

## Men's City Golf Meet Opens Sunday

The men's 1960 city golf tourney will begin Sunday, with the first group scheduled to tee off at 10 a.m.

The first 18 holes will be played Sunday, with the final 36 holes being played Saturday and Sunday, Sept. 10 and 11.

A score of 162 or better was needed to gain the championship flight in the qualifying rounds which were completed earlier this week.

Steve Edwards led the qualifiers with a total of 147 and won the low medalist title on rounds of 75 and 72. There are five flights in this year's tourney, with the winners in each flight to receive trophies and merchandise.

Players who qualified for the championship flight and will be shooting for the 1960 city title are Steve Edwards, Don Elder, Merle Affolder, Kenny Gaunt, John Bauman, John Geels, Gordon Sowers, Dwight Lytle, Dick Shoaf, Stu Schnepf, Paul Wilkinson, Bob Helm and Gerry Morningstar.

## Nine Public Works Projects Approved

WASHINGTON (UPI)—A Senate-House conference committee today approved nine Indiana public works project expenditures for the present fiscal year as approved Aug. 10 by the Senate.

But the committee chipped a \$400,000 construction item from the \$456,000 Senate-approved appropriation for the Salamonie reservoir and eliminated entirely from the list a \$100,000 construction item for the Niblack levee.

The nine approved projects included four for which President Eisenhower had made no recommendations of expenditures this fiscal year. All four, however, were added by the Senate. They were \$150,000 for the Cannelton locks and dam, \$25,000 for Indiana harbor, \$25,000 for Wabash-River levee No. 5, and \$100,000 for West Terre Haute flood control.

A \$100,000 expenditure for Evansville flood control was approved, the same amount approved previously by the Senate after Eisenhower had recommended \$450,000.

Other projects approved for the same expenditures Eisenhower had recommended and which the Senate had accepted were \$125,000 for the Huntington reservoir, \$156,000 for the Mississinewa reservoir, \$275,000 for the Monroe reservoir, and \$15,000 for the Sugar Creek levee.

A \$12,600,000 expenditure for the Markland locks and dam, listed as a Kentucky project, was approved as recommended by the President.

## Orioles Whip Tigers, Only One Game Out

By MILTON RICHMAN  
United Press International

Those Orioles must have planted a booby trap in Baltimore because it sure isn't a pitcher's paradise anymore.

Rival pitchers used to love to work in Baltimore. For one thing the ball park was bigger than all outdoors and for another, they never had to worry about being rapped for homers.

Certainly not by the supposedly weak-hitting Orioles, whose customary rallies used to consist of a walk, a Texas League single and a sacrifice fly. But things have changed — and how! The Orioles suddenly are gunning for the seats.

Big Gus Triandos reached them Thursday night with the bases full during a six-run rally in the eighth inning that snapped a tie and powered Baltimore to a 9-3 victory over Detroit.

Triandos' grand-slam homer, his second in five days and fifth of his career, moved the Orioles into sole possession of second place in the American League — only one game behind the idle first-place Yankees.

**Strikes Out 12**  
Rookie Chuck Estrada gained his 14th victory against eight losses by allowing only five hits and striking out 12.

Washington moved back into fourth place with a 9-0 victory over Kansas City and Boston beat Cleveland, 10-7, in the only other AL game scheduled.

In the National League, the Cubs downed the Pirates, 2-1, and the Braves shaved Pittsburgh's lead to 6½ games with a 4-2 win over the Dodgers. The Giants defeated the Reds, 8-5, while the Phillies and Cardinals were idle.

The Senators won their game from the A's with an eight-run rally in the seventh inning during which 13 batters went to the plate. Winner Chuck Stobbs (9-5) and loser Don Larsen (1-9) were locked in a pitching duel, with Washington leading, 1-0, when the roof fell in.

**Wertz Grand Slams**  
Vic Wertz' grand-slam homer in a pinch hitting appearance and Ted Williams' two-run homer carried the Red Sox to their triumph over the Indians. Wertz' grand-slam was his third of the year and 16th homer of the season. Williams' homer was his 24th of the campaign and 516th of his career. Mike Fornieles (8-3) was the winner and Don Newcombe (1-3) the loser.

