

# SOCIETY

## MISSIONARY SOCIETY HAS RECENT MEETING

The Nuttman Avenue United Brethren Missionary society met recently at the home of Mrs. James Smith, who was also devotional leader. Prayer was offered by Mrs. Jay Osborn, and the song "One Day" was read by Mrs. Howard Raver. Mrs. Edith Terrell read "Wonderful."

The topic chosen by the leader was "Easter" or "Victory Over Death," and was given by the leader, Mrs. Noel Bowman. Scripture and Psalms were read by Mrs. Herman Harkless, followed by the lesson study "Into All the World by the United Brethren Missions." The leader then conducted a mission quiz, after which prayer was offered by Mrs. Lawrence Michel.

During the business meeting, conducted by Mrs. Howard Raver, announcement was made that the annual branch meeting will be held in Dayton, O., in April. A public temperance service is also being planned for March 11 at the Nuttman Avenue United Brethren church.

Delicious refreshments were later served to the fourteen members and one guest attending.

## YOUNG HOMEMAKERS MEET THURSDAY

Twenty-five young homemakers met for a "Scoop Party" and to play plans for classes on money management Thursday in the Adams Central school.

Two classes on money management will be held in the county, beginning March 12. A class will be held in Berne on Monday evenings and one in Decatur on Thursday evenings. The classes will be taught by the county agent, Lois M. Folk, and they are sponsored by the county extension office and the Home Demonstration clubs. Any Adams county young homemaker may attend by notifying the county extension office in Decatur. There is no charge for the classes.

To begin the "Scoop Party," games were led by the steering committee, after which the classes were explained by Lois Folk. Refreshments were furnished by the county home demonstration clubs. Those serving on the young homemakers steering committee are Mrs. Earl Yoder, Mrs. Norman Young, Mrs. Franklin (Tom) Noll and Mrs. Merle Kuhn.

## MONMOUTH EDUCATIONAL GROUP MEETING HELD

The Monmouth Parent educational group met Monday at the school. Mrs. Robert Rice presided.

Following devotions by Mrs. William Susdorf, a few remarks were made by the chairman concerning Lincoln and Washington, stressing brotherhood week. Mrs. Vera Owens was then introduced. She gave a very interesting talk on her work as a special reading teacher in a Fort Wayne school for children with reading problems. She told of the great challenge and satisfaction in having the opportunity to guide a child to better reading, as reading is of the highest importance to success in other fields of life.

Dick Heller, Jr., speaker for the evening's program, used "Putting Purpose into Our Children's Lives," as his topic. He stressed the importance of the parents' role in putting purpose into a youth's life by example. He emphasized that parents must plan and live their life's purpose fully by giving out to his fellow man instead of trying to get. He displayed several books explaining that good books, written at a child's level, give motivation for putting purpose into their lives.

A discussion period followed. Hostesses for the evening were Mrs. Adolph Weidner and Mrs. Harley Roop.

## Clubs

Calendar items for each day's publication must be phoned in by 11 a.m. (Saturday 9:30).

### Colleen Heller

### SATURDAY

Psi Ote Trading Post: 1 to 4. Joan Borne, Betty Fager. Zion Adult club variety show, also at 8 p.m.

## Memory Is Restored After Several Hours

LAFAYETTE, Ind. (UPI) — Leonard S. Phillips, 53, Wheaton, Ill., rested today in a hospital, his memory restored after a blackout of several hours.

West Lafayette police said Phillips walked into their station late Friday and said he could not remember who he was or anything about himself.

Police checked his personal effects and found a driver's license made out in Phillips' name. They contacted his home address and Phillips' description as given by his wife over the telephone tallied with that of the ailing man. Later in St. Elizabeth's Hospital, Phillips recalled his identity.

Police said Phillips was employed on a cancer research project at Wheaton and is suffering from leukemia. They said the leukemia had nothing to do with his loss of memory.

Phillips apparently left work at Wheaton Friday and drove directly to Lafayette. He could not explain why he came here.

## Paul Malston Dies Friday Afternoon

Paul Malston, 60, of Geneva, died Friday afternoon at the Jay county hospital in Portland, where he had been admitted the previous night. Surviving are a brother, Kenneth of Lima, O., and a sister, Mrs. Flossie Feller of Geneva.

Services will be held at 2 p.m. Sunday at the Hardy & Hardy funeral home in Geneva, with burial in West Lawn cemetery. Friends may call at the funeral home until time of the services.

