Commodores
Open Season
With Victory

The Decatur Commodores opened their fall baseball season Monday afternoon with a 13-7 victory over the Pleasant Mills Spartans in an Adams county league game at Pleasant Mills.

The Commodores, driving out 11 hits and aided by eight Pleasant Mills errors, jumped to a big early lead and were out in front after four innings, 12-1. The Spartans scored once in the second inning without a hit, and then tallied six in the sixth on three hits, three walks and an error.

Gerry Gillig, Steve Omlor and Jim Rumschlag each had two hits for the Commodores.

The Commodores will meet the Monmouth Eagles at McMillen field Thursday afternoon at 4 o'clock.

Monmouth Defeated
By Geneva, 5 To 3

The Monmouth Eagles evened their baseball record this fall at 1-1 as the Geneva team beat the Eagles, 5-3, Monday afternoon at Monmouth. Monmouth had defeated Adams Central last week, 14-8.

Seven walks and timely Geneva hits spelled the difference yesterday as Monmouth was unable to hold two leads in the ball game. Geneva came from behind on both counts, scoring the winning tallies in the sixth inning on three walks with none out, an error, and four singles for three runs.

Each team had eight hits, with Jim Bienz leading Monmouth with a run scoring triple in the second inning. Monmouth lost the services of hurler Dick Bulmahn, who stopped a line drive in the seventh. Loren Bieberich replaced him, but Bulmahn suffered the loss.

Bob Cousy Signs
Record Contract

BOSTON (UPI) — A "very pleased" Bob Cousy was the "highest paid player" in pro basketball today after signing a Boston Celtic contract for in excess of \$30,000, and possibly as much as \$40,000.

Cousy, a former Holy Cross All-American who signed his 10th contract with the National Basketball Assn. champion Celtics Monday, was to be paid on a sliding scale based on attendance according to owner Walter Brown.

Asks Trial Date
Set For DeLong

In the state of Indiana vs. Larry Dean DeLong, on a reckless driving charge, Hubert R. McClenahan entered an appearance for the defendant, requesting that the trial date be set for Sept. 24 at 9:30 a.m. in mayor's court.

The attorney made the appearance Monday morning, the date slated for the hearing on the charge, which involved the driver of the vehicle in which an Ohio youth, Howard Shaw, was fatally injured last month on the Monmouth road, north of Decatur.

Julius Boros Wins
Dallas Open Title

DALLAS, Tex. (UPI) — Julius Boros packed his tournament clubs for the last time in 1959 today and headed home to Fort Lauderdale, Fla. with the \$3,500 check representing the Dallas Open golf tournament championship.

"I'm through for the year," the stoical New Englander said as he walked away from the 18th green Monday still not sure whether he had won or whether Bo Wininger of Odessa, Tex., or Jon Gustin of Gladwyne, Pa. would catch him on the final holes. They didn't quite make it, and Boros' final round 33-37-70 and 274 total stood up for the eighth title of his 10-year career.

Boros' shaky final round, marred by miserable putting, squeezed him home in front by one stroke over Wininger, Dow Finsterwald of Tequesta, Fla. and host pro Earl Stewart, Jr., who wound up at 275—worth \$1,866.66 each.

Gustin, who had started the final round tied with Boros for the lead, blew his chances with a double bogey on the seventh hole and bogeys on the eighth and 18th holes. He wound up with a 36-36—72 and a 276 total worth \$1,300.

Increased Interest
Rates Hurt Farmers

When questioned on the effects of the new increased interest rates on farm loans, John Raber, president of the Indiana Farmers Union said:

"It is simple arithmetic. Farmers in Indiana are mostly hog farmers. Last year, hogs were selling for \$25 a hundred, and the interest rate was 5 per cent. Now, hogs are averaging \$13, and the interest rate is 8 per cent. This means that last year a loan of \$100 from the bank would cost the farmer only 20 pounds of pork. Today, that same \$100 will cost him 61½ pounds of pork."

Hungarian Soldiers
Defect To Austria

EISENSTADT, Austria (UPI) — Austria today was considering a request for political asylum from two Hungarian border soldiers who fled their Communist-dominated homeland Sunday. Austrian police identified the refugees as Silvan Loerenz and Joseph Sandor and said they crossed into Austria near Nikitsch.

Favor Purdue,
Wisconsin In
Big Ten Race

CHICAGO (UPI) — Experienced depth and some good quality performance make Purdue and Wisconsin the teams to beat in the Big Ten football race this fall.

Wisconsin was second to champion Iowa last year, losing only to the Hawkeyes and tying Ohio State, and Purdue was third, losing only to Wisconsin and tying Ohio State and Indiana.