Glen Hobbie of the Cubs hurled a six-hitter against the Pirates and won his own game with a two-out homer in the ninth off Wilmer Mizell. The homer was the first of Hobbie's major league career and brought his season record to 13-16. Ernie Banks hit his 36th homer in the second inning.

Joey Jay registered his fifth victory for the Braves although he needed Don McMahon's help in the ninth when the Dodgers scored both their runs and had the tying runs on base.

Willie Mays smashed an inside-the-park homer with the bases full to cap a seven-run second-inning rally that clinched the Giants' victory over the Reds. Sam Jones, who struck out 11 but gave up 12 hits, evened his record at 14-14 although he needed Johnny Antonelli's help in the ninth.

### Two Drivers Fined On Traffic Charges

A Decatur youth and a Cincinnati man were arrested over the past two days, with both paying their fines.

Gordon L. Snyder, 21, route 5, Decatur, was arrested Wednesday at 11:30 p.m. on U. S. 27 in Decatur for improper mufflers. He appeared at 7 p.m. Thursday and paid a fine of \$18.75.

James R. Bailey, 27, Cincinnati, O., was arrested Thursday at 4:45 p.m. on U. S. 27, four miles north of Decatur. Bailey was driving his truck 58 miles an hour in a 50 mile an hour zone. He appeared at 5 p.m. Thursday and paid a total fine of \$18.75.

## Three Tie For Lead In Milwaukee Open

MILWAUKEE (UPI)—Two veteran big money winners and a youngster who is high in the cash awards but has yet to win his first major golf tournament led the field into the second round of the \$30,000 Milwaukee Open today.

The trio—Doug Ford, Ken Venturi, and Johnny Pott, — were all knotted up at five under par 65 after Thursday's opening round for 150 pros and amateurs in the four-day, 72-hole test.

Ford, 38, Crystal River, Fla., has been in the top ten money winners every year since 1951. Venturi, 29, Palo Alto, Calif., presently ranks third among money winners with \$37,500 and is a seasoned campaigner on the pro trail.

But Pott, just 24, of Shreveport, La., is still looking for his first tournament win. In three years as a pro after leaving Louisiana State University, where he was a golf star.

This is not to say that Pott has not made golf a profitable occupation, since he ranks 20th this season with nearly \$19,000 in winnings on three finishes in the top five in 23 tournaments. Ford ranks sixth among money winners with \$31,800.

Close behind the leaders were Bob Goaly, Crystal River, Fla., with 66, and Mason Rudolph, Clarksville, Tenn., at 67. Then came groups of six players with 68, eight with 69, and nine at par 70.

The defending champion, Gene Littler, Singing Hills, Calif., had a 72.

## Yellow Jackets' Halfbacks Speedy But Lack In Weight

(Editor's note: This is the fourth of a series outlining the boys, position by position, who will make up Decatur's 1960 football team.)

By Bob Shraluka

"Speed to burn" is the main forte of Decatur's halfback lineup for the opening season. This position will also have plenty of depth, but will be lacking in size.

The probable starters are a pair of seniors, Ed Nelson and Tom Grabill. Nelson is a hustling speedster who needs nothing more than a few blocks to go all the way. Ed, while not a powerful runner at 5-11, 150 pounds, is shifty and once he gets an opening he's long gone. He is good for pass defense and will play the halfback slot when Decatur doesn't have the ball. A lot depends on Ed this year as he is one of the guys a team-mate looks up to. He is well liked by his fellow gridders and if he keeps up the hard work and determination he has shown in his past three years of high school athletics he could lead Decatur into a winning season.

Grabill, while not as fast as Nelson, is just as shifty. Tom played last year but has made the switch to halfback without any trouble. In fact, he looked like a natural back when he reeled off a couple of long runs in Wednesday night's scrimmage. Tom, at 5-10, 145 pounds, isn't too powerful either, but will be a real threat if he keeps those hips swiveling. He will play the other defensive halfback post.

