

# Chicago White Sox Win First Flag In 40 Years; Braves Leading National

By MILTON RICHMAN  
United Press International  
The Chicago White Sox are "in" and the neighboring Milwaukee Braves may be joining them soon to set up modern-day baseball's closest approach to the old-time nickel World Series.

It costs only \$2.31 (tax included) to travel by bus from Chicago to Milwaukee, about 85 miles away, and that path looks more and more like the one fans will be shutting on during World Series time.

The White Sox did their part by clinching their first American League pennant in 40 years with a 4-2 victory over the Indians Tuesday night, and the Braves took a big step in the same general World Series direction when they defeated the Pirates, 5-3, to move a full game ahead in the National League.

There were several standouts in the White Sox' clincher. Al Smith and Jim Riva supplied the muscle with sixth inning homers. Early Wynn, who won his 21st game, and Bob Shaw held the batting Indians in tow over the first 8½ innings. Then when Cleveland loaded the bases in the ninth, sinkerballer Gerry Staley sauntered in from the bullpen, delivered one pitch and got Vic Power to hit into a game-ending double play.

**Left Club As Manager**  
It was a sweet triumph for Al Lopez, who had finished second the past four years, twice as manager of the Indians and the last two years with the White Sox. But it was a bitter defeat for Joe Gordon of the Indians, who officially left the club as manager the instant the final out was made. Pitching coach Mel Harder will lead the Tribe in their remaining four games.

The Braves' victory over the Pirates moved them a game ahead of the Dodgers and two in front of the fading Giants. The Cardinals knocked the Dodgers out of a first-place tie by beating them, 11-10, and the Cubs downed the Giants, 5-4. The Phillies swept a two-nighter from the Reds, 3-1 and 3-2.

Southpaw Juan Pizarro, credited with his sixth victory, helped the Braves as much with his bat as he did with his pitching arm. Ordinarily a weak hitter, Pizarro blooped a two-run double just inside the left field foul line to highlight a three-run seventh inning rally against loser Harvey Had-dix.

Pizarro yielded only six hits during the eight innings he worked and Don McMahon yielded two more in the ninth. Del Crandall hit his 21st homer for Milwaukee, which now can clinch at least a tie for the pennant by winning three of its four remaining games.

The Dodgers went down fighting. Rookie Frank Howard's pinch three-run homer in the ninth drew them to within one run of the Cardinals but reliever Lindy McDaniel got Junior Gilliam on an infield out to wind up the struggle. Walt Alston tried everything, in-

cluding nine pinch hitters, which set a major league record.

**Smith Gets Grand-Slammer**  
Hal Smith hit a grand-slam homer in the first inning and Curt Flood hit a two-run homer in a five-run third inning rally by St. Louis. Gil Hodges homered with one on for the Dodgers.

Rookie George Altman's two-run homer with two out in the ninth sunk the Giants. Altman's game-winning homer came off the Giants' 20-game winner, Sam Jones, who was working in relief. Jim Marshall also hit a two-run homer for the Cubs. Reliever Don Elston scored his ninth victory. Jim Owens won his 12th game for the Phillies when he stopped the Reds on six hits in the open-er and winner Humberto Robinson and Jack Meyer combined to hold Cincinnati to three hits in the nightcap.

In the American League, the Yankees beat the Senators, 8-4; the Red Sox nipped the Orioles, 4-3, and the Tigers topped the Athletics, 6-4.

Art Ditmar checked the Senators on six hits in gaining his 13th win for the Yanks. Five Washington errors helped New York to four unearned runs.

Pete Runnels' triple and Dick Gernert's single in the seventh inning broke a 3-3 tie between Boston and Baltimore. Frank Sullivan was the winner and Skinny Brown the loser.

Harvey Kuenn's three-run homer powered Detroit to its victory over Kansas City. Jim Bunning hurled 5½ innings, enough to earn him his 17th victory. Rookie Ken Johnson was the loser.

## Pro Football League Opens Play Saturday

By EARL WRIGHT  
United Press International

The Baltimore Colts, defending National Football League champions, are 9½ point favorites to defeat the Detroit Lions Sunday when they begin defense of the Western Division title in the Maryland city.

The New York Giants, defending Eastern Division champions, are three-point underdogs for their season opener with the Rams in the Los Angeles Coliseum Saturday night.

The Cleveland Browns also begin their campaign Saturday night. Coach Paul Brown's Cleveland Club, which has won Eastern honors seven times in nine seasons since entering the league, is a three-point choice to down the Steelers at Pittsburgh.

The Chicago Bears, Chicago Cardinals and San Francisco 49ers are favored in Sunday's other openers. The Bears are favored over the Packers at Green Bay by 6½ points. The Cardinals are favored over the Washington Redskins by four at Chicago. The 49ers are two-point choices for their game with the Philadelphia Eagles at San Francisco.