This year Iowa and Ohio State have serious problems, while the Badgers and Boilermakers need to solve only minor matters to scrap for the top rung.

Wisconsin's Coach Milt Bruhn is concerned about his end strength due to loss of both Dave Kocurek and Early Hill, but Henry Derleth surprised at one flank last season, and he's back. The entire first team backfield, Ron Steiner, Bob Zeman, Eddie Hart and quarterback Dale Hackbart, perhaps the best in the league, returns. So do tackles Lowell Jenkins, Jim Heinke and Dan Lanphear. Center and one guard spot might be uncertain.

Iowa's Quarterback Problem

Purdue has a standout backfield too, with fullback Bob Jarus the star. Quarterback Ross Fichtner and halfback Clyde Washington also return. In the Ron Maltony Sam Joyner, guard line center and Dick Brooks will spark the first unit. Last year Coach Jack Mollenkopf platoonned two very nearly equal teams, and by this season he'll reap the harvest.

Iowa's major problem is at quarterback, where Olen Treadway, a rarely used understudy for two seasons, must take over. If he succeeds, the Hawkeye will be "better than expected. Coach Forest Evashevski has two of his speedster halfbacks returning Ray Jauch and Bob Jeter, fullback Don Horn, and standout ends Curt Merz, Don Norton and Jeff Langston. But his interior line will be smaller with less depth.

Ohio State will be big at every position with speed at some. Jim Houston was one of the nation's best ends last year and Bob White an All Star fullback. In the line Coach Woody Hayes keeps such giants as tackles Jim Tyrer and Birthe Arnold and guards Ernie Wright and Oscar Hauer. But his halfbacks and the tentative quarterback, Jerry Fields, are uncertain qualities, and Hayes as usual, can't quite believe he'll find the replacements he needs at other positions.

Big Line at Illinois

Northwestern and Illinois, in Coach Ray Eliot's last season, could bid for the top berth. The Wildcats, under Coach Ara Parseghian, will have more depth than usual and more size. Among the stars will be quarterback Dick Thornton, halfback Ron Burton, center Jim Andreotti, and tackle Gene Gossage. But the Wildcats last season lost to Wisconsin, Iowa, Purdue and Illinois, and whether there's enough improvement overall to handle the same quartet again is questionable.

Illinois will have one of its biggest lines ever with tackles Cliff Roberts, Joe Rutgens and Don Yeazel and guard Bill Burrell. But since Rich Kreitling joined the pros, the end situation has been a problem. Either John Easterbrook, despite his scanty height and weight, or Bob Hickey will be the quarterback, with Marshall Starks and Joe Krakoski likely to be driving halfback.

None of the other four teams, Michigan State, Michigan, Minnesota or Indiana, figure for the first division, and if any one of them improves greatly, sophomores will have to do the job. The Spartans perhaps have the best chance since halfback Blanche Martin, sidelined by injuries last season, returns, and Coach Duffy Daugherty will have some big boys and some good speed.

Michigan, with new Coach Bump Elliott will have to get some backfield strength to help Brad Myers and depth at every position. Minnesota will have its usual giants, but it'll have its usual problem in speed too, unless Coach Murray Warmath decide to risk inexperience in his rookies to speed up his club. Indiana, despite its best record in a decade last season, has only one interior lineman returning, and Coach Paul Dicken will have his troubles filling the holes.

"Oh, nothing... You always come to me, so I figured I owe you a visit!"

Fort Worth Enters
Finals Of Playoff

Fort Worth romped into the playoff finals of the American Association Monday night by blistering Louisville, 8-3, for its fourth straight win over the loop's No. 1 club.

The Cats slammed across six runs in the fifth inning to complete their sweep of the best-of-seven semifinals.

Omaha's 18-year-old Ray Sadecki blanked Minneapolis on three hits, 7-0, to even that semifinal series at two games each.

In regular season play, Louisville topped the eastern division with the best record in the league. Fort Worth placed second in the western division and posted the worst record among the four clubs in the playoffs.

But all that meant nothing Monday night as the Cats tied the game, 2-2, in the fourth, then broke loose in the fifth on home runs by Bob Will and Moe Thacker. Starter Joe Schaffernoth took the win, although he needed help from Mo Martin in the seventh.

Sadecki struck out 12 Miller batsmen and issued eight walks, but was helped out by three double plays. The strong lefthander also drove in a run on a sixth-inning double.

Carl Braun Signs
With Knickerbockers

NEW YORK (UPI) — Carl Braun has signed for his 11th season with the New York Knickerbockers of the National Basketball Assn. Braun, 32, needs only 335 points to become the 10th player in NBA history to score 10,000 points during his career.

