VICKI SMITH, six-year-old daughter of Mr. and Mrs. Ralph Smith, Jr., sits amid the cards, letters and gifts she has received for her birthday last Saturday. Young Decatur Girl  
Enjoys Cards, Gifts

Vicki Smith, daughter of Mr. and Mrs. Ralph Smith Jr., of 1135 W. Marshall St., who is suffering from leukemia, spent a happy sixth birthday Saturday, Jan. 12, thanks to cards, letters and gifts from all over the United States.

Through the aid of medicines and blood transfusions, Vicki is able to be up and around, and spends most of her time opening more than 1,200 birthday and Christmas cards received from throughout the United States.

In addition to the many cards and letters, Vicki has received over 70 coloring books, 600-700 crayons in various size boxes, plus dolls, stuffed animals, bracelets, necklaces rings, etc., to make her sixth birthday a happy one.

Up And Around  
The disease was diagnosed the

middle of December, but Vicki is getting along well at the present time, and may possibly return to school soon.

She attends the kindergarten class of Mrs. Schroeder at the Southeast elementary school.

The many cards received by Vicki were gained through the aid of Fort Wayne radio station WOWO, and mainly through the efforts of announcer Bob Sievers.

## WOWO Efforts

Several times Sievers explained of Vicki and her illness, and explained that she would enjoy cards on the sixth birthday.

Since that time, the mailman has been kept quite busy bringing the birthday wishes to the Smith household.

At least one card has been re-

ceived from every state east of the Mississippi River. She has also received happy birthday wishes and letters from a missile base in South Dakota; a U.S. armed forces training camp in S. Carolina, where a platoon of sixty men signed the card; from Bermuda, Texas, and other far-off locations.

She received a letter from a 76-year-old man who resides in one of the Western states, who explained that he had not written a letter in his own handwriting in the past five years, but thought that this was "a special occasion."

## Express Gratitude

Though Vicki is not able to read very well yet, her parents have greatly appreciated some of the letters themselves.

Vicki and her parents would like to thank everyone who has sent cards gifts, and also to those who have donated blood transfusions.

Foreign Aid Plans  
In Stormy Voyage

WASHINGTON (UPI) — President Kennedy's foreign aid program is heading for another stormy voyage through Congress.

The budget figures will not be announced until Thursday but Rep. Otto F. Passman, D-La., who already has the inside dope, said today they add up to far too much.

Kennedy is expected to ask Congress for almost the same amount he did last time — \$4.9 billion which the lawmakers later cut by a billion dollars.

Passman, chief congressional critic of the aid program and

chairman of the House appropriations subcommittee which handles the big money bill, said the administration was going to request "far, far in excess of what is really needed."

"It simply means my committee will have to start work earlier and labor longer to find the fat and make sure it is removed," the Louisiana congressman said.

Regular Meeting Of  
Elks Thursday Night

The regular semi-monthly meeting of the Decatur Elks lodge will be held at 8 o'clock Thursday night at the lodge home on North Second street. Important business will be transacted and all members are urged to be present.

If Wide-Track is as hot as  
Pontiac says, why don't they  
put it in their Tempest?

They just did.

We can take a hint. When people are as happy with something as Pontiac owners are with Wide-Track, we're willing—nay, eager—to let everybody else in on it. That's why Tempest has a Wide-Track of its own this year. It's why you get to choose between a lively 4 and a 326-cu. in. V-8, too. We aim to please—and if we do say so, we're pretty accurate. \*Optional at extra cost.

Now there are two kinds of Wide-Track cars . . . Pontiac and Tempest
