Ray Robinson To Seek Early KO Of Pender

BOSTON (UPI) — Colorful Sugar Ray Robinson, still a glory-hunter in the sunset of his career, says he'll try for a quick, spectacular knockout tonight over challenger Paul Pender in the first defense of his disputed middleweight championship in 22 months.

"I gotta do it quick and impressively," said 39-year-old Ray, "to prove that I'm still the real world champion."

The Harlem hotshot is favored at 5-1 to beat 29-year-old Pender of suburban Brookline in their scheduled 15-round fight at the Boston Garden.

Stamina May Be Gone
Few give the rangy, dark-haired Irish challenger any chance against the once-great Robinson, who still carries a bomb in each fist but whose legs and stamina may be gone because of age and inactivity.

Nevertheless, the ticket sale caused promoter Sam Silverman to expect 12,000 fans and a gate of \$125,000. In addition, Silverman said, the TV-radio money is \$100,000.

The bout, in which Pender will be attempting the 15-round distance for the first time, will be televised and broadcast nationally by NBC at 10 p.m. e.s.t. There'll be a TV blackout within a 100-mile radius.

First Defense Since '58
Sugar Ray expects a purse of about \$120,000; Pender, about \$35,000. Paul's previously highest purse was \$6,000.

It's Robinson's first defense since he recaptured the 160-pound title from Carmen Basilio at Chicago on March 25, 1958. Because of Ray's long delay in defending, the National Boxing Assn. vacated his crown May 4. However, he's still recognized as world champion in New York and Massachusetts.

Gene Fullmer of West Jordan, Utah, is now recognized as champion by the NBA; and Robinson hopes that an impressive victory over Pender tonight will force a title-clearing fight with Fullmer at New York, May 16.

Bradley Meets Notre Dame In Clash Tonight

By United Press International
The fourth-ranked Bradley Braves, bolstered by their upset victory over Cincinnati last week, take on Notre Dame tonight in one of two games involving top 10 teams.

Utah's No. 7 Redskins host Skyline Conference rival Brigham Young in the other encounter.

Bradley handed top-rated Cincinnati its first defeat of the season and moved into a first place tie with the Bearcats in the Missouri Valley Conference by making the Oscar Robertson crew the 31st straight home court victim.

Bradley, seeking to top its 25-4 mark of last season, is a top choice to make the 17th ranked Irish of Notre Dame "lucky 13" in 14 starts. The South Benders are looking for their 12th triumph in the Chicago Stadium game.

Notre dame has dropped four games.

Utah (13-2), the nation's No. 6 team in offense with an 83.4 scoring average, strives for the runner-up slot in the Skyline Conference. The "Skins" are currently tied with Colorado State University at 3-1, with Utah State leading the circuit with a 3-0 mark.

Four of the country's first 10 see action Saturday, with Cincinnati (13-1) meeting Duquesne (4-7) at Pittsburgh, fifth-ranked Ohio State (11-2) visiting Purdue (7-6) at Lafayette, Ind., in a Big Ten game; sixth-ranked Georgia Tech (13-2) hosting Tennessee (7-5) at Atlanta, Ga.; and Villanova (11-1), No. 9, playing Pennsylvania (6-7) at Philadelphia.

Bowling Sweepstakes To Open February 1
The annual Bowling Sweepstakes, with proceeds going to the March of Dimes campaign in Adams county, will open Feb. 1, it was announced today, and continue throughout the month.

The bowling event is usually held during January in conjunction with the annual polo drive, but arrangements could not be completed in time to conduct the campaign this month.

Robert Dedolph is chairman of the 1960 Sweepstakes, aided by Gary Schultz, former chairman, now president of the Decatur bowling association.

This year's event is being underwritten by the First State Bank, which will present the championship trophy, and also contribute to the prize money. Bowlers may enter the sweepstakes any number of times, with the fee of \$1 each time, with 50 per cent of the receipts returned in prize money.

Two-thirds of the receipts must go to the March of Dimes, under ABC rules, and the banking institution will contribute funds to make the 50 per cent return to bowlers.

Bowling alleys in Decatur and Berne will participate in the Sweepstakes.

