One of the Friday accidents happened at the intersection of Walnut and St. Mary's street when a car driven by Barbara Cole, 24, of Homestead, struck a machine driven by Charles Beineke, 70, of 1128 W. Monroe, causing \$200 damage to the Cole vehicle and \$150 to the Beineke car. Beineke suffered an injury to his left knee but refused hospital treatment. Police said he would contact his personal physician.

The Cole car was enroute east on St. Mary's as the Beineke car was going north on Walnut when the collision resulted in the middle of the intersection.

The second Friday accident involved a lamp post and Samuel G. Campbell, of Auburn, the driver of a truck. Damages amounted to \$5 to the lamp post at Monroe and Second street, while no damage was noted to the truck. While attempting to turn onto Second, the truck trailer scraped the post, causing the damage.

The Saturday mishap involved a hit and run driver and a parked car. The machine owned by Ted Anderson of 401 Adams street, was parked in front of his home. Anderson noted that his car had been sideswiped, causing \$150 in damages. He gave no estimate of time to the police who are investigating.

One of the Sunday accidents occurred at 4:26 p.m. when a truck driven by Jahasa W. Breeden, 35, of Kokomo, struck a car driven by Robert W. Roth, 30, of Columbus, O., as both were attempting a right turn onto Second street from Monroe street. The accident happened on the farm of Roger Bluhm, his grandfather, Saturday about 11 o'clock, when he fell from the back of a truck driven by his father.

After he was taken to the Adams county memorial hospital, where X-rays indicated that he needed further treatment, by a specialist, he was taken by ambulance to St. Joseph's hospital, Fort Wayne. ## Youth Loses Foot In Farm Accident

Nine-year-old Noah Schwartz, of Wabash township, who lost his left foot Thursday afternoon in a farm accident, was in "improved" condition at the Adams county memorial hospital this morning.

The son of Mr. and Mrs. Henry Schwartz, route two, Geneva, he had gotten in front of a horse-pulled mower, and the left foot was cut off, with the exception of part of the heel. Amputation was necessary an inch above the ankle. The right foot was cut also, but was saved.

The accident happened shortly after noon, while an older brother, David, was cutting a field of grass. According to members of the family, there was a hole in the field, and Noah was instructed by his older brother to stand in or near the hole so that he would not drive into it. In some way the lad came in front of the mowing knife, and he fell to the ground, blood streaming from the wounds.

Daniel carried his injured brother to their home, and a member of the family ran a half mile to the Herman Burke farm, and a doctor was called. Burke took the injured boy and members of the family to the Adams county memorial hospital, where he was given transfusions for loss of blood, and where his condition was listed as satisfactory today.

The books never were balanced during that period, auditors said.
