NEW! incomparable
diamond beauty

Evening Star by **Artcarved**

The most dramatic diamond ring style
in over 50 years

The new, incredibly beautiful EVENING STAR by Artcarved is unlike any ring you've ever seen before. An entirely new styling frees the diamond from the bonds of ordinary settings.

In EVENING STAR your diamond seems to float on your finger, surrounded by an aura of fire — gathering and reflecting brilliance everywhere. This rare "all around radiance" gives an indescribably beautiful effect that makes a smaller diamond assume much greater brilliance and importance.

EVENING STAR, like all Artcarved diamond rings, is guaranteed for lasting diamond value by Artcarved's amazing Permanent Value Plan. Come in today. EVENING STAR will capture your heart the moment you see it.
