Threat Received

The publisher of the Decatur Daily Democrat received an anonymous telephone call Friday noon, by which he was directed to "lie low or be laid low."

The name of the brave, intelligent person who made this call is not known. He apparently was incensed because the publisher gave editorial support to Dr. Harry H. Hebble, Democratic county chairman and his backers.

This person is obviously not informed on the editorial history of Adams county, where editors have taken strong stands for many years. In fact, Fred Rohrer, founder of the Berne Witness, was even bombed in his home without giving up his position.

Editors stoically take the position that if it is necessary to absorb anonymous telephone calls, threats, letters, or even take a beating or lose a life, to prove the point that their opposition is unqualified, then it will be done.

Persons who in this day and age have to result to threats, abuse, or violence to settle their differences are not adult enough for leadership. They stand little chance of being approved by the voters of this county.

Editors and publishers, like other human beings, are often wrong. But we feel very strongly on this question at this time: it would be a very great mistake to change county chairman.

Advices More Stops
On Jacqueline Tour

WASHINGTON (UPI) — Mrs. Jacqueline Kennedy has been advised by her sister-in-law to add more stops to her planned tour of Asia.

Mrs. Robert Kennedy said Friday she hopes the First Lady will visit other nations besides Pakistan and India.

The attorney general's wife returned Wednesday from a trip around the world with her husband that included stops in Japan, Indonesia, Thailand, Hong Kong, Italy, and Germany.

Mrs. Kennedy said in an interview that the sight that impressed her most was the Communist-built wall dividing Berlin.

She said "It would be terrific if she (Mrs. Kennedy) ever saw the wall."

The First Lady's scheduled travel plans include visits to India and Pakistan with brief stops in Rome and London.

Ethel Kennedy said she brought gifts from her tour for President and Mrs. Kennedy. She would not say what they were, but described them as "small boxes" from the high fashion House of Dior.

Bucyrus-Erie Co.
Strike Is Averted

SOUTH MILWAUKEE, Wis. (UPI) — Agreement was reached Friday between the Bucyrus-Erie Co. and United Steel Workers of America Local 1343 on contract clauses covering pensions and wages.

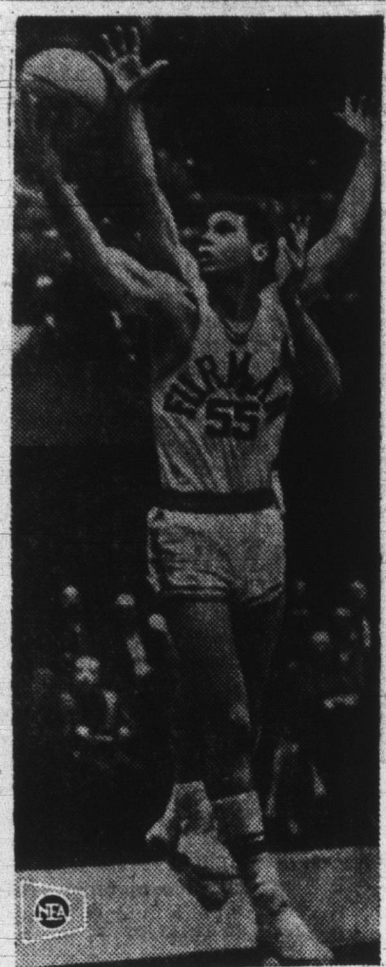

No details of the settlement were immediately announced, pending a meeting of union membership Monday night.

The union's membership had authorized its bargaining committee last Tuesday to call a strike at midnight Wednesday when wage and pension clause reopeners in the contract expired. However,

