Couple Married In Church Ceremony March 23

Lovely arrangements of lavender carnations with white snapdragons, large and small palms, and candelabra graced the altar of the First Church of the Nazarene in Decatur to provide the setting for the marriage of Miss Nina M. McAhren and Jerry A. Workinger, at 7 o'clock in the evening of March 23. The double ring ceremony was performed by the Rev. C. E. Lykins of Decatur, assisted by the Rev. Paul Temple of Geneva.

Parents of the couple are Mr. and Mrs. Raymond McAhren of route five, Decatur, and Mr. and Mrs. Lester Workinger of Geneva.

Nuptial music was provided by Mrs. Frances Roe, organist, playing "Indian Love Call," "I Love You Truly," "Kenneth Nevil uncle of the groom and soloist, singing "Always," and "The Wedding Prayer." Ron Habegger, violinist, played "The Lord's Prayer" while the couple were kneeling at the altar.

Given in marriage by her father, the bride wore a ballerina length gown of hand-clipped chantilly lace and nylon tulle. The basque bodice was fashioned with a scalloped sash neckline alight with seed pearls and long lace sleeves tapering to points over her wrists. The full gathered lace skirt was swept to the back with a cascade of ruffled lace tiers. Her bluish veil of silk illusion was caught to a Swiss hairbraid crown trimmed with aurora borealis and she wore a single strand necklace of aurora borealis, a gift from the bridegroom. She carried a single orchid with lily of the valley atop a white Bible.

Miss Miriam McAhren, sister of the bride, and Miss Shelby Workinger, sister of the bridegroom, served as maid of honor and bridesmaid, respectively, wearing ballerina dresses of chantilly lace over lavender taffeta. The fitted bodice was styled with a modified scoop neckline and sleeveless with a brief chantilly lace jacket which added charm to the very bouffant

skirt highlighted with a cabbage rose of silk organza at the empire waist. For headpieces they wore white silk organza bow hats with circular veils. They both wore dainty silver cross pendants, a gift from the bride and each carried a colonial bouquet of lavender and white carnations trimmed with lavender streamers and two small pearl hearts.

Larry Baumer, of Bryant served his friend as best man and Larry Moser of Geneva served as the groomsmen. Guests were ushered to their seats by Terry Nevil of Geneva, the groom's cousin, and Leon Habegger of Decatur.

For her daughter's wedding Mrs. McAhren chose to wear a green and brown flowered knit dress with taupe and white accessories. Mrs. Workinger was attired in a dress of avocado green with bone and beige accessories. Each mother was also wearing a white rose corsage.

A reception was held at the Zion Lutheran parish hall immediately following the ceremony. Approximately 100 guests were served from a table centered with a three-tiered white cake decorated with lavender roses and topped with a large pearl and lace heart and wedding bell. Servers included Miss Barbara Roe and Miss Sharon Smith of Decatur, and Miss Jeannie Nevil of Geneva.

For going away, the new Mrs. Workinger chose a beige and brown two-piece suit dress with beige accessories and the orchid from her bridal bouquet. The bride is a graduate of Pleasant Mills high school and was formerly employed at the Lincoln National Life Insurance company, Fort Wayne. Workinger is a graduate of Geneva high school and is presently taking ICS training for cost accounting. He is employed at Franklin Electric, Bluffton.

The couple left for a weekend trip to northern Illinois and are now at home at R. R. 3, Box 10 R, Bluffton.

Three Algiers Banks Robbed Of \$50,000

ALGIER, Algeria (UPI) — Secret army organization (OAS) commandos held up three Algiers banks today and escaped with nearly \$50,000 while other OAS raiders continued terrorist attacks here and in the western port city of Oran.

A European was shot and killed on one street here while Moslems on another were sprayed with machine gun fire from a passing car.

In Oran a plastic bomb shattered a movie theater, apparently injuring no one. But terrorist gunmen killed two Moslems and wounded five others in another sector.

Security forces setting up a cordon around the Saint Eugene quarter of Oran this morning were fired on by OAS commandos in a passing automobile. One gendarme was killed and another was wounded.

Today's terrorism raised the Algerian death toll since Jan. 1 to 3,364 and the wounded to 7,214. The OAS set off plastic bombs at the airport terminal twice in the past week in its campaign to keep Europeans from leaving Algeria. The terminal was heavily damaged in the bombing attacks last Saturday and Wednesday but no one was injured.

Four plastic bombs shattered Moslem-owned shops in the mixed Moslem-European district of Belcourt this morning but there was no report of injuries.

Charges Capehart Blocking Progress

SELLERSBURG, Ind. (UPI) — Indianapolis Mayor Charles H. Boswell charged Saturday night that Sen. Homer E. Capehart, R-Ind., has blocked progress in Indiana through his influence in the General Assembly.

Boswell, a candidate for the Democratic senatorial nomination, also told a Democratic club meeting here that Capehart "has done nothing to help us in Congress in the past 10 years."

