REAL ESTATE AUCTION

5 FARMS OF THE JOSEPH MALLEY ESTATE

Saturday, September 10, 1960, 1 P.M.

80 ACRES—46 ACRES—40 ACRES—40 ACRES—20 ACRES

These farms all lay 3 miles south and 2 miles west of Decatur, Indiana, and join each other, so they could be one unit or five units.

The 80 acres will sell first and the others in line as listed above. This land all lays level and is good producing soil; most of it is well drained. It lays in a fine farming community not very far from Decatur that has all Denominations of Churches and is also close to the Adams Central School.

The 80 acres has an 8 room house with good roof; large basement; good well close to kitchen. There is an excellent 40 x 80 barn with tractor shed attached; good roof, good siding, solid foundation and water pressure; garage and granary combined; hog barn and crib combined; a very good 30 x 50 granary and crib combined; chicken house; and other buildings. These buildings are very good but need painting. There are about 10 acres of woods and the balance is farm land.

The 46 acres of bare land lays across the road from the 80. There is an open ditch on it, giving it good drainage.

There are 40 acres joining the 80, acres on the south. This 40 has a very good barn.

The 20 acres is across the road from the above 40, and then there are 40 acres joining this 20 on the east.

This makes 120 acres on the west side of the road, and 106 acres on the east side of the road.

The 80 with the buildings will sell first, so if the purchaser wants more land, he has a chance to bid on any unit or all together. The growing crops on this land and the fine stand of clover is evidence of its fertility.

Inspection can be made anytime by contacting the Auctioneers. Possession March 1st, 1961.
TERMS—20% cash on day of sale, balance upon delivery of clear title, or on or before March 1st, 1961.