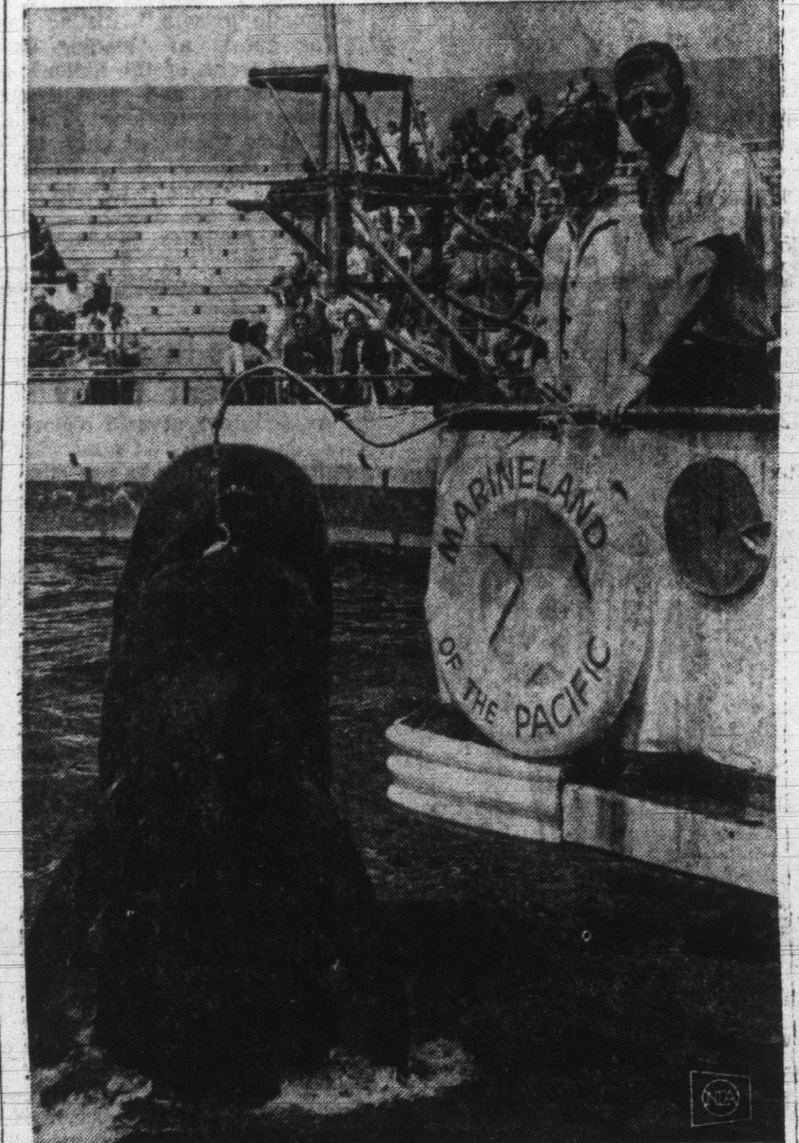

the strike was held off pending outcome of the talks.

The company, with branches at Evansville, Ind., and Erie, Pa., employs about 2,700 workers. Bucyrus-Erie produces power shovels and cranes.

Local 1343 had turned down an earlier company offer of 6.5 cents an hour now and another 6 cents an hour next March. It was reported the union was seeking a package increase totaling 20.5 cents an hour, including a 14-cent across the board raise.

LOOK, MA, FOUR HANDS! — Funman's Gerald Glur, 55, didn't become one of the major college rebound leaders by using four hands. It just looks that way as he and Clemson player behind him go for the basketball in a fast game in Greenville, S.C.

WHALE OF A SHOT — Bimbo, 18-foot, 3,400-pound pilot whale, snaps wedding portrait for Mr. and Mrs. Gary Winnie, Oakland, Calif., by yanking ball which triggers preset camera. Honeyymooners saw the print seconds later. The popular whale is a star performer in aquatic show at Palos Verdes, Calif. His price is right too—one mackerel.

Forced To Suspend
Rescue Operations

COVINGTON, Ind. (UPI) — State police said Friday it may be early next week before they can resume operations to recover a car which crashed through a bridge on Interstate 74 Tuesday night and plunged into the Wabash River.

Earlier, police quoted persons who had seen the car earlier in the evening and said it was from Indianapolis, but authorities stressed the identification was tentative.

Police skindivers were forced to suspend rescue operations Wednesday because of the rising river and ice. One diver was slightly injured by a piece of ice.

A grappling hook brought up what appeared to be blue paint and auto grease, and earlier a hubcap was found near the spot where the car went through the bridge railing.

Officials said they have not yet received any missing persons reports which might indicate who the occupants of the car were.

