit actually had been attained.

It was not announced when another try might be made. But, since there was no apparent damage to the four-stage Juno space vehicle, a shoot could be re-scheduled as early as midnight tonight.

Mild Temperatures In Indiana Today

United Press International

Mild temperatures in the 50s, delayed past the weekend, were due in Indiana today but showers and colder weather were expected shortly.

Originally the weatherman held out for sunny and mild readings Sunday to give Hoosiers a foretaste of spring. But after the forecasts were revised, the temperatures crested at rather chilly readings ranging from 40 at Fort Wayne to 45 at Evansville, then dropped overnight to the upper 20s.

Latest forecasts called for highs in the 50s today all around the state, with partly cloudy weather giving way to showers this afternoon or evening, and colder temperatures developing Tuesday when highs will range in the 40s.

A return to mild temperatures was expected Wednesday with only minor day-to-day changes the rest of the week and precipitation averaging generally less than one-half inch as scattered showers Wednesday or Thursday and again later in the week, according to the five-day outlook.

Temperatures this week will average 3 to 6 degrees above normal highs of 35 to 53 and normal lows of 21 to 33.

St. Mary's river Shows Slight Rise

The St. Mary's river rose a few inches over the weekend, to a 7.03 foot level, weather observer Louis Landrum reported today. He took the reading at 7 a. m. and also said no rain fell Sunday or today.

Renewed Violence In North Carolina

HENDERSON, N.C. (UPI)—Angry strikers braved near-freezing rain today in a jeering, rock-throwing attempt to discourage a spreading back-to-work movement as bitter textile strike entered its 16th week.

But local police, reinforced by officers from neighboring counties, kept the demonstration orderly although there was an unconfirmed report that the crowd surged forward against one officer but was pushed back without injury to anyone.

The strikers at the North Henderson mill threw rocks and bottles at cars of incoming workers, but this activity was kept to a minimum by a line of officers, standing with ready billyes in front of the gate. A smaller crowd, mostly women at the South Henderson mill, booed and jeered non-strikers while a loud-speaker blared forth union songs.

However, there was no rock-throwing at the South mill.

A delegation of strikers call on Mayor Carroll Singleton to protest the use of out-of-town officers along the picket lines. Singleton said that law and order must be maintained. He said he welcomed the forthcoming investigation by the Senate Rackets Committee so that "the roots of the violence can be brought to light."

The committee announced Saturday it was sending investigators here to check on reports of violence in connection with the strike.

The violence began two weeks ago when the mills resumed limited operations and has increased steadily to a peak of some half-dozen explosions during the week-end.