Braves Defeat
Dodgers, Game
Out Of Lead

By MILTON RICHMAN
United Press International
Milwaukee is making a stretch run—and it's a sizzler—so Bill Rigney may be right when he says "it's liable to be another one of those photo finishes."

The Braves apparently have no intention of taking down the flag, symbolic of the National League championship, that has flown over County Stadium the past two years.

They won their eighth game in the last nine and climbed within a game of Rigney's pace-setting Giants by defeating the Los Angeles Dodgers, 4-1, Monday night after Cincinnati beat San Francisco, 4-1, in the only other N.L. scheduled contest.

Buhl Kills Dodgers

Bob Buhl, a Dodger-killer from way back, licked them for the fifth time in six decisions this year even though he needed Don McMahon's help in the ninth. Buhl hurled a three-hitter for his 13th win of the season and he now owns a 20-8 lifetime record over the Dodgers.

Dutch Dotterer, Cincinnati's second-string catcher, proved San Francisco's undoing. Dotterer singled runs across in the fourth and sixth innings after taking over for Ed Bailey in the second inning. Johnny Antonelli failed in his second attempt to nail down his 20th victory.

Hockey Season To
Open October 7

MONTREAL (UPI) — The National Hockey League's 43rd season will open Oct. 7 with the New York Rangers playing the Chicago Black Hawks at Chicago, it was announced today by the league office.

Following the New York at Chicago opener, the defending champion Montreal Canadiens will be host to the Boston Bruins the following night. And all six teams will be in action Oct. 10 as the Detroit Red Wings visit Montreal. New York is at Boston and Toronto entertains Chicago.

4½ games when they dropped a 3-3 decision to the Red Sox while the Indians beat the Yankees, 8-5. Baltimore topped Kansas City, 9-4, and Washington beat Detroit, 5-0.

Bosox Rout Donovan
The Red Sox routed Dick Donovan with a six-run rally in the sixth inning that kept the White Sox' pennant clinching "magic number" at six. Boston overcame a 2-0 deficit during the big sixth with a rally comprised of five walks and four singles, including one by pinch-hitter Ted Williams.

Cleveland clinched second place and kept its faint pennant hopes alive with its victory over New York. Cal McLish scored his 18th triumph although the Yankees routed him with a too-little, too-late five-run rally in the ninth.

Bob Nieman bated in four runs with his 21st homer and a single as the Orioles climbed within a game of fourth place by beating the Athletics.

Tex Clevenger, a former reliever promoted to a starter, limited the Tigers to four singles in gaining his eighth victory for the Senators. Big Jim Lemon slugged his 32nd homer.

What About The Light Question?

Several people have asked us, the Republican candidates, what is our position in regard to the sale of the Light Plant.

Our answer is that WE WILL ABIDE BY THE VOTE OF THE PEOPLE ON THIS QUESTION, and if elected will carry out the wish of the people as expressed on November 3, 1959.

First of all, we regret that the present administration saw fit to make a political issue out of this question—however, we ask the people to remember that on November 3, 1959 you THE PEOPLE choose your officers for the next four years, AND also vote the second time as to whether or not to sell the light plant to Indiana & Michigan.

BOTH QUESTIONS WILL BE DECIDED ON NOVEMBER 3, 1959.

If we are elected, we would not take office until January 1, 1960—and the light issue WILL ALREADY HAVE BEEN DECIDED.

HOWEVER, WE DO PROMISE—THAT IF ELECTED:

1. TO CARRY OUT THE DESIRES OF THE VOTERS AS EXPRESSED on November 3, 1959 in regard to the sale.

a. If the majority of the voters, vote to sell, we will carry out their desires AND SEE THAT THE MONEY IS PROPERLY UTILIZED.

b. If the majority of the voters vote to retain the plant, WE WILL MAKE EVERY EFFORT TO OPERATE THE PLANT EFFICIENTLY AND ECONOMICALLY, with possibility of purchasing power, increasing voltage and improving service.

WE BELIEVE IN GOVERNMENT OF THE PEOPLE, BY THE PEOPLE, AND FOR THE PEOPLE and shall abide by the VOTE as expressed by the people on November 3, 1959.

Sincerely,

Donald P. Gage—for Mayor

Curtis P. Jones—for Clerk-Treasurer

Robert L. August—for Councilman, 1st District

C. Edward Deltsch—for Councilman 2nd District

TRUCKS THAT DO THE NEXT BEST
THING TO PAVING EVERY ROAD
IN AMERICA!

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.