"There has been no Capehart legislation passed that has helped Indiana," Capehart has done nothing. But maybe this is a blessing—if he had done something, it probably would have been wrong."

Boswell said Capehart has taken an active interest in state affairs and instructed Republicans to vote on almost all issues. He said "Capehart Republicans" have killed quite a few bills that would have helped Indiana progress."

He charged that Capehart had "sacrificed the good legislation which would have benefited all of the people of the state of Indiana for purely selfish reasons."

British Refusal Aid To Red Shipments

WASHINGTON (UPI)—A survey by two senators shows that Britain's refusal to help enforce U.S. export controls has resulted in shipment of millions of dollars worth of goods to the Communist bloc.

The unpublished survey was prepared by Sens. Kenneth E. Keating, R-N.Y., and Thomas J. Dodd, R-Conn., for the Senate Internal Security subcommittee. Sources said the subcommittee planned a full-dress inquiry.

The survey indicates that Britain and other Western European governments have done their best to block shipments embargoed by the Coordinating Committee for International Controls (COCOM). But cooperation to enforce the more rigid U.S. restrictions often is lukewarm, according to the survey. It said British authorities in particular were "naturally reluctant" to act against British traders who violate U.S. controls but stay within the COCOM prohibitions.

As a result, strategic goods destined originally for Allied nations wind up illegally behind the Iron or Bamboo curtains, the survey reported.

To the extent that U.S. export controls go beyond those accepted by COCOM, the survey said, "it is difficult to obtain the cooperation of British authorities for enforcement purposes."

Parts Of Ten States Flooded

By United Press International
Weekend snow and rain brought floods today in sections of 10 states from South Dakota to the Atlantic Coast.

The flooding Big Sioux River swept away an interstate highway bridge at Sioux City, Iowa, Sunday. High water broke through a dam Sunday at Middletown, Conn., flooding buildings of a mining company. High water washed out a Delaware and Hudson Railroad track between Gamesfort and Fort Edward, N.Y., Sunday, causing derailment of 10 freight cars and a caboose.

Tornado Kills Fifteen
Milton, Fla., continued the mop up after a Saturday tornado which killed 15 persons, injured 25 and left 600 homeless, causing damage estimated at \$1.5 million.

Tifton and Dorun, Ga., cleared debris from small Saturday tornadoes which unroofed buildings and uprooted trees but caused no injuries.

Caledonia, Minn., reported 9 inches of snow. Waukon, Iowa, had 8 inches. Western Pennsylvania had up to 4 inches of snow Sunday and sections of Indiana and Ohio measured 3 inches. Rochester, N.Y., had 2 inches of snow in six hours Sunday night.

There was snow reported as far south as Tennessee and as far north as Maine. Mount Carroll, Ill., had 7 inches of snow.

A 5-inch rain at Bainbridge, Ga., Sunday caused the roof of a restaurant to collapse but the occupants were unhurt.

Scattered Heavy Rains

Fort Lauderdale, Fla., had 2.65 inches of rain and Hollywood, Fla., 3.03 inches Sunday. New York had 1.22 inches of rain. Eastport, Maine, reported almost 3 inches. Philadelphia had 1.45 inches of rain and Boston measured 2.02 inches. Falmouth, Mass., had 2.75 inches of rain in six hours Sunday night.

Nearly 7 inches of rain fell at Tallahassee, Fla., causing flash flooding of the main street.

Cold Canadian air continued to sift into wide areas of the midlands, dropping temperatures near the zero mark in the northern plains.

The Big Sioux River crested a foot below bankful at Sioux City, Iowa, late Sunday night, and the community of 90,000 persons apparently successfully overcame its second flood test in four days. However, the Big Sioux was expected to remain at the crest through much of this morning.

A flood crest on the Cedar River was expected to reach Cedar Rapids, Iowa, late today and hundreds of Boy Scouts were at work filling sandbags. Minor flooding closed streets in the northwest section on the city.

Seven highways remained closed by high water in Iowa and the flooding Raccoon River inundated one of the main streets in Des Moines with 2 feet of water. Upstream from Sioux City, the Big Sioux spread over lowlying sections of North Sioux City, S.D., filling basements of 35 homes and surrounding them with up to 2 feet of water.

Three Minnesota highways remained covered by floodwater and the Mankato River, due to crest today, forced eight families from homes. Wisconsin's Kickapoo River was receding after weekend flooding but some roads remained blocked in Illinois, where the Fox River was out of its banks.

Northwestern Winner In Debate Tourney

SOUTH BEND, Ind. (UPI) — Northwestern University defeated the U. S. Military Academy in the final round Saturday to capture its second consecutive Notre Dame national invitational debate tourney.

Butler University was third, followed by George Washington University in fourth spot. Lee Huebner, Sheboygan, Wis., a member of the Northwestern team, was judged top individual debater. The tourney drew entries from 36 colleges and universities.
