Cincinnati And Villanova Sole Major Unbeatens

By FRED DOWN
United Press International

And now there are two—Cincinnati and Villanova.

They stand alone as the nation's only major unbeaten college basketball teams after Syracuse's 91-84 double overtime upset Wednesday night ended LaSalle's nine-game winning streak. Texas A&M, which started the week as a fourth major unbeaten, was whipped Tuesday night by Southern Methodist.

But Cincinnati and Villanova—both of which have tough schedules this week—kept rolling with relative ease.

Cincinnati, the nation's top-ranked team, led by only five points at halftime but roared to its 13th straight victory with a 79-57 conquest of 10th-ranked St. Louis. Oscar Robertson was held to 27 points, far below his 38.2 per game average, but poured in 19 during the second half when the Bearcats solved St. Louis' sticky slow-down game.

Wildcats Win 10th
Villanova stretched its winning streak to 10 games as John Driscoll and George Raveing controlled both backboards against the smaller Temple Owls in an 81-69 victory.

Syracuse (6-2) pulled out a sensational triumph over LaSalle in the nightcap to the Villanova-Temple game at Philadelphia's Palestra on the strength of eight points by 5-10 senior Ed Goldberg in the second overtime period. Goldberg and Dick Conover led Syracuse with 21 points each.

Third-ranked West Virginia ripped Virginia, 102-81, averaging a 75-72 upset last season, fifth-ranked Bradley downed Drake, 84-58, and sixth-ranked Georgia Tech scored an easy 80-64 triumph over Georgia for its 12th win in 13 games.

Don Carter In Key Position In All-Star

OMAHA, Neb. (UPI)—Don Carter, whose comeback heroics are becoming traditional, was in a key position today to win his fifth National All-Star Bowling tournament.

As the last half of the four-day finals opened this afternoon, the blond bomber from St. Louis was in second place just a hair's breadth behind defending champion Billy Welu.

Carter, who staged a major rally to win the World Invitational Bowling tournament at Chicago last month, climbed from 123rd place to make the finals of this tournament.

Then, he started the finals in so-so fashion.

He won nine of his first 20 games and was in 12th place Tuesday. But he was victorious in 10 of the next 12 games, and wound up Wednesday's firing just 22 pins behind Welu, who is also from St. Louis.

Welu has won 20 games, lost 11 and tied one while chopping down 6,785 pins for 156 Petersen points and a 10-pin carryover. Carter stood 155-38 on 19 wins, 13 losses and 6,813 pins.

Dark-haired Sylvia Wene of Philadelphia, who fired a 300 game during the qualifying rounds, was 36 pins up on Shirley Garmes, Palatine, Ill., at the head of the women's division.

Miss Wene, who won the tournament in 1955, had 72 Petersen points and 40 surplus sticks, while Mrs. Garmes, whose best finish in the All-Star was second in 1952, stood at 72-04.

Les Bingaman Named As Assistant Coach
DETROIT (UPI)—Les Bingaman, a Gary, Ind., native and the heaviest player in Detroit football history, was named assistant coach of the Detroit Lions Wednesday.

Bingaman, 34, weighed up to 350 pounds during his seven seasons with the Lions. He perennially was named the outstanding middle guard in the National Football League.

The Hoosier pro played his college football at the University of Illinois. He retired from pro ball after the 1954 season and operated a bar and restaurant here for the past several years.

Named Alternates In All-Star Game

NEW YORK (UPI)—Tom Gola of the Philadelphia Warriors and Win Wilfong of the Cincinnati Royals were made available as emergency alternates Wednesday for the National Basketball Assn.'s East-West All-Star game in Philadelphia Jan. 22.

False Fire Alarms Are Investigated

ANDERSON, Ind. (UPI)—A 13-year-old boy was held for investigation in connection with eight false fire alarms turned in in Anderson Monday and Tuesday nights, five of them in a one-hour period.

Frank Thomas Signs Contract With Cubs

By United Press International
Frank Thomas, obtained in a trade with the Cincinnati Reds last month, hopes to enjoy a new lease on life with the Chicago Cubs this year.

The slugging outfielder-infielder revealed he had three personal goals—to shoot at after he signed his 1960 contract Wednesday with the Cubs. He said he is aiming at a .300 batting average, 25 to 30 home runs and at least 100 runs-batted-in.

Thomas approached or surpassed all those figures with the Pittsburgh Pirates in 1958 when he hit a career high of 35 homers, knocked in 109 runs and finished with a .281 batting average. However, with the Reds last season he hit only .225 in 106 games, collected 12 homers and had 47 rbi's.