Send Thirty-five cents (coins) for this pattern — add 10 cents for each pattern for first-class mailing. Send to Marian Martin, Decatur Daily Democrat Pattern Dept., 232 West 18th St., New York 11, N. Y. Print plainly Name, Address with Zone, Size and Style Number.

## Marion Man Killed In Traffic Crash

By United Press International  
William Gamble, 80, Marion, was killed in a two-car crash near Matthews on U. S. 35 Friday night to become Indiana's first traffic fatality of the weekend and raise the state's 1962 highway toll to at least 149 compared with 128 this time last year.

State Police said Gamble lost control of his car while passing and it crashed head-on into a second auto. The occupants of the other auto were identified as Geraldine Barron and Helen Moore, Kokomo. They were taken to a Marion hospital with injuries not believed serious.

Earlier Friday, two Louisville men died in an Indianapolis hospital from injuries suffered in a crash Thursday night near Labanon.

## Richmond Youth Is Critically Burned

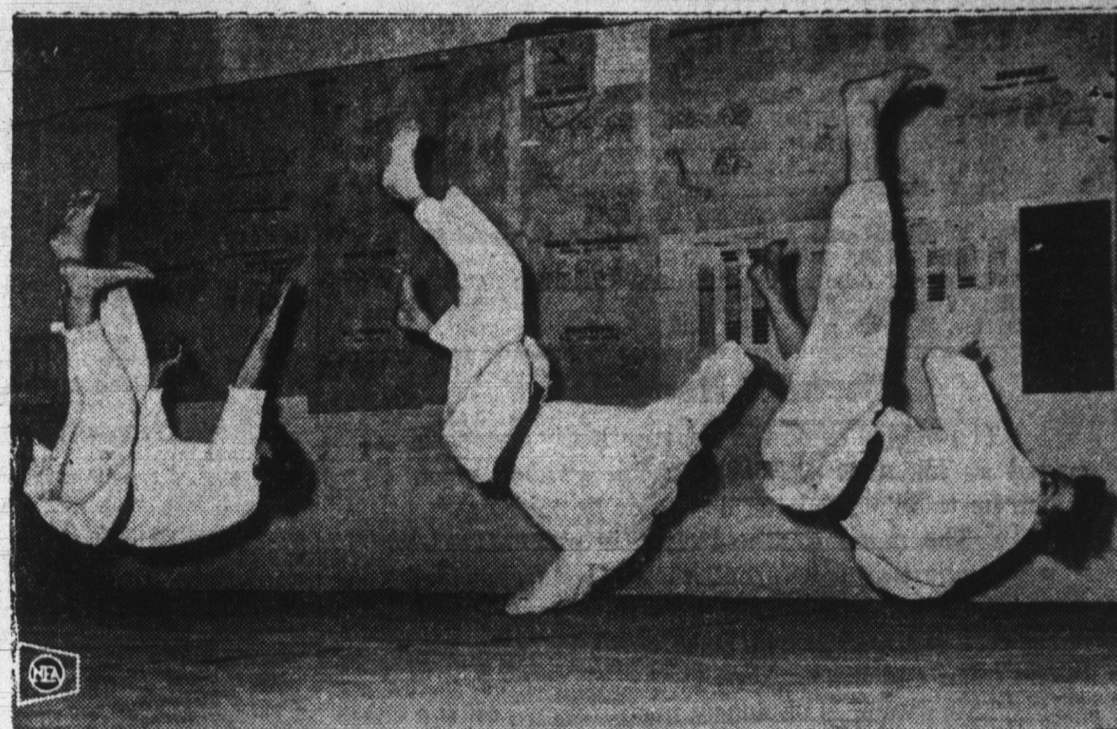

RICHMOND, Ind. (UPI) — David Evans, 10, was in critical condition today at Reid Hospital with burns suffered in an explosion in the garage at his home here Friday.

Authorities said the boy was apparently playing with matches and set off a can of volatile liquid which blew up and sprayed over him, covering 75 per cent of his body with second and third degree burns.

If you have something to sell or trade — use the Democrat Want ads — they get BIG results.

HIP HEFTER—A new type of harness, worn on the hips, enables soldiers above to carry a stretcher victim easily while leaving their hands free. Called the first advance in human load lifting in hundreds of years, the "hip pack" was developed by Bell Aerosystems Co. Shoulder straps and a waist belt hold the unit to the body. Objects to be lifted are attached to the padded glass fiber frame, either with straps or other attachments, directing weight load to the hips. One man can hoist 600 pounds with little effort.

