The Church
Invites You
According to science it takes
three simultaneous influences to
make a seed germinate in the soil.
It must have heat, moisture and
air; when these three things come
at the same time, the long dor-
mant seed springs to life and ful-
fills its destiny. If one influence
is lacking, the grain will never
become a plant. So it is with man
in his threefold being — spiritual,
mental and physical. The possi-
bilities of greatness are latent in
him, but if one of these forces is
missing, he will remain as a seed
in desert soil. The church pro-
vides the counsel, the inspiration,
the fellowship, to nurture one's
spiritual life.
**WHY NOT ACCEPT THE INVITA-
TION AND COME TO CHURCH
NEXT SUNDAY?**

The pastor will be away this
week attending the annual Youth
director's convention at the In-

open until at least 7:00 for those
who could come later.
The next Christ Ambassador's

Assembly of God Church in Ligon-

official delegates from Northeast
Indiana will meet earlier that eve-
