THE CHURCH INVITES YOU

The space capsule is flung into
orbit by man-made devices. Once
in orbit, it is taken over by the
unseen power of the universe and
is moved into its earth-circling
course by a strength far greater
than its own. The voyage of a
space capsule resembles the soar-
ing of the soul into its purpose
and destiny. In the strength of his
own will, man must bring his life
to the place where it is taken
over by God's purpose and acts in
accordance with God's will. The
initial thrust comes from us. The
continuing power is God's power.
The orbit of the soul is coopera-
tion between man and God. Unless
we seek Him, we shall not find
Him. When we seek Him, His
power, purpose, and peace take
over. The church is God's house
where He may always be found.

WHY NOT ACCEPT THE INVITA-
TION AND COME TO CHURCH
NEXT SUNDAY?

THE BETTER WAY

Former Governor Henry J.
Allen of Kansas once made a
statement that makes such good
sense it should be repeated. Said
the governor: "Had Abraham Lin-
coln been living today, the Ro-
tary club would supply him with
a set of books; the Lions Club
with a good reading lamp; the
Cosmopolitan Club with writing
equipment; and the Kiwanis Club
with a wooden terrace for the
cabin. He would have the pro-
tection of child labor insurance.