JUMPIN' JUDO!—This trio from the Austin, Tex., Judo Club didn't have to go into orbit to achieve that weightless feeling. The upside down twisters are, left to right, Jim Walsh, Teddy Henderson and Gail Stolzenberg showing that there's a safe way to be thrown.

## Industrial Air Tour Is Planned In State

INDIANAPOLIS (UPI) — An industrial air tour of Indiana will be made March 12 and 13 for about 20 out-of-state industrialists as part of a State Department of Commerce and Public Relations campaign to bring new industry to Hoosierland.

Lt. Gov. Richard O. Ristine will direct the tour, for which nine twin-engine executive planes will be used. The planes will be contributed by Indiana firms.

A reception will be held the evening of March 11 in Indianapolis. The caravan will leave Weir Cook Airport here next morning and stop at Fort Wayne, South Bend, Gary and Lafayette.

On the second day, stops will be made at Terre Haute, Evansville, Bedford and Richmond.

"I am positive this is going to be a useful and practical demonstration of why Indiana has achieved its present high rate of economic growth," Ristine said. "The guests are leading executives of some of the nation's major industries and most dynamic business organizations. This tour will allow them not only to see existing industry and potential expansion sites but to talk with local people who are directly acquainted with facilities, productivity of labor, transportation and markets."

## Two Cars Involved In Accident Today

An accident at 6:55 o'clock this morning resulted in approximately \$300 total damage to two cars. The mishap occurred on 13th street, just south of the Melbers street intersection.

Johnny Foster Stewart, 21, 512 Short St., was traveling north on 13th, when a car operated by Clarence Boring, 46, 1235 Lewis Drive, pulled from the left side of the street into the left side of the Stewart auto. Damages were estimated at \$250 to the Stewart vehicle and \$50 to the Boring car.

## Indiana's Stake In Foreign Trade Topic

INDIANAPOLIS (UPI) — Indiana's stake in foreign trade will be the subject of a state-wide conference Tuesday and Wednesday sponsored by Governor Welsh with leaders of business, labor, agriculture and news media attending.

About 200 persons were expected to attend and hear a variety of speakers, including Howard Petersen, President Kennedy's special assistant on trade policy.

The speakers will discuss the background of United States trade policies, development of the European common market, alternative policies for meeting the challenge and the impact of foreign trade on Indiana's economy.

The conference opens Tuesday afternoon and continues to Wednesday afternoon.

Welsh will welcome the conferees at the opening session and speak at a dinner meeting Tuesday evening.

## Woman Found Dead In Burning Home

INDIANAPOLIS (UPI) — Mrs. Della Parish, 66, was found dead on the kitchen floor of her burning home Friday night.

Authorities said she died of burns or suffocation in a blaze blamed on an overheated furnace.

## Food Supplier Case Goes To Grand Jury

INDIANAPOLIS (UPI) — The case of an Indianapolis food wholesaler accused of supplying sub-standard foodstuffs to state institutions will be turned over to a Marion County grand jury.

State Police Sgt. Robert Gray and Ned Green, a buyer for the Indiana Department of Administration, discussed the case at length Thursday with Prosecutor Phillip Bayt. The food was purchased by the state from Koehler's Restaurant Supply Co., Indianapolis.

Deputy Prosecutor Francis Thomason said after the meeting that the two state investigators "presented documentary evidence and sworn statements indicating there had been some misfeasance. The evidence will be placed before the grand jury."

James Berg, state purchasing director, had charged that, in some cases, food purchased from Koehler was not of the specified quality and in others the quantity delivered was less than that ordered.

Berg barred the firm from doing further business with the state. Koehler's business with the state had amounted to more than \$1 million annually.

In another development, Berg appeared before the State Budget Committee Thursday to ask for funds to hire three inspectors to check food delivered to state institutions.

Berg said the inspectors also would conduct schools for institutional employees who have the duty of receiving all types of supplies. The budget committee indicated it would approve the request.

He reported to Governor Welsh that following his announcement that Koehler had been barred from future state business, four other suppliers called and said they would like to bid on the next contracts.

Berg said a check would be made of complaints about sub-standard merchandise being delivered to institutions. Welsh assured him that if additional police were needed for the check, they would be assigned.

## Veteran Logansport Attorney Dies Friday

LOGANSPORT, Ind. (UPI) — Robert C. Hillis, 83, dean of the Cass County Bar Association, died Friday night in Memorial Hospital.

Hillis was Cass County school superintendent at the age of 21, Cass County Republican chairman for six years, former Logansport city attorney and ex-chairman of the county selective service board.
