We cordially invite all of the people of this area to visit us in our new location. We want you to see our new plant and office. We want to show you the many different processes we use to assure the users of our service the softest and purest water there is obtainable in Decatur, today. Look over the all new electronic, automatic, regenerating equipment we have installed to make certain that every tank is regenerated for top efficiency. See the large semi-wet salt storage tank . . . and other equipment in our new building. Stop in Saturday . . . drink a Pepsi-Cola . . . look around . . . ask questions . . . register for a free prize.
