## Turley Happy After First Spring Work

By TIM MORIARTY  
United Press International  
Bob Turley, the bellwether of the New York Yankees' pitching staff four years ago, apparently has recovered from an arm ailment that haunted him for the last two seasons.

The big right-hander, who underwent an off-season operation for the removal of bone chips in his pitching elbow, stole the show at the opening of the Yankees' "advance" training camp Monday at their new Fort Lauderdale, Fla., headquarters.

"My arm feels real good," Turley exclaimed happily after pitching batting practice to a squad composed mostly of Yankee rookies and farmhands. "I haven't had any sign of pain and I believe I'm going to be all right."

"If Turley comes back, it's a bonus for us," said Yankee general manager Roy Hamey, who also was at the Fort Lauderdale camp attempting to corral some of the unsigned members of the world champions.

Hamey did make some progress with his poised pen by signing pitcher Truman Cleveland, infielder Phil Linz and catcher Billy Madden. That gave the Yankees 18 men under contract with 22 to go.

The Pittsburgh Pirates signed outfielder Roberto Clemente, who won the National League batting crown last year with a .351 average. The Puerto Rican speedster reportedly was given a \$15,000 boost to \$50,000.

"Obviously, Roberto felt it was a fair offer because he signed readily," said Pittsburgh general manager Joe L. Brown. Clemente also hit a career high of 23 home runs last season. He drove in 89 runs and had 201 base hits.

**Pappas Signs**  
Milt Pappas became the 15th member of the Baltimore Orioles to sign for the new season, receiving a slight raise that hiked his salary to an estimated \$24,000. The young right-hander posted a 13-9 record and a 3.03 earned run average last year after overcoming early-season arm miseries.

Other signings: — Catchers Gene Oliver and Ray Bond, first basemen Fred Whitfield and catcher Gary Kolb.

New York Mets — Pitchers Bob Moorhead and Howie Nunn. — Washington Senators — Pitchers Ray Riplemeier, Dave Stenhouse and Jim Hannan.

Philadelphia Phillies — Pitchers Jack Baldschun and Ed Lunsford. Detroit Tigers — Pitcher Fred Gladding.

## Wisconsin Is Upset Monday By Michigan

By DICK JOYCE  
United Press International

Ohio State's powerful Buckeyes, who hardly need any outside help, received an assist from lowly Michigan Monday night in their bid for a return engagement in the NCAA basketball playoffs.

While Ohio State was rolling up its seventh straight Big Ten victory and its 17th in a row this season, defeating Iowa, 89-63, Michigan handed Wisconsin its first conference loss, 81-74, at Madison, Wis.

The Wolverine victory thus burst Wisconsin's bubble. The Badgers had won five consecutive Big Ten games to keep abreast of Ohio State and had been banking on at least a tie for the conference title, which would have earned them an NCAA tournament berth.

Wisconsin, which barely got by Minnesota last Saturday night, trailed most of the way against Michigan, which had won only three games this season.

**Rally Too Late**  
The Badgers couldn't get going against the tight Wolverine defense until late in the game when they closed the gap to two points with only three minutes remaining. But John Costerban, playing his first game since his suspension, came off the bench to score a goal and Bob Cantrell hit three free throws to clinch the victory.

Dick Cole with 23 points and Jon Hall with 16 topped the Wolverines while Ken Siebel's 16 points was high for Wisconsin. Ohio State, in picking up its 22nd straight Big Ten triumph and 31st in a row at home, connected on 50 per cent of its shots from the floor and out-rebounded the Hawkeyes, 61-36.

The fast-breaking Buckeyes rolled up a 52-26 halftime lead on a 63 per cent shooting average. All-America Jerry Lucas, playing one of his most spirited games, led Ohio State with 24 points, 15 rebounds, blocked numerous shots and at times led the fast break.

In the only other Big Ten game Monday night, Illinois rallied for an 89-80 victory over Minnesota to hand the Gophers their sixth straight conference loss. Dave Downey's 28 points and Bill Small's 22 paced the Illinois attack.

**Fattens Lead**  
Colorado boosted its Big Eight lead over Kansas State with a 54-50 win over Oklahoma after rallying in the second half at Norman, Okla. Oklahoma held a 29-26 halftime edge but failed to score for the first five minutes of the second half when the Buffaloes caught up. It was Colorado's sixth conference victory without a loss.

