**Radiological Reading Reported Unchanged**

The radiological monitoring reading for Adams county this week was recorded at .06 by Milton Spence. This is the same as recorded last week. The reading is measurable, but is almost 800 times below what is considered the lower level of the danger zone.

**ADVERTISEMENT FOR BIDS**  
Sealed bids will be received in the office of the Clerk-Treasurer of the City of Decatur, Indiana, by the Board of Public Works & Safety, for said City until the hour of 7:15 P.M. on the 17th day of April 1962, which time the bids will be publicly opened and read aloud for the following described work:

Furnish labor and equipment to install new pipe at the City Swimming Pool, Decatur, Indiana. Said bidder shall furnish all necessary work and labor (including threading all pipe when necessary) to install pipe from the West end of the filters and then around the entire pool and including the following pipe:  
15 ft. of wrought-iron pipe;  
2 1/2 x 3 Flanged ell; 1 1/2 x 3 x 3 Screwed tee; 135 ft. of 6" wrought-iron pipe;  
2 Flanged Tees; 1 1/2 x 3 Screwed ell; 1 1/2 x 3 Screwed Tee; 1 1/2 x 3 x 3 Flanged Tee; 38 ft. of 2 1/2" Wrought Iron Pipe; 1 1/2 x 3 Screwed ell; 1 1/2 x 3 x 3 Screw Tee; 45 feet of Wrought Iron Pipe; 2 x 2 Screwed Tee; 1 1/2 x 3 x 3 Screwed Tee; 15 ft. of 6" Wrought Iron Pipe; 1 1/2 x 3 x 3 Screwed Tee; 1 1/2 x 3 Flanged ell.

Said successful bidder shall further connect 18" connection pipe and sleeve in wall of pool, and shall specify how connection will be made. Bidder shall install 77 feet of suction pipe in bottom of pool and 3 1/2 x 3 Flanged ell. The City will remove all of the old pipe except pipe in sleeve through concrete wall and also will drill holes in 8" suction pipe. The bidder should inspect the site and familiarize himself with the scope of the work and the City will allow the old pipe to remain until such time as the bid is let.

Bidder shall remove rust from thirty-four 4" soil-pipe, and cover connection with protective covering, and shall also install 8" Flanged Gate Valve, 1 piece 8" pipe, 8" long steel pipe face to face of flange, 1 piece 8" x 8 ft. 1 1/2" steel pipe face to face of flange, which are a part of the filter system.

The above enumerated pieces of pipe are now owned by the City of Decatur, Indiana, and the successful bidder shall furnish the necessary labor, equipment, and other material and supplies in order to complete the above work.

Bidder shall state when he can start work and give approximate date of completion.

Proposals or bids shall be properly and completely executed on State Board of Account Form No. 96, with Non-collusion affidavit as required by the Statutes of the State of Indiana, and must be accompanied by questionnaire Form No. 96A, State Board of Accounts for all bids of Five Thousand Dollars (\$5,000.00) or more, as required by law.

Every bid or proposal shall be accompanied by an acceptable bidder's bond or certified or cashier's check payable to the City of Decatur, Indiana, in an amount of not less than 5% of the bid submitted as a guarantee that if the proposal is accepted a contract will be entered into and the performance of the contract properly secured.

Successful bidders will be required to furnish a properly executed performance bond with acceptable surety thereon, in the amount of 100% of the contract awarded, said bond to comply in all respects with the requirement of the statutes of the State of Indiana, governing bonds to be furnished for such contracts let by Municipal corporations.

The Board of Public Works & Safety reserves the right to reject any and all bids, is not obligated to accept the lowest or any other bid and may waive informalities in bidding. No bid shall be withdrawn for a period of thirty days after the date of receiving bids, without the consent of the Board of Public Works & Safety.