Football Loop In Deadlock Over New President

MIAMI BEACH, Fla. (UPI) — An Eastern bloc that has steadfastly prevented the election of Marshall Leahy as National Football League commissioner offered a compromise proposal today that Austin Gunesel be given the job on a one-year "trial" basis.

If this move failed, it appeared unlikely that the bickering owners could decide upon a successor to Bert Bell during the present meeting. In that case, Gunesel would continue to serve as interim head of the NFL for another year.

Art Rooney, president of the Pittsburgh Steelers, said he would propose the election of Gunesel on a short-term basis when the owners reconvene today.

George Preston Marshall of the Washington Redskins, Carroll Rosenbloom of the Baltimore Colts and Frank McNamee of the Philadelphia Eagles were the other owners behind Gunesel.

George Halas of the Chicago Bears, who has abstained from voting in the last several ballots of this strife-torn election, originally was a Gunesel backer. There were reports that Mrs. Walter Wolfner, president of the Chicago Cardinals, was ready to join the Gunesel camp in an effort to resolve the two-day stalemate.

Nine votes were necessary for the election to the office held by Bert Bell from 1946 until his death last Oct. 11.

Leahy, the home-loving, 49-year-old San Francisco Forty-Niners' attorney, had six or seven votes on the 14th or 15th ballot, depending upon varying sources in this most confused of NFL meetings.

East Favorite In Star Game Tonight
PHILADELPHIA (UPI) — The presence of Philadelphia rookie Wilt Chamberlain and Boston veteran Bob Cousy made the East team a heavy favorite to defeat the West tonight in the 10th annual All-Star game of the National Basketball Assn.

The East, already holding a 6-3 edge in the classic, will also field Syracuse's Dolph Schayes, who recently topped the 15,000-point mark; Philadelphia sharpshooter Paul Arizin and New York's Richie Guerin.

Red Auerbach, the Celtics' coach, will pilot the East team, while the Westerners will be master-minded by Ed Macauley, coach of the St. Louis Hawks.

The West's starting lineup will feature Bob Pettit of St. Louis and Jack Twyman of Cincinnati up front; Walt Dukes of Detroit and Dick Garmaker of Minneapolis in the backcourt.

Discuss Schedule
PHILADELPHIA (UPI) — National Basketball Assn. club owners, meeting in conjunction with the All-Star game, today discussed a schedule and player pool for new-entry Chicago and a pension plan for NBA players.

Max Winter, former general manager of the Minneapolis Lakers, who holds the Chicago franchise, went into a huddle with the NBA leaders over making a Windy City entry a reality in the league.

Los Angeles appeared short-circuited once more in its bid for an NBA franchise. Leo Corbissier was left cooling his heels for the third straight year in his efforts to gain Los Angeles representation in the NBA.

Faulkner Named As An Assistant Coach
LOS ANGELES (UPI) — Jack Faulkner, top assistant to Coach Sid Gillman with the Los Angeles Rams, today was signed as his former chief's assistant with the Los Angeles Chargers of the new American Football League.

The low death record this week reminded safety officials of the Monday-through-Saturday period from April 7 to 12 in 1958. During that six-day period, there were four deathless days and the death toll during the two remaining days totaled four.

Knight, Littler Lead Crosby Open

PEBBLE BEACH, Calif. (UPI) — It's man against the elements as the second round of the \$50,000 Bing Crosby Clambake got underway today on three storm-plagued golf courses.

As the lads teed off, hoping for something better than the rain and 50-mile-an-hour winds they had Thursday, two men were in the drivers' seats — Gene Littler and Dick Knight.

Surprisingly, both lads are from San Diego where bad weather is just something that happens someplace else.

Knight and Littler, with the benefit of playing on the slightly wind-protected Monterey Country Club course Thursday, had five-under-par 67s—and that was three strokes better than anyone else in the field.

There were three other Californians at 70—Paul O'Leary, Ken Venturi and Tommy Jacobs. And six men at 71. But after that the scores sky-rocketed all out of proportions, with some fine professionals shooting in the 90s.

The great shotmakers of the world had their troubles. National Open champion Billy Casper had a 74. National PGA champ Ed Furgusson had a whopping 84. Former National Open champion Dr. Cary Middlecoff and Lloyd Mangrum each had 77.

