

Senator Hartke Is Reported Improved

WASHINGTON (UPI) — Sen. Vance Hartke (D-Ind.) who was hospitalized last Saturday with a virus condition was reported by his office to be "much improved."

A statement described Hartke as "taking nourishment and responding to treatment." It added that "there are no known complications" in his condition, described as "a virus of the colon

walls complicated by exhaustion from his work in the Senate."

Candidate For Mayor Sues Election Board

INDIANAPOLIS (UPI) — George W. Dodd, who was ruled off the Indianapolis mayoralty election ballot as an independent party candidate, filed suit Thursday to force the Marion County Election Board

to change its ruling. The board ruled Dodd failed to have signatures properly notarized on a petition. Dodd said he was not notified of the impropriety until after it was too late for him to comply before the Sept. 1 filing deadline.

Crowded Schedule Planned For Nikita

WASHINGTON (UPI) — Soviet Premier Nikita Khrushchev's crowded U.S. schedule will take him from a white tie White House banquet to a farmhouse lunch and from an agriculture experiment station to a Hollywood movie lot.

The Russian leader, who arrives here Tuesday, also will speak to the National Press Club and the U.N. General Assembly, dine with union, financial, political and civic leaders, and visit an IBM plant and a university during his 13-day U.S. tour.

A detailed itinerary of Khrushchev's first 13 days in the United States, released by the White House late Thursday, showed that Mrs. Franklin D. Roosevelt, former New York Gov. Averell Harriman and corn farmer Roswell Garst of Coon Rapids, Iowa, were the only private citizens scheduled to entertain the Soviet boss in their own homes.

Conspicuously absent from the schedule was any visit to the Capitol. The Senate and House are trying to clean up their business and adjourn before Khrushchev arrives to avoid the ticklish problem of whether to invite him to address a joint session.

The agenda for the first nine days starts with Khrushchev's arrival at Andrew Air Force Base in nearby Maryland at 11:30 a.m. e.d.t. and ends with his arrival at Pittsburgh at 11 p.m. e.d.t. Wednesday, Sept. 23.

The rest of the schedule, to include private Eisenhower - Khrushchev talks at the President's heavily-guarded Camp David retreat in Maryland's Catoctin Mountains, will be made public later.

CHURCH GOING

Rev. J. R. Meadows
Church going and the worship of God every Sunday in His church are obligations not only to God, but more directly obligations we owe to one another. The public worship of the congregation is helped or hindered in the measure in which each of us contribute to the creation of an atmosphere from Sunday to Sunday surcharged with love and loyalty, devotion and inspiration. The brethren are dependent upon us for this atmosphere, the clergyman is helpless without it, and is shorn of a great deal of his power without the loyal witness of the members of the church to the reality of the truth he proclaims.

Attend your church next Sunday with a prayer that you may be able to render real service to your Lord and Saviour, Jesus Christ.

THIS WEEK'S BIBLE VERSE
"I was glad when they said unto me, let us go into the house of the Lord."—Psalms 122:1.
