A Prayer for Peace

Many churches this next Sunday and the following week will have special prayers for peace; the occasion is the visit of Nikita Khrushchev, ruler of the U.S.S.R. Khrushchev, leader of the most militant anti-religious sect in the world, is also the subject of the prayers of many devout Christians, who pray that he will be changed by the will of God.

The following is from one of several litanies, or responses by minister and congregation, which will be used this next week.

LITANY FOR PEACE

O God the Father in heaven, have mercy upon us!
O God the Son, Redeemer of the world, have mercy upon us!

O God the Holy Ghost, Sanctifier of the faithful, have mercy upon us!

AND GRANT US EVERMORE THY PEACE!
Eternal Father, we, Thine unruly children, living in a world of disorder and strife, in consequence of our misdoings (many) and sins, pray for Thy mercy and seek Thy help:

SPARE US, GOOD LORD
Remember not, gracious Lord, our offense against thee, but forgive Thy people, whom Thou hast redeemed with Thy most precious blood:

SPARE US, GOOD LORD
Remember not our greed and selfishness, national pride and contempt, our reliance on scientific knowledge and intercontinental guided missiles; and our failure to trust in Thee as our Almighty God and Protector:

SPARE US, GOOD LORD
To protect and give good health to our President, his counselors, and all in authority; to give heavenly wisdom from on high to our President to deal wisely in his conversations with Khrushchev; and in all matters seek counsel and strength and guidance from our heavenly Father:

WE HUMBLY BESEECH THEE TO HEAR US, GOOD LORD

To preserve Khrushchev from physical harm while within the borders of our country; to open his eyes to the many undeserved blessings God has showered upon our land and people through our democratic way of life; and to bring him to seek peace:

WE HUMBLY BESEECH THEE TO HEAR US, GOOD LORD

For God's Holy Spirit to change the heart of Khrushchev and turn him from his evil ways to God; to lead him to a knowledge of his atrocious sins and his only Saviour from sin; and to cause him to love Jesus even as do we:

WE HUMBLY BESEECH THEE TO HEAR US, GOOD LORD

That the Christians behind the Iron and Bamboo Curtains may be delivered from all persecutions; that they may gain the freedom to worship God openly even as we; that the Gospel may be brought to the many souls bound in atheism; and they also may be converted through the Gospel and worship our Lord Jesus with us:

HEAR US, WE PRAY THEE

That the captive nations may be freed from tyranny; that Godless Communism may be overthrown; and that the captive nations, all free, may then find true freedom in serving Christ, our common Saviour:

HEAR US, WE PRAY THEE

We beseech Thee, O Lord, to stir up the hearts of Thy faithful people to greater obedience and zeal and unite Thy Church to face the world's greatest need; to send forth laborers into Thy harvest; and hasten the time, when the Gospel shall be preached to all nations, and the whole world be filled with the knowledge of Thy God's name:

HEAR US, WE PRAY THEE

O Lamb of God that take away the sin of the world
O Lamb of God that take away the sin of the world
O Lamb of God that take away the sin of the world
GRANT US THY PEACE

Our Father, who art in Heaven . . .

Car-Bike Accident Reported To Sheriff

A car-bicycle accident was reported to the sheriff's department by the driver of the automobile after the mishap, which occurred Wednesday at 5 p. m. on the Winchester road about eight miles north of Decatur.

Ronald Gene Erxleben, 8, of route 1, Decatur, sustained two severe lacerations on the back of the head, and multiple abrasions of the head, back, and feet, when he attempted a left turn on his bike in front of a vehicle driven by Joe Kozlowski, 28, of route 1, Decatur.

Sheriff's police, who investigated, said that the father of the boy did not report the accident because he felt that the youth had not been hurt seriously. After examining him, however, he noted that the back of the youth's head had been deeply lacerated. He was admitted to the Adams county memorial hospital for treatment.

Kozlowski reported the mishap after the boy's father had dismissed him from the scene and told him that the injury was not serious. Kozlowski ran into a ditch on the road trying to avoid the accident, but only minor damage was done to the car.

TRUE. Lottery matter of any kind is non-mailable. Any letter, package, postal card, or circular, concerning any lottery, gift enterprise, or similar scheme offering prizes dependent in whole or in part on lot or chance is unmailable. For this reason newspapers which advertise Beano or Bingo games or other lottery schemes cannot be sent through the mails. Because they know sealed first-class letters in the United States' mails cannot be opened for postal inspection, some unscrupulous operators use this means of attempting to peddle sweepstakes tickets, punchboards, or other lottery matter. When such items are received through the mails, they should be reported at once to your local postmaster.

2. May a letter be placed inside an air parcel post package?

YES. Mail of all classes except that which may be damaged by low temperatures or high altitudes is accepted for airmail. As airmail of all kinds is subject to the same postage rates, air parcel post may contain written matter without any additional charge, except in instances where the airmail rate is lower than the first-class rate. In such instances the first-class rate of 4c per ounce must be paid.

3. May old unused postage stamps be used to pay postage?

YES. All postage stamps issued by the United States since 1860 are good for postage to or from any point where the United States domestic mail service operates except in the case of mail from the Panama Canal Zone where special Canal Zone stamps are used. For answers to other questions about the postal service call Leo Kirsch at the Decatur post office.

