Buying Gasoline

As the number of gas-operated power mowers and other small motors increases, more than half of the families in Decatur are keeping gasoline setting around.

And probably half of these are unwittingly violating the law, endangering their own and their children's lives, and the validity of their fire insurance.

Indiana law requires that gasoline kept in smaller quantities than 50 gallons be kept in a red can. The can should be clearly marked gasoline, or naphtha, or benzene.

And kerosene, or other non-volatile petroleum products, may not be stored in red containers. This is to prevent gasoline from being mistaken for kerosene, and causing a terrible explosion or fire.

Yes, it is illegal to get gasoline in a glass jar. It is illegal for you to have it, and for the gas station attendant to sell it to you. Either may be fined from \$5 to \$75 and costs, and sentenced up to 90 days in jail.

The dangerous practice of keeping gasoline in glass jars rather than in plainly marked red cans may lead to a horrible fire that destroys you, your loved ones, or your home and property. And there is the possibility that your fire insurance may not be valid if you are violating the law by keeping gas in other than legal containers.

20 Years Ago Today

June 11, 1940—German forces are within 12 miles of Paris as war rages on 4,000-mile front from Norway to Ethiopia.

The city has purchased new uniforms for the 16 members of the Decatur volunteer fire department. Yost Bros., Decatur, was awarded the general contract, at \$66,850.

Glenn Hill was elected president of the Decatur Lions club. Other officers are D. Burdette Custer, first vice president; Robert Zwick, second vice president; Ed Highland, third vice president; Herman H. Krueckberg, treasurer; Ed Boknecht, secretary; Phil Sauer, Lion tamer; Dale D. Moses and Harry Knapp, directors.

Bethany, Christian Bible School Ends

The combined Bethany E.U.B. and First Christian Bible schools will hold their closing program this Sunday at the Bethany E.U.B. church. However, the junior department of the Bible school will hold their program at the First Christian church.

The work of 110 students and 21 adult helpers will be on display Sunday and theirs will be a fine program. The two churches had a combined Bible school last year, but this is the first year they have had a combined program.

The adult helpers were: Mrs. M. Johnson, Judy Lenhart, Mrs. C. Sheets, Mrs. G. V. Custer, Mrs. G. McCammon, Mrs. R. Fruchte, Mrs. W. Hutter, Miss Susan Lee, Mrs. B. Thomas, Mrs. W. Christian, Mrs. P. Daniels, Mrs. H. Dolch, Mrs. G. Borders, Miss Diane August, Miss Sandra Affolter, Mrs. G. Koos, Mrs. L. Seltenright, Mrs. D. Grafton, and Dorothy. Rev. Pacha and Rev. Benj. Thomas also were teachers.

The Bible school classes held a picnic at Memorial Park Friday, from 10 a.m. until 11:30 a.m. The children brought sack lunches and the churches furnished orange juice and ice cream.

About 140 turned out for the event and had a grand time playing such games as baseball. Rev. Pacha was surprised and happy to report not one injury of any kind.

Indiana City To Get Taylor

UPLAND, Ind. (UPI) — Taylor University's board of trustees voted Friday to move the campus from Upland to some other Indiana city—if a suitable site can be found.

Hoosier loyalty was out over Florida as a relocation site. Dr. B. Joseph Martin, president of the university, issued a prepared statement on behalf of the board at the end of a two-day meeting during which the previously proposed relocation plan was discussed at length.

"The board felt strongly the need of remaining within the state and voted to make such a relocation within Indiana," the statement said.

The statement did not mention the names of any cities which might be the future home of the university, an omission which may have left the way clear for cities which have not explored the possibility of getting Taylor to make their bids belatedly.

Only 90 minutes before the statement was issued, Martin told United Press International while the trustees lunched that they had narrowed the possible site to Wabash and Fort Wayne, Ind., and Fort Myers, Fla. Previously, Kokomo, Ind., and Clearwater, Fla. were considered.

The statement said the school needs to move because it requires "much larger community financial support, greater opportunity for employment for stu-

dents who must earn part of their way through college." It also said the Taylor home should be surrounded by more churches since students come from about 40 denominations. One reason the group wanted to stay in Indiana, the statement said, was because of its "excellent relationship with the North