Nick Werkman, the nation's No. 2 scorer behind Bill McGill of Utah scored 40 points in leading Seton Hall over Upsala, 96-59, and the Feldman twins, Jon and Jeff, helped George Washington snap a five-game losing streak against Virginia, 82-75. Jon had 35 points and Jeff added 12 while setting up his brother with many layups.

Virginia Tech pulled out a 74-72 Southern Conference triumph over Furman, Davidson, with Bill Jarman scoring 19 points, won its 12th straight by defeating Richmond, 55-52; Houston rallied to down Florida State, 84-76, behind Lyle Harger's 27 points; Arizona State dumped Eastern New Mexico, 63-60; Creighton edged Marquette, 79-72, in overtime; Mississippi State topped Tulane, 70-59; Florida beat Tennessee, 92-81; Louisiana State downed Mississippi, 70-59; Alabama defeated Vanderbilt, 82-76, and Nebraska nipped Oklahoma State, 57-56.

## Will Halt 'Sit-in' At U. Of Chicago

CHICAGO (UPI)—The Congress of Racial Equity agreed Monday night to end its two-week-old "sit-in" at the University of Chicago following agreement on establishment of a "reviewing committee" to study the institution's "controlled integration" policy.

The agreement was reached with Dr. George Beadle, university president, when he made an unscheduled appearance at a meeting of 300 CORE members.

However, CORE spokesman Robert McNamara told United Press International the "sit-in" might be resumed in "two or three weeks" if the university failed to carry out its end of the bargain.

The "reviewing committee" was to include representatives of the university administration; student government; faculty; Hyde Park Council of Churches; Urban League; Hyde Park - Kenwood Community Conference; the campus, South Side and city of Chicago CORE chapters; a state legislator and a Chicago alderman.

CORE agreed to call off the "sit-in" in front of Beadle's fifth floor office in the university administration building, which has been in progress since Jan. 23.

Beadle promised there would be no disciplinary action against the students who took part in the "sit-in."

Beadle told UPI it appeared there was a "reasonable chance of some sensible kind of agreement" on integration of university-owned apartment buildings and hotels near the Rockefeller-endowed campus.

A CORE spokesman said the organization felt its efforts were "pretty successful."

## Bowling Green Is Now Rated Among Top 10

NEW YORK (UPI) — Bowling Green, a little powerhouse from Ohio, today joined the top 10 in the United Press International major college basketball ratings for the first time this season, while neighboring Ohio State continued to roll along as the nation's No. 1 team on a streak dating back to Dec. 6, 1960.

Ohio State, which led the UPI ratings every single week a season ago, topped the list for the 10th straight week this season, polling 349 out of a possible 350 points while being named No. 1 by 34 of the 35 coaches who comprise the UPI rating board.

Cincinnati, another Ohio kingpin, was second for the 10th straight week and Kentucky, a perennial challenger for national honors, was third. The Wildcats drew the only other first-place vote as they closed the gap to second place to a scant 11 points. Cincinnati has won 17 of 19 games while Kentucky has been beaten only once in 17 games. Ohio State has yet to lose after 16 games.

While things remained pretty constant at the top of the ratings, Bowling Green, winner of 15 of 16 games, moved past slumping Villanova into the 10th spot. The only other switches in the first 10 saw Duke and Duquesne each move up one spot to fifth and sixth, respectively, and Southern California slip from fifth to seventh. Otherwise, Kansas State (15-2) remained fourth, Bradley (14-3) held onto eighth and Oregon State (16-1) remained ninth.

Bowling Green, coached by Harold Anderson, made it 11 straight victories last Saturday night by routing Miami (Ohio), 84-61. The Falcons opened the current season with a 78-63 win over Bradley, only one of three games the Braves have lost. The Falcons have lost only to Duquesne, 68-44.

The new size Dodge Dart has the most powerful standard six engine in the business. It develops 145 horsepower from 225 cubic inches. It takes a V8 in other cars priced near Dart to keep up with it. Even then most of them can't. Dead weight and useless overhang have been all but eliminated in the '62 Dart. What results is an astonishing power-to-weight ratio that makes a Dart-6 act like an eight. And

remember, this is the same six that got better than 23 miles to the gallon in last year's Mobilgas Economy Run. Frankly, we don't think anybody but a pro can get this kind of mileage. But it does give you an idea of the engine's potential. Repeated tests in the new size Dart prove that it will deliver at least 6% better gas economy than last year. See your Dodge Dealer now and drive the new size Dodge Dart. There's no better value on the market today.