The Rams-Giants game Saturday night will be nationally televised (CBS) at 11:15 p.m. e.d.t.

This clash will pit the Los Angeles offensive unit, probably the league's fastest, against a New York defense that allows fewer points than any other NFL club last season.

Jimmy Orr and Jack McLaren, Pittsburgh's No. 1 offensive ends, are nursing leg injuries. Jack Butler, Pittsburgh's all-league defense back, has a sprained ankle. Mike McCormack, Cleveland's captain and offensive right tackle, is recovering from a knee injury. Chuck Howley, Chicago Bear linebacker, is sidelined with a knee injury. Ed Henke, San Francisco defensive end, is out with a similar injury and Jim Pace, one of the club's most promising young offensive backs, is out for the season with a bad knee.

## All-Night Victory Jag By White Sox Backers

CHICAGO (UPI)—The victory jag went on all night and into the dawn in the horn-blowing, siren-sounding Windy City today.

From the "world's busiest corner" at State and Madison, where some young celebrants were ushered into a paddy wagon, to the far suburbs an beyond, this was the day to remember.

This was the proud day after the glorious night when the go-go Sox brought the American League pennant, the first in 40 long years, to the folks back home. A few of the oldest remembered that the last one was garnered by a team which later became the "Black Sox," but who cared about that gone 40 years ago?

The cork popped, emotionally and physically, at 10:43 p.m. e.d.t. Tuesday night, when the Sox clinched the pennant at Cleveland.

Out came Chicagoans, from the bars and homes and clubs where they had clustered by radios and watched TV screens. The glare of headlights brightened the streets.

Champagne bubbled in the far north suburbs. Beer cans and bottles were waved aloft on the South Side, where some old folks could recall how that some members of that former pennant-winning team threw a World Series to Cincinnati back in 1919, and where the old and young alike had waited for someone like "Nellie," "Looie," and their mates to come along and bring in another pennant.

Capt. Thomas Lyons of the police uniformed force called out his men in various emergency plans to control traffic, around Comiskey Park where the fans in their jubilation almost threatened property destruction; in the Loop, where there were impromptu parades to keep moving; around Midway Airport, where the Sox were to alight from Cleveland.

Through the Loop, past Marshall Field's down the brightly lighted State Street, along Michigan Boulevard and the lake front, the young people screamed along in their cars, some of them loaded over the roofs.

## Commodores Schedule Changes Announced

Changes in the Decatur Commodores' baseball schedule were announced today by Coach Al Lindahl. The Commodores have three games remaining on their fall schedule.

The Commodores meet the Hartford Gorillas at the Berne diamond Thursday afternoon, entertain the Geneva Cardinals at McMillen field next Monday at 4 o'clock, and close the season at Adams Central Thursday, Oct. 1.

## Monroe Town Board To Be Democratic

Monroe will have a Democratic town board and clerk again for the next four years, as the Republicans did not file any nominations, but an election will have to be held to satisfy the law, it was learned here today.

Paul Lobsiger, who has served the past four years on the board, is running for reelection, as is Arthur Moeschberger, the town clerk-treasurer. Paul Zuercher, president of the town board, is not running for reelection, and Orval Neuschwander is running for reelection, and Kenneth Hoffman is replacing him on the ballot.

The Monroe election will be held on the regular election day, and the town clerk is in charge of the election, which is not held under the jurisdiction of the county clerk and county election board.

## Five Boxing Figures Under FBI Arrest

WASHINGTON (UPI)—Frankie Carbo, notorious underworld boss of boxing, and Truman K. Gibson Jr., the fight game's top promoter are under FBI arrest today, along with three other boxing figures, in an unprecedented federal crackdown on prizefight corruption.

They are charged with trying to "muscle in" on the earnings and career of welterweight champion Don Jordan with threats of violence in the 10-count indictments against each.

Others arrested in the FBI roundup were Frank (Blinky) Palermo, well known Philadelphia boxing manager; Joseph Sica, a Los Angeles sports promoter; and Louis Tom Drana, described as a West Covina (Calif.) bookmaker.

In addition, William Daly, fight manager of Englewood, N.J., was named as a co-conspirator but not as a defendant.

If the five indicted are found guilty they face long prison terms or heavy fines, or both.

Announcing the arrests Tuesday night, the Justice Department said the roundup was part of a drive against underworld infiltration into the sport.

The indictments were handed down by a federal grand jury at Los Angeles Tuesday.

Fifty-five-year-old Carbo, whose hoodlum career since the age of 11 has been highlighted by three murder charges and one manslaughter conviction, was arrested in his room at Johns Hopkins Hospital in Baltimore. Acquaintances

He is entertaining some 500 GOP leaders at three regional conferences and is picking up the tab after dangling his formidable patronage in the faces of the party chiefs.