Registered Guernsey
Is Summarized Bull

PETERBOROUGH, N. H. — Alpine Rose V. Flash, registered Guernsey bull, owned by Edison Lehman and Richard J. Moser, Berne, Ind. has become a summarized sire, according to the American Guernsey cattle club. To attain this distinction, a bull must have at least 10 daughters with official production records.

"Flash" has 10 tested daughters that have made 12 official production records. Their average production is 9,292 pounds of milk and 465 pounds of fat, when converted to a twice-daily milking, 305-day, mature equivalent basis.

Roy Hall, president of the Central Soya Co. and McMillen Feed Mills of this city, for the past five years, has resigned the positions, and D. W. McMillen, board chairman, assumed the vacant posts.

Indiana state police have been ordered to arrest motorists who are driving with 1941 license plates.

R. E. Glendening, president of the laymen's league of the Fort Wayne Presbytery, presided at a dinner meeting of the organization at Fort Wayne.

Vernon Hebble was elected president and Robert Rice secretary of Local Union 607. Rice was also named delegate to the national convention and Hebble alternate.

Found Innocent On
Manslaughter Charge
ROCHESTER, Ind. (UPI) — Ivan Burns, Jr., 38, R. R. 1, Akron, was found innocent by a Fulton Circuit Court jury Friday on a charge of involuntary manslaughter in the traffic death of his 19-month-old daughter.

Judge Frederick Rakestraw told the jury trying Burns on reckless homicide charges that there was not enough evidence for conviction on that charge. The accident happened in 1959.

Indianapolis Man Is
Killed In Explosion

INDIANAPOLIS (UPI) — Robert Monroe Jr., 22, was dead and his father remained in critical condition today as the result of an explosion Thursday night at a service station they operated here.

Both were burned when fumes from gasoline being used to clean the station apparently were touched off by the pilot light of a gas heater. The father, Robert Monroe, Sr., 44, was in Methodist Hospital here when his son died Friday night.

25 Women Workers
Made Ill By Gas

EAST CHICAGO, Ind. (UPI) — Officials of the Blaw-Knox Co., a steel casting foundry, today sought the origin of a gas leak which sent at least 25 women workers to a hospital Friday.

One woman was hospitalized for observation and the others were released after a check. A company spokesman said the women were taken to the hospital as a "precautionary measure."

FREEDOM SYMBOL — Plane in which two defecting Red Chinese pilots crash-landed in South Korea is displayed in Taipei, Formosa's capital.

OLD-TIMER — A reproduction of the earliest known mechanical clock, the De Dondi clock of 1364, has been placed on exhibit at the Smithsonian Institution in Washington.

Standing 50 inches high, the seven-sided clock was reconstructed from manuscript drawings. It took Giovanni de Dondi of Padua 16 years to make the original, which remained unequalled in intricacy for over two centuries.

Modern Etiquette

By Roberta Lee

Q. When a great number of wedding gifts have been received and if the bride is very busy, wouldn't it be all right for her to mail out engraved thank-you cards?

A. Never, NEVER! If she does not consider the gifts worth her time and effort to write personal notes of thanks, then it seems a shame that the donors devoted all time and money on her.

Q. I am to be in charge of the program for my women's club banquet. Should I be referred to as "Mistress of ceremonies" or as "Master of ceremonies"?

A. "Master of ceremonies" is in better taste for a woman as well as a man.

Q. Which is it proper to remove from the dinner table first, the serving dishes or the dinner plates?

A. The dinner plates are removed first.

NOTICE OF ADMINISTRATION
Estate No. 5723
In the Adams Circuit Court of Adams County, Indiana, Notice is hereby given that Ida L. Holthaus and Marietta Dellinger was on the 2nd day of March, 1962, appointed Co-Administrators of the estate of Louise L. Meyer, deceased.

All persons having claims against said estate, whether or not now due, must file the same in said court within six months from the date of the first publication of this notice or said claims will be forever barred.

Dated at Decatur, Indiana, this 2nd day of March, 1962.
Richard B. Lewter
Clerk of the Adams Circuit Court for Adams County, Indiana.
Custer and Smith, Attorneys and Counsel for personal representative.
March 3, 1962.