Although Thomas was hampered by an injured hand in 1959, the Reds apparently gave up on him and traded Frank to the Cubs for three players—outfielders Lou Jackson and Lee Walls and relief pitcher Bill Henry.

Thomas underwent an off-season operation on his injured hand and now believes he should regain his best form with the Cubs.

The Cubs also announced the signing of outfielders George Altshuler and Art Schult and catcher Sammy Taylor, bringing the club's list of satisfied players to 22.

The St. Louis Cardinals, who generally lead the majors in the winter-time signings, corralled Bob Miller and Jim Donohue, a pair of right-handed pitchers.

However, they were only the 11th and 12th players to sign with the Cards thus far this year.

Miller won four of seven decisions with St. Louis late last season after being promoted from Rochester, where he had an 8-12 mark. Donohue posted an 8-7 record with Omaha of the American Assn.

College Grid Coaches Hail Rules Change

By TIM MORIARTY
United Press International

Although some of its members continued to pine for a revival of the platoon system, college football's coaching fraternity today hailed the liberalized "wild card" substitution rule as "a step in the right direction."

Only Joe Kuharich of Notre Dame publicly accused the NCAA Rules Committee of being "short-sighted" after it voted Wednesday to permit a single player to enter a game at any time, even while the clock is running. Under the old rule, a single player could be substituted only during a time-out and provided he had not used up his allowed two entries per quarter.

"I personally feel that you are hurting the game by not allowing unlimited substitution," said Kuharich. "It is shortsighted of the Rules Committee not to make the move now. Eventually it has to come."

May Change Rule Later
Ben Schwartzwalder of Syracuse indirectly answered the Irish coach by declaring that the new rule "will give coaches a flexibility that will help improve the game" and is "better than the stamped substitution which would result if unlimited substitution were brought back."

Woody Hayes of Ohio State and Milt Bruhn of Wisconsin admitted they would have favored a return to platoon football but, unlike Kuharich, they apparently agreed that half a loaf is better than none.

"I am somewhat disappointed that they didn't return to platoon football but the action they took is a step in the right direction," Hayes said.

Sees Some Help
"The new rule will help a little but I'd rather have free substitution," Bruhn declared. "It will be similar to last year, but we won't have to worry about the clock."

Ralph Dupas Wins Over Kenny Lane

MOBILE, Ala. (UPI)—Ralph Dupas is looking for "bigger game" among the welterweights while Kenny Lane is "goin' back to the little feelas" among the lightweight.

This sums up the future plans of the two fighters after Dupas (144½) scored a unanimous decision over Lane (141) in Wednesday night's televised 10-round bout at the Fort Whiting Arena.

"I want Luis Rodriguez next," said Dupas, referring to the top-ranking welterweight contender from Cuba, "and then champion Don Jordan."

"I just can't go against these boys," conceded Lane. "I'm too slow at this weight to be at my best and I can't spot good welterweights 10 pounds. So I'll just have to start chasin' lightweight champ Joe Brown."

Dupas of New Orleans sliced up Lane like 50-cent hamburger in the first three rounds and then beat off the late flurries of the Muskegon, Mich., battler.

Judge L. C. Lyman had Dupas ahead, 47-43. Judge Charles F. Oberkirch scored it 47-45 and Referee Tommy Baker had it, 48-47. The United Press International also had Dupas ahead, 47-45.

Other comment:
Bill Barnes, California — "It will eliminate some coaching from the sidelines... and it might make it more exciting, too."
Rip Engle, Penn State: "This should eliminate coaching from the sidelines, but I don't think many coaches will use an errand boy to rush in plays on every down as some pro teams do."

Plan Shoot Sunday At Indoor Range

The best trained dog in northeastern Indiana belongs to a Decatur woman, according to Allen county sheriff Custer Dunlop, who served as judge for the Fort Wayne dog obedience training club graduation ceremonies this week.

Mrs. Charles Kent, of 311 N. Ninth street, is the owner of Topper, a miniature poodle, who topped the 38 entrants in the qualifications. Topper, who is 18 months old, tallied 187 out of a possible 200 points in the scoring to take the gold cup for obedience.

Lincoln 7th Grade Winner Over Berne

Lincoln school seventh grade defeated the Berne seventh graders, 29-25, Wednesday afternoon. Decatur led at the first quarter, 9-7, the teams were tied at 13-13 at the half, and Decatur was in front at the third period, 21-17. Minch led Decatur with 10 points, and R. Ininger topped Berne with 13.