Former Vincennes Football Coach Dies
VINNENNES, Ind. (UPI) — George E. Inman, 54, head football coach of Vincennes high school for 15 of the 26 years he served on the school's coaching staff, died today.

Inman had been ill for two years. A graduate of Indiana Central College, he came here in 1930. After retiring as a coach in 1956, he continued on the faculty as a history teacher.

Leo Durocher Urges Pay Hike To Umpires
HAVERHILL, Mass. (UPI) — Leo Durocher, who earned the nickname "Lippy" through more than 25 years of umpire-baiting as a major league player and manager, Thursday night switched sides and labeled the arbiters' salary scale "disgraceful."

Durocher, speaking at the annual Haverhill Journal baseball dinner, said, "umpiring is one of the loneliest jobs in the world. They are practically slaves and yet their pay is disgraceful."

Time Running Out
In the Open, they tied for eighth with 287s. In the Dallas Open three months later they tied for 14th with 280's.

Time is fast running out on them, what with a horde of youngsters invading the pro golf ranks. Yet you still can't count out either man. Because last year Hogan racked up his 65th tournament victory by taking the Colonial-Open and Snead chalked up a tournament triumph number 103 with a record-tying 259 in the Sam Snead Festival.

Sammy Sam, who shot a phenomenal 59 in the third round, tied the tournament's 10-year-old record. Held, naturally, by Hogan.

Snead has, by far, been playing the most golf of the two. He has been an annual fixture as one of Uncle Sam's two-man Canada Cup team in the International Golf Assn.'s yearly tourney among 30 competing nations.

Win Canada Cup
He and Hogan paired to win the Canada Cup in 1956. Snead teamed with Jimmy Demaret at Tokyo in 1957 and with Hogan again in Mexico City in 1958. Last year, the Slammer hooked up with Cary Middlecoff for the matches Down Under.

Hogan already has started working on his game in Fort Worth for his annual handful of tournaments working up to a shot at his fifth Open triumph. He copped the big one in 1948, 1950, 1951 and 1953.

Snead also is working furiously on his game at Boca Raton: Because Sam wants the Open as eagerly as does Hogan. Four times the hill-billy clouter has been second in the Open and the tale of his divot disasters in the Open is enough to make Jack the Ripper weep.

Shown dumping a one-handed push through the hoop for two points is Pfc. Chalmer Reinking, son of Louis Reinking and the late Mrs. Reinking, of Peble. Reinking plays for the Verona Military Post, U. S. Army in Italy.

Currently peppering the nets at a 22-point a game average against such formidable opposition as pro teams from Rome, Venice, Naples, Florence, Trieste, and others, Reinking is showing Europeans the kind of basketball that is played in Indiana.

A graduate of Decatur high school, Reinking also attended the I. U. extension and Anderson College. His address is Pfc. Chalmer Reinking, RA 1663367, 68 MP Co., APO 168, New York, N. Y.

United Press International
NEW YORK (UPI) — A couple of old golfing gaffers are preparing today for what well could be their last chance bid to win the one that got away.

That would be Sam Snead and Ben Hogan. And for them the big one is the U. S. Open.

Sam never has won it and Ben wants it a record-breaking fifth time to break a tie with Bobby Jones and ancient Willie Anderson.

Actually there is little to choose between them as they begin to sharpen up for what could be a last serious effort when you consider that both of them will hit the 48 mark this year. Because in two mutual tournaments last year they finished in a flat-footed tie.

Brown County Jail Escapees Sought

NASHVILLE, Ind. (UPI) — Authorities today sought two men who picked a lock at the Brown county jail here and escaped Thursday.

State police and sheriff's deputies in surrounding counties joined in on the search for Robert Winston Spears, 30, and Hiram Richard Taylor, 22, both of Johnson county, who were charged with first degree burglary.

Sheriff William Percifield said he had no idea where the prisoners fled, but he thought Spears might have gone to Tennessee to see his wife.

Two other prisoners did not escape even though nothing kept them from walking out the back door with Spears and Taylor. The jail is not guarded at night.