Lutheran Seniors Urged To Apply

Students are to register their intent to compete by sending their names to Valparaiso University preferably before Sept. 15.

Schmid, of the Berne Cross Reformed church, was named vice president, and the Rev. Bennet Fulp, Geneva United Brethren, secretary.

The Rev. G. T. Rosselot, until recently a missionary to Africa, has been assigned as pastor of the First United Brethren church in Decatur.

Maryland Town Is Clouded With Grief

Maryland Town Is Clouded With Grief

OAKLAND, Md. (UPI) — This Western Maryland community was clouded today with shocked grief for seven children killed when a passenger train plowed into a disabled school bus on a grade crossing.

Townpeople prayed for the recovery of 19 other pupils injured Thursday morning when the Baltimore & Ohio's plush passenger train—the Diplomat—slammed the rear of the bus.

The tragedy was still being discussed in hushed tones in supermarkets and stores. The heart of the residents went out to the bereaved parents.

Gov. J. Millard Tawes awaited results of a full scale investigation by state police, the Department of Motor Vehicles and the state Roads Commission. He urged that responsibility "be determined precisely" to avoid a recurrence of the worst catastrophe that ever befell the community.

The train pushed the bus about 50 feet along the track. Seconds before the crash the 26 panicky pupils tried to brace themselves. Half of them struggled against the front door as the eastbound St. Louis-to-Washington express bore down on the stalled vehicle.

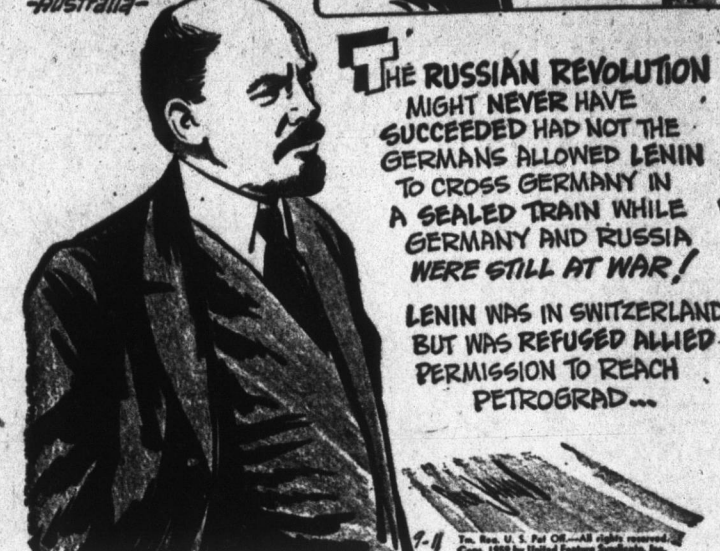

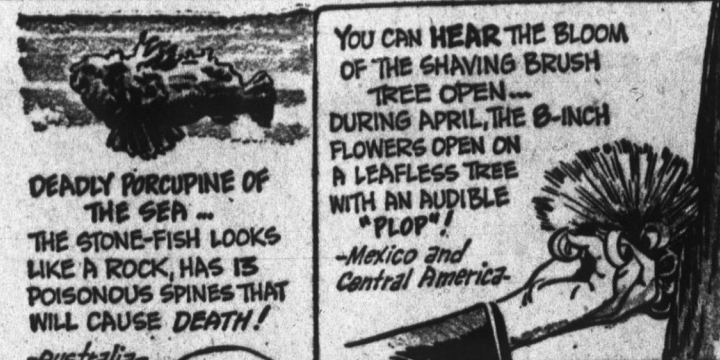

Roy Dixon, 14, who barely escaped death when he got off in time, said "everybody knew the train was going to hit us. Everybody wanted to get out."

The bus was driven by LeRoy Campbell, 49, Deer Park, Md., who told police the engine failed when he had cleared only part of the crossing. He shouted to the pupils to get off as fast as they could.

But the passengers—ranging in age from 8 to 16—were frozen with fear. It was precious seconds before they moved towards the door. An orderly exit was impossible.

Locomotive engineer Otto Droege, 65, Cumberland, Md., said the train was traveling at the legal 50 m.p.h. limit along a double track right-of-way.

When Droege saw the stalled bus he pulled the emergency brake. He said a speed tape on the diesel engine showed the train was going 20 miles per hour when it rammed the bus.

Car-Truck Accident Reported By Police

The city police reported a car-truck accident at the corner of Second and Marshall streets, involving \$100 damage to a parked car Thursday morning.

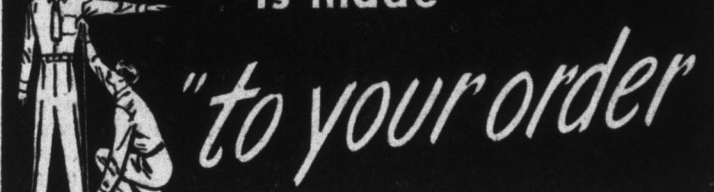

The car owned by George William Hanna, 63, of 125 S. First street, was reported as parked on the wrong side of Marshall street,

pointing west on the yellow line. The truck owned by the Yost Construction Co., and driven by John Rubin Girard, 25, of route 1, Decatur, made a left turn from Second street, catching the right rear bumper of the car. Damages to the car were set at \$100 with none to the truck.