Backing up these two will be Denny Ahr, a junior, senior Jerry Rambo and two sophomores, Dave Magley and Dave Beery. Ahr is another speed merchant who gets a faster start than anyone else on the team. The only thing keeping him off the first eleven is his lack of desire. He likes the game and plays hard, but has seemed to lack that extra something so far. He is 5 feet, 7 inches tall and weighs 165 pounds and once he gets moving he has power behind those strong legs. There is a possibility, also, that "Puppy" may move to fullback since Bill Conrad will be laid up for a few days with a bad knee. All he needs is for someone to build a fire under him and he could be one of the best.

Rambo is a little guy with a world of determination and spirit. Jerry is 5-7 and weighs only 125 pounds but he isn't afraid of anybody on that football field, including the "big bruisers." Jerry is quick and not afraid to tackle on the defensive either.

Magley is another boy who can really move. Dave is 5-10 and weighs a strong 170 pounds, and only a sophomore who is still growing. He doesn't have much varsity experience but after he gets into a few games he could really develop. Magley may be a linebacker on the defensive team.

Beery, who stands 5-11 and weighs 150 pounds, is another boy who needs only game experience to become good. He has fair speed and is learning the moves of a backfield man.

The halfback position on Decatur's 1960 team has plenty of depth and will never be hurting for speed. They are small, though, and will have to keep up the desire and determination to use that speed to effect.

### Dallas Pitcher Is Purchased By Cubs

CHICAGO (UPI)—Right-hander Mel Wright, who has a 5-4 record for Dallas-Ft. Worth in the American Association this year, has been purchased by the Chicago Cubs. The 6-foot, 3-inch, 210-pounder had previous National League experience with the St. Louis Cardinals in 1954 and 1955.

## Olympic Swim Mark Broken By California Girl

ROME (UPI)—Golden-haired, Chris von Saltza of Saratoga, Calif., smashed the Olympic record for the women's 100-meter freestyle swim today when she won her trial heat by five yards, in 1 minute, 1.9 seconds.

The husky, 16-year-old schoolgirl eclipsed by .1 second the mark of 1:02.0 set in 1956 by Australia's Dawn Fraser. She thus became the first American athlete to break a record in this year's Olympics.

Miss Fraser, 21, a secretary from Sydney who is defending her title in this event, narrowly missed her own record when she won her heat in 1:02.1. Lisa Konrads, 16-year-old Aussie star, was another heat winner in 1:04.2.

The new record capped a series of encouraging performances by U. S. athletes, even if Russia did draw first blood in the battle for the unofficial team title by winning an unexpected bronze medal in cycling.

The first gold medal of the games—only one to be decided today—went to host Italy, and the first record to be broken fell to a German girl.

But four swift swimmers sent the United States off to a fast start by qualifying in morning competition and then Miss von Saltza took over.

Lance Larson, El Monte, Calif., posted the fastest time in heats for the men's 100-meter freestyle swim when he was timed in 55.7 seconds—only .3 second over the Olympic record.

Larson was joined in qualifying for this afternoon's semifinals by Bruce Hunter, Cambridge, Mass., and a few minutes later Patty Kempner, Beverly Hills, Calif., and Anne Warner, Menlo Park, Calif., qualified for Saturday night's final in the women's 200-meter breast stroke, although neither won her trial heat.

The four-man Italian cycling about 63 miles down beautiful high-

team covered the distance of way from the cycling stadium here toward Ostia in 2:14:33.53. A German team composed of East Germans took the silver medal for second place in 2:16:56.31.

Russia captured its first medal of the games in this cycling event—a bronze one for third place. The Soviet team was timed in 2:18:41.67.

### Jimmie Foxx Suffers From Skull Fracture

GALESBURG, Ill. (UPI)—Baseball Hall of Fame star Jimmie Foxx was in a hospital here today suffering from concussion and a "severe" skull fracture.

Foxx, 33, received the injuries when he fell down a flight of stairs Wednesday. He had first been described as in "good" condition with only "minor" injuries but X-rays taken Thursday showed the fractures.
