## House Votes To Override Veto Of Works Bill

WASHINGTON (UPI) — The House voted, 280-121, today to override President Eisenhower's veto of the public works appro- priations bill.

It was the first time the House has voted to override an Eisen- hower veto.

It rejected Eisenhower's second veto Wednesday of the \$1,185,309,- 093 appropriation bill carrying funds for several hundred water development projects throughout the country. This was 12 more than the two-thirds margin re- quired to override.

It appeared to be a foregone conclusion that the Senate also would muster the required two-thirds vote. This would mark the first time that legislation has been enacted into law over an Eisen- hower veto. Senate action was expected later today.

The disputed bill was the second public works appropriation Eisenhower had vetoed. The House a week ago upheld by a one-vote margin his veto of the first \$1,215,477,907 bill.

The President vetoed the second bill less than an hour after it reached him Wednesday. He did so because Congress included in the second bill funds for all of the 6
