Democrats Have Accent On Youth

To us, the most heartening thing that has come out of both the state and national conventions of the Democratic party is the entrance of youth into the political picture.

The Democratic party is most fortunate to have these intelligent, progressive young people who are willing to get into the political swim as active candidates.

From the top . . . Jack Kennedy . . . on down through the state ticket, the accent is on youth in the Democratic party.

Matt Welsh, Democratic candidate for Governor, is a young man in years, but old in the affairs of state government.

And, from Matt Welsh on down . . . Senator Earl Utterback, candidate for Lieutenant-Governor, Robert Pastrick, candidate for Secretary of State, William Wilson, candidate for State Auditor, John Dillon, candidate for Attorney-General, Al Lysohr, candidate for Judge of the Appellate Court . . . and we could go on . . . are all young, energetic, capable people.

In fact, Al Lysohr was top vote-getter of the state convention with 1,869 delegate votes.

And, we can not resist pointing with pride to William (Bill) Gettings, Mayor of the city of Lafayette, at the ripe old age of 32!

The people of the Democratic party can be proud of their ticket this year.

SPORTS

Jackets Open Grid Schedule Tuesday Night

Decatur high school's gridiron men wound up their final week of strenuous practice Friday with a good workout. The team will now rest over the weekend and hold a light workout Monday before the season's home opener Tuesday night against the Angola Hornets.

A pep rally will be held for the team at Worthman field Monday night to send them into the Tuesday night game. Even though Monday is a holiday, cheerleaders Marilyn Scott, Julie Ellsworth, Taya Erekson, Sylvia Bleeke, Ann Arnold and Donna Bixler are hoping for a big turnout at the rally, which will include some guest speakers. The team and coaches will also be present at the meeting.

A few of the Jackets have been slowed up by injuries the past week, but most of them should be ready to go Tuesday night. Stu Knodel has been limping the last three or four days with a pulled leg muscle but the weekend rest should strengthen it before Tuesday. Ed Nelson also has been having leg trouble. It is a recurrence of an injury Ed suffered last year and has seemed to slow him down some. Nelson should benefit from the rest and with his determination he will probably be fired and ready to go against the Hornets. It is still not known how much Bill Conrad's knee will permit him to play.

With the exception of Nelson and Conrad, however, the injury list isn't too big as most of them are minor and if the boys really want to win a few games this year, a few pulled muscles shouldn't stop them.

The team has shown some fine spirit so far this season and appear ready to avenge the poor showing of last year's team. It

is going to take a team effort, though. In the past few years most of the boys have relied on one or two of the "big guns" to carry the load, but this year there is no such "big gun," just eleven guys, who, if they want to, can win a few ball games.

Angola isn't going to be a push-over even if this is the Hornets' first victory season. In fact, from first reports, they could be one of the toughest teams the Jackets will face all season long.

Charging Line
The Hornets put on a good show in a jamboree at Auburn Friday night, defeating the host team by a 6-0 score. Their line is big and fast and they charge, charge, charge. They have four boys in the backfield who can run with that ball and know how to pick their holes.

Leroy Cable, son of the former Adams Central basketball coach, was outstanding in the victory. He carried the ball about every other time and piled up quite a bit of yardage. Also in the backfield is a big, strong fullback who weighs about 200 pounds and can really move.

Bowling Leagues In Action Next Week
The 1960-61 bowling season will get underway in earnest at the Mies Recreation alleys next week, with two leagues scheduled for action each of Tuesday, Wednesday, Thursday and Friday nights. Wednesday—Central Soya, 6:30 p. m.; Rural, 9 p. m.

Friday—American Legion, 6:30 p. m.; Sportsman, 9 p. m.
Monday, Sept. 12 — Women's Minor, 6:30 p. m.; Women's Major, 9 p. m.

There are a few openings for bowlers in the following leagues: Merchants, 6:30 p. m. Tuesday, two bowlers about 150 average. Rural, Wednesday 9 p. m., four bowlers with 130-150 average. Classic, Thursday 9 p. m., three bowlers about 160-165 average. Sportsman, Friday 9 p. m., three bowlers 130 or above average.

Orioles Blank Yanks, Virtual Tie For Lead

By MILTON RICHMAN
United Press International

Milt Pappas is what you call a real "stopper" — he not only stopped the New York Yankees but also his own boss, Paul Richards.

Pappas, a strapping, uninhibited 21-year-old, accomplished both feats Friday night when he pitched the Baltimore Orioles to a virtual tie for the American League lead with a magnificent three-hit 5-0 victory over the Yankees.

The righthander struck out nine and didn't walk a man en route to his 13th victory. Tony Kubek opened the game with a single off him and Pappas then retired the next 18 men in order before Cletis Boyer connected for a harmless single with one out in the seventh.

A pennant-hungry crowd of 44,518 in Baltimore watched the Orioles climb within three percentage points of the Yanks by reeling off their fifth straight victory and ninth in the last 10 games. Loner Whitey Ford, who worked five innings, was nicked for six of Baltimore's eight hits, including a homer by Walt Dropo.

When it was all over, the jubilant Pappas made a bee-line for Richards.

"Do you want me to do some running tonight?" Pappas inquired.

The question stopped Richards. "Yeah," he grinned, "we'll keep the lights on especially for you."

It was a bit of a private joke between the two.

Tony's Tap Wins Softball Tourney

A fired-up Tony's Tap softball team overcame a jinx that a good Klenks team had had on them all season, and won a doubleheader from Klenks Friday night to become champions of the City softball league.

Fire-balling Glenn Lehrman hurled both victories for Tony's and his teammates backed him up with some fine hitting and defensive ball. Klenks had been a jinx to Tony's all season, dealing them three league defeats and one tourney loss, but Tony's was not to be denied last night.

The Tap team jumped into a 6-1 lead early in the first game and Lehrman held Klenks off for the rest of the way, winning 6-2. Klenks had not lost a game prior to the first game last night, and with Tony's already having a loss in the double elimination tourney, a second game was needed to determine the winner.

Come From Behind
Klenks looked like they were going to avenge that first game defeat when they jumped on Lehrman in the second inning for three runs. But Tony's was out to win and they tied the score in the fourth, took the lead in the fifth and held on for a 6-3 championship victory.

Batteries in the first game were Lehrman and Paul Busse for Tony's and Hoopengardner and Rowden for Klenks. Lehrman and Busse were Tony's second game battery and Platt and Hoopengardner hurled for Klenks, with Rowden catching.

Trophies Awarded
Trophies were awarded to Klenks for the regular season championship and for the runner-up spot in the playoffs. Tony's Tap was presented with the playoff trophy.

Members of the victors are, Joe Beauchot, manager, Jim Price, Bob Lehrman, Jerry Price, Glen Lehrman, Paul Busse, Carl Lehrman, Ralph Busse, Hank Lehrman, Junior Coyne, Ed Stoppenhagen, Jack Hackman, Jim Fleming and Gene Dryer.
