Concord Man Kills Wife, Shoots Self

FORT WAYNE, Ind. (UPI)—Adam, Rowe, 39, Concord, was in grave condition at St. Joseph's Hospital here today with a shot-gun wound self-inflicted after he killed his wife Saturday night.

Rowe admitted slaying of his 38-year-old wife, Doris, during an argument believed to have concerned an Auburn man she reportedly had been seeing.

Two of the couple's five children witnessed the shooting which took place after Rowe and his eldest son, William, 17, returned to the Concord home after a visit to nearby Auburn.

DeKalb County Sheriff Dorsey Likens said Mrs. Rowe was dressed in a nightgown and robe when the father and son returned. The boy quoted his father as telling her to "put on some clothes. I'm going to kill you."

When she refused, he said, his father became angry and stormed into the bedroom, emerging with a shotgun. He fired one shot, killing her instantly.

The boy said he scuffled with his father in an effort to seize the gun after his father said he was going to kill himself. He said he then ran to a neighbor's home to summon police, but when he returned he found his father lying on the bedroom floor with a gun-shot wound.

Authorities said the shooting was also witnessed by another son, Richard, 13, who was lying on a couch at the time.

Two other children, Kevin Eugene, 9, and Valory, 5, were asleep upstairs. Another daughter, Patricia Mooney, 19, is married and lives at Newville.

14,000 Austrian Doctors On Strike

VIENNA (UPI)—Nearly 14,000 Austrian doctors began a 24-hour strike today to force demands for higher pay and to protest what they called government efforts to "socialize" doctors.

All medical services were curtailed with the exception of hospital emergency wards.

Police were alerted to control demonstrations against the striking doctors by labor union members. Over the weekend 800 workers staged a protest rally in front of the Chamber of Physicians headquarters.

The feud started in Vienna where doctors were receiving a payment of \$1.70 per patient for a three-month period no matter how often the patient was treated. They asked the State Health Insurance Co. for an increase to \$2.32.

The government insurance officials turned them down. The doctors canceled their contract and started asking patients for cash payments.

Vienna promptly became one of the most healthy cities in Europe. Viennese, faced with the prospect of paying from \$1.16 to \$2.32 per visit, stayed away from doctors in droves.

Absenteeism Drops
Factory managers reported that absenteeism dropped from the normal 6 to 7 per cent to 1 per cent.

When the doctors complained the State Insurance Co. responded by offering any doctor a post as a "state employed doctor" with a fixed monthly salary of \$440.

The Chamber of Physicians accused the insurance officials of trying to "socialize" the "free profession" of doctors, and medical men throughout Austria voted for the strike which started last midnight.

13 Are Unhurt As Plane Crash Lands

AMARILLO, Tex. (UPI)—Hostess Linda Howard said a prayer then bravely set out to calm passengers—Sunday just before her Continental Airlines Viscount II turbo-prop airliner crash-landed in a wheat field.

Miss Howard, 22, remembered almost all her safety procedure. She did not, however, fasten her own seat belt.

One passenger of the 13 persons and three crew members aboard required hospital treatment, for a cut right ear. The \$1 million plane crashed exploding twice just after the last person got off. Fire quickly engulfed the plane, which was a total loss.

"I just asked God to help them get down as safely as possible," Miss Howard, of El Paso, said.

Pilot Larry Lauratis executed a low-altitude turn after takeoff, then brought the big plane down on its belly in the stubble of a recently-harvested wheat field. Lauratis said he knew the craft was in trouble from the minute of takeoff.

The plane came to rest a mile from the airport.

"It turned out to be a good choice for a place to put her down," Lauratis, 43, said.

"In the back of my mind I was hoping that Linda was having no trouble with the passengers," Lauratis said.

Lauratis, Miss Howard and copilot Ed Gorman of El Paso all credited their training for emergencies with the safe landing.

Mrs. Connie Carothers, 70, of Fullerton, Calif., was the only person hospitalized. She was treated for a cut below an ear and was released. Ten other passengers were treated and released.
